State Will Study Plan To Expand River Park

Lewis-Clark Committee Submits Proposal for 350-Acre Development

William T. Lodge, director of the Illinois Division of Parks, took under advisement at Springfield yesterday afternoon a proposal for expansion of the Lewis and Clark Memorial Park near Hartford to a state supported park of approximately 350 acres.

The proposal was submitted in the first meeting of the statewide Lewis and Clark Trail Commission since its appointment last summer by Gov. Kerner and resolves a long-standing dispute between local area members of the commission over the extent of the park expansion. The park, which marks the starting point of the Lewis and Clark expedition in 1804, consists now of only five acres.

While the proposal settles differences between local business and conservation groups over how large the park is to be, a controversy that has been waged for more than a year, there still is a question as to the availability of the land proposed for the park area and uncertainty over the Illinois Park Division's ability and willingness to finance establishment and maintenance of a park that size.

Quits as Chairman
The meeting was marked by the resignation of Eugene Graves, director of the Illinois Business and Economic Department, as chairman of the 14-man Illinois trail commission, an election of Clarence Decker, representing the Wood River Township Chamber of Commerce, to take over the chairmanship. Graves will continue, however, as Illinois' official delegate on the National Trail Commission.

Meanwhile, a joint Senate resolution calling upon the Federal Historical Site Advisory Committee to declare the embankment of the Lewis and Clark expedition as a national historical landmark, was voted out of House committee and scheduled to go on the floor next Tuesday.

The resolution was introduced Jan. 9 by State Senator Simon (D), Troy, and Senator John G. Gilbert (R), Carbondale, and approved by the Senate. The House committee recommended the resolution be passed.

Lodge informed the group of local commission members of the park division will study the proposal, which includes an agreement between the business and conservation groups over installation of harbor facilities on the riverfront.

If the proposal is found feasible.

Three Undergo Surgery At Local Hospital

The following underwent surgery this week at St. Elizabeth Hospital:

John Stimes, 1708 Grand avenue, Charles Veach, 2208 Manley avenue, and Carolyn Byrd, 545 Mercedia street, Madison.

BIRTHS..

GIRLS
Mr. and Mrs. Benny Nolan, 900 Washington avenue, Madison, Jan. 23, Pamela Louise, eight pounds, eight ounces.
Mr. and Mrs. David Spiller, 4521 Vine street, Jan. 24, Kathryn Michelle, seven pounds, eight ounces.
Mr. and Mrs. Charles Flinn, 21233 E. 24th street, Jan. 25, Laura Michelle, five pounds, 12 ounces.
Mr. and Mrs. Robert Bellovich, 3033 Maryville road, Jan. 25, Lisa Coleen, eight pounds, six ounces.
Mr. and Mrs. Hubert Nodine, 2822 West 20th street, Jan. 26, eight pounds, 14 ounces.

BOYS
Mr. and Mrs. Walter Arner, 3211 Edgewood drive, Jan. 24, David John, seven pounds, nine ounces.
Mr. and Mrs. Leonard Hylla, 1708 Market street, Madison, Jan. 25, Kurt Leonard, eight pounds, 12 ounces.

Mr. and Mrs. William Dolenc, 4140 Division street, Jan. 26, William Robert Jr., six pounds, four ounces.
Mr. and Mrs. Lyman Skyles, 3144 Rodgers avenue, Jan. 26, eight pounds, three ounces.

Fall Bond Issue Possible in GC School District

Granite City schools may need to propose a construction bond issue election by next November, Acting Supt. Bob J. Davis told the school board last night.

A key question is whether to erect a second high school costing \$4½ to \$7 million or to designate Granite City high school as an eleventh and twelfth grades center rather than the present tenth, eleventh and twelfth grades, it was explained.

Under the latter plan, Coe-Lodge junior high school and possibly a second building would handle ninth and tenth grades. Other junior highs, instead of serving the seventh through ninth grades, would accept sixth through eighth graders.

Remodel Old Schools
Major needs were listed as including Mitchell and Stallings area grade schools; either new junior high or high school space, depending on the decision to be made; and improvement of existing schools.

Remodeling plans are to be completed by two architectural firms for board study in February and forwarding to the state by June.

Since a second high school would not be proposed unless there is a change in the present bonding limit, contact is to be made with the state legislature to present in detail to the board in the near future. At the same time, state attendance requirements that appear to ban pupil dismissals for parent conferences are to be discussed.

Study Launched by Johnson
Much of the planning for a building program was carried out by Supt. Russell D. Johnson before his death, Davis said.

This and other material is to be presented in detail to the board in the near future.

Despite some slackening in growth trends compared to a few years ago, the overall outlook for Granite City schools indicates a "brightening," enrollment, board members commented.

Meanwhile, a joint Senate resolution calling upon the Federal Historical Site Advisory Committee to declare the embankment of the Lewis and Clark expedition as a national historical landmark, was voted out of House committee and scheduled to go on the floor next Tuesday.

The resolution was introduced Jan. 9 by State Senator Simon (D), Troy, and Senator John G. Gilbert (R), Carbondale, and approved by the Senate. The House committee recommended the resolution be passed.

Lodge informed the group of local commission members of the park division will study the proposal, which includes an agreement between the business and conservation groups over installation of harbor facilities on the riverfront.

If the proposal is found feasible.

\$400,000 Sought to Begin Developing Horseshoe Lake Park

A \$400,000 appropriation to acquire the 1600 water-covered acres of Horseshoe Lake and begin development of a park was requested in a report submitted at the state capital Tuesday afternoon by the 22-member Illinois Horseshoe Lake Area Commission.

A delegation headed by Commission Chairman Henry D. Karandeff, board chairman of the Granite City Trust & Savings Bank and American National Bank, and Illinois Gov. Edgar W. Brooke, presented the report to Gov. Otto Kerner and the Illinois General Assembly.

The group also conferred in Springfield with William T. Lodge, director of the Illinois Department of Conservation, and Gene H. Graves, director of the Illinois Department of Business and Economic Development, and legislators serving on the Horseshoe Lake Area Commission.

Favorable Reaction
"Reaction to the report was favorable," Chairman Karandeff said yesterday, adding that the recommendations are to be placed in the form of legislation for consideration during the January-June 1967 legislative session.

The report to the 75th Assembly, which was by Feb. 1, was the third presented by commissions created to study the need for development of Horseshoe Lake in Madison and St. Clair counties into a recreational park and wildlife refuge.

The 70th Assembly was asked in 1957 to provide \$350,530 for acquisition of the lake should be acquired by the state of Illinois for a similar improvement. Karandeff, chairman of the commission, said the report is a threefold study of the lake and its potential for recreation and preservation. It is still hoped to carry out the need for formal designation of Horseshoe Lake as a regional state park and action in 1967 to acquire and improve the property.

It pointed out that "because of the proximity of the lake to a highly urbanized area, the commission believes that certain recreational facilities can be provided by private capital on a non-exclusive basis, with federal and state assistance which will become available—Horseshoe Lake can be re-created and preserved as an important recreational area for the future generations."

Describing the original plan as "too ambitious a program for one biennium," the commission urged step-by-step acquisition

RR Values In County Cut Again By State

Steady 10-Year Decline Cuts Total Taxes from \$1 Million to \$659,241

Property assessments for Madison county's 13 operating railroads have been reduced again by the Illinois State Department of Revenue for the tenth consecutive year, resulting in a total valuation for the 1966 tax year of \$17,185,551.

The new assessment total, announced by the office of County Clerk Estelle Hutz, is a decrease of \$510,446 below the 1965 railroads for the tenth consecutive year, resulting in a total valuation for the 1966 tax year of \$17,185,551.

While the reduction is small in comparison to some of those granted the railroads in prior years, it nevertheless continues a trend of reduced valuations announced by the state revenue department from year to year since 1957. The state assesses railroad operating property and certifies the valuation to the county clerk's office.

Of the 13 major operating railroads in Madison county, only two received increases in their assessments over the 1965 values and both of these were slight. The remaining 11 received cuts in their property valuations ranging from \$1048 in the assessment of the Norfolk & Western to a \$144,000 reduction in the valuation of the Alton & Southern.

Half-Million Reduction
The half-million dollar valuation cut for the 1966 tax year resulted in a total reduction in rail valuations over a seven-year period, and at 99% the total assessment reduction enjoyed by the railroads during the last ten years.

Assessment records show that in 1957, total valuations for the same railroads amounted to \$41,185,997.

Loren Davis Wins IC's 'Young Man Of Year' Award

Per Diem Hikes for Board of Review Declared Illegal

Loren Davis, member of the Granite City Rotary Club and chairman of the Public Service Division of the 1967 United Fund drive, was named the Quad-City's "Young Man Of Year" last night. He received the 1966 Distinguished Service Award, presented annually by the Granite City Jaycees at the "Bosses Night" dinner held at the Rose Bowl.

More than 30 Jaycees, their bosses and other invited guests heard Ted Schaefer, public affairs editor of the St. Louis Globe-Democrat, talk on labor-management problems in the two-state metropolitan area.

Other 1966 DSA finalists introduced were Floyd Presley, president of the Granite City Jaycees, first runner-up, and Mike Joyce of the YMCA.

Precautions Taken Here as Tornado Scores Near Miss

Many Quad-City Residents Prepared to Take Cover When Tornado Warnings Issued Tuesday Afternoon, Prior to Devastating Tornado in Northern Parts of Madison and St. Louis Counties, Which Was Blown off Interstate 270 near the Route 3 ramp west of Mitchell. The damage was caused by a strong gust and the suction of a passing tractor-trailer truck.

By Press-Record Staff Photographer
Avalanche of rain and hail continued Tuesday afternoon, prior to a devastating tornado in northern parts of Madison and St. Louis counties, which was blown off Interstate 270 near the Route 3 ramp west of Mitchell. The damage was caused by a strong gust and the suction of a passing tractor-trailer truck.

Granite City auxiliary police and rescue groups were placed on a standby alert here Tuesday evening before the tornado struck. Victor H. Koenig, Civil Defense director, reported that none of the local units was called to provide assistance in the stricken areas. The standby bases was maintained throughout the night.

Seven volunteers from the Granite City Salvation Army unit, together with Lt. and Mrs. Don and Wagon, manned the local unit's canteen-trailer from early morning yesterday until 1 a.m. today, in the tornado stricken areas of St. Louis county.

The same group returned to the devastated region at noon today and plans to remain there until midnight, Lt. Wagon said.

All Salvation Army units from the Greater St. Louis area responded to a call for aid, the officer said. The local women distributed to tornado victims, disaster crews and utility workers and police more than 700 sandwiches, 1000 cups of coffee and 200-300 bowls of hot soup, Lt. Wagon reported.

Those aiding in the disaster included Mrs. Marcella Oliver, Mrs. Norma Catter, Mrs. Norma McAmish, Miss Ruth Stever, Mrs. Glenna Wallace, Mrs. Marlene Crippen and Mrs. Melba Geyer.

Mrs. Maxine Rutter, Mrs. Alma Haldeman and Mrs. Elizabeth Griffin remained on duty at the local headquarters preparing the food and beverages.

Tornado conditions developed here a couple of miles of air collected with the warm air which had prevailed here since last week to do so.

GC Aldermen OK Remap of Wards By 3-to-4 Vote

Opponents Threaten Court Action as 2 Tries For Amendments Fail

Voting 11-4, Granite City aldermen redistricted the city's eight wards Monday night, completing the action in time for the changes to be made for the April 4 city election.

Opponents indicated they would not take the defeat lying down. They protested vehemently that the procedure was illegal and that the only way to do the job and stay within state statutes was to cut the number of wards to seven, eliminating two aldermen. Court action was indicated.

Monday night's debate lasted nearly an hour, and required two roll calls to defeat amendments before approval was given.

First Ward Alderman Moerlein presented the first amendment in the form of a quotation from the statutes listing the number of wards permitted on the basis of population. His presentation set the population figure at 20,000 for seven wards and another ward for each 20,000 to station over 30,000.

"You Fear The Courts"
"You're making the change," Moerlein said, "because you fear the courts will redistrict for seven wards and the city will be out of aldermen. The synthetic census (provided by the city) shows a total population of 43,811."

"With two aldermen less, think of the savings. It would be for the city," Moerlein added.

The protesting alderman added that the redistricting plan failed to equalize ward population properly, and that the larger wards in the Sixth and Eighth wards, while the small Fifth Ward was left not changed and the Second Ward increased.

Second Ward Alderman Bartosik, who also termed the new wards illegal, said the mayor could be impeached if he signed the ordinance into law. "With this kind of arrangement, we'll probably have to redistrict again in two years to take care of the growth."

Barasich challenged Moerlein's interpretation of population restrictions. "We can stay at eight wards and 16 aldermen unless a man in a suit says otherwise," he said.

Calls for Opinion
Bartosik called upon City Atty. Allen to rule on the legality of the redistricting ordinance. "The law says we should not have eight wards here," Allen replied. Bartosik was not entirely correct, he said, and that it would take a decision by the court to determine if the city did not qualify for continuing eight wards based on the number of inhabitants over 30,000.

The state law says you have to comply when you redistrict," Bartosik stated. "If we have to get a biased opinion from our city attorney because of his politics, we're in a heluva shape."

Moerlein again took the floor (Continued on page 7, col. 1)

Macios Named to Area Clean Air Board

Three Drivers Arrested On Muffler Charges

Theodore Macios, vice-chairman of the Granite City Air Pollution Control Board, was elected to the executive board of the Greater St. Louis Air Pollution Control Association at its annual meeting at the Sheraton-Jefferson Hotel, St. Louis, Tuesday night.

The board also elected George Arnold, Edwardsville, president for the 1967 year.

Those attending the meeting from Granite City included Macios, Dr. George Wilkins, Burton Bernard and chairman Henry Bernicki, all members of the control board here, and Leo Konzen, local attorney.

Lewis C. Green, chairman of the Granite City Air Pollution Commission spoke on "Interstate Compacts for Air Pollution Control," reviewing the state of interstate compacts. He recommended an effective compact as an alternative to federal action in achieving clean air.

They are John R. Simpson, 2121 State street, at Madison and Madison avenue; Gene C. Skaggs, 3004 Namekook road, at Namekook and Jiff avenues; and Charles Andrew Williams, 1856 Fifth street, Madison, at 20th street and Madison avenue.

6 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Last Drink to be Quick One If GC Changes Liquor Law

Tavern patrons may have to get down that late drink if Granite City council members adopt amendments to the liquor control law proposed by the city liquor commission Monday night. The changes would require taverns to be closed of patrons within 15 minutes after the legal closing time and would prohibit minors from working as bartenders in liquor carryout bars.

Action was deferred on request by Aldermen Boyd and Bartosik, as Boyd called for an explanation from Deputy Liquor Commissioner Harold Hill. Hill's answer was not present.

No objections were raised by the aldermen on clearance of taverns within 15 minutes after the closing hour, but protests were made over depriving minors of sources of jobs and income.

Nameoki-Johnson Left Turns Not Enough for Arrow Light

Granite City officials were convinced Monday afternoon that left turn arrows are not needed at the Nameoki-Johnson-Fehling intersection, but that the problem can be solved with traffic lane striping.

Also, plans to straighten out the narrow Iowa street approach at Nameoki road and St. Clair avenue, are under study by the Street Committee, and a recommendation for improvement of the jogging intersection is expected in two weeks.

A meeting with state highway department officials was held Monday afternoon by Mayor Partney, Alderman Thompson of the Eighth Ward and Street Committee chairman Sternberg, with Police Lt. William Condis to study traffic flow during a peak hour at the newly

Aldermen Seek Aid To Reopen GM&O Railroad Station

Granite City council members decided Monday night to appeal to local civic organizations for help in petitioning the Illinois Commerce Commission to reopen the GM&O Railroad station at 20th street.

The action was taken after a letter was read from F. E. Wall, the division superintendent for the railroad stating that upkeep would be too costly, especially because of vandalism, and that consideration is being given to razing the structure, which now is closed and boarded up.

Protesting the railroad's stand, Alderman Nomm said 200 to 300 local college students use the trains to travel, and that Granite City is not even a regular stop. "A town this size should have a station if for no other reason than the betterment of the community."

Alderman Fry recommended the city enlist support from the Chamber of Commerce, Associated Retailers, Jaycees and area legislators, and follow up the reopening petition with an appearance of a delegation at the ICC hearing.

In other matters, the council called upon City Inspector Jack Fricker to proceed with a warrant for removal of a horse, other animals and debris from a yard in the 2100 block of Illinois avenue.

Received by the city was a copy of a certificate of convenience, outlining service areas of East St. Louis & Interurban Water Co., which is being filed with the ICC.

A recommendation was made for resurfacing the 2500 block of Grand avenue under the next city budget, and the request was expanded for the improvement to extend from 24th street to 30th street. The initial request was by Alderman Sternberg and the extension by Alderman Robertson.

Sternberg stressed the greatest need was in the 2500 block, and he saw no need for the added blocks.

Locations Announced For Chouteau Caucuses

Locations for the Democratic and Republican nominating caucuses in Chouteau township on Feb. 7 were announced this week by the town auditors, George Warnecke, Marion Sparks and Cletus Bedwell.

The only town office to be filled in the April 4 election is that of highway commissioner, now held by Ben Eberhardt.

The Democratic caucus will be Monday night by Alderman Johnson.

Residents complained that over the weekend, the new four-lane highway was being used as a speedway. Council members gave their approval.

Improved Law Enforcement Object of Musso Meeting

Discussion of law enforcement problems, legal issues and procedure in handling prisoners highlighted a meeting Monday night of police chiefs, state police representatives and county officials in Edwardsville.

The meeting, held in the Edwardsville Gun Club quarters, was called by Sheriff George Musso, who said that as far as he can determine it was the first such meeting of its kind in Madison county.

Sheriff Musso said the idea of a "get-together" of top police officials from all agencies and units in the county for a discussion of current problems was so well received by the group that he intends to make it a regular event, with meetings scheduled every two or three months.

"It is my idea that to obtain proper law enforcement, all enforcement officials must work together in a coordination of their efforts and procedure," Sheriff Musso said. "The only way we can do this is get together and work out any problems we have and discuss the laws and procedure we all must follow."

Police chiefs from every community in Madison county, with

exception of those from two smaller communities, attended the session, as did State's Atty. Leon Scroggins and Capt. Emil Toffant of the State police district.

Scroggins explained laws governing the handling of prisoners in regard to the right of prisoners in making telephone calls, obtaining attorneys and in giving statements to police officials, with emphasis on disposition of juvenile cases.

Sheriff Musso outlined the policies of his office and explained the methods to be used in picking up prisoners from local police departments, posting of bond, serving of papers and similar matters.

Lee Asks Smith To Help Obtain Venice Underpass

A call for aid by House Speaker Ralph T. Smith (R, Alton) in speeding construction of a Broadway traffic underpass was issued yesterday by Dr. John E. Lee, mayor of Venice.

Addressing the Madison Rotary club, Dr. Lee responded publicly to Rep. Smith's criticism of the underpass delay, voiced in a talk Jan. 19 to the Granite City Republican Women's club. The mayor also released the text of a letter he is sending to Rep. Smith.

Dr. Lee and Madison Mayor Stephen Maeras, Democrats, disagreed with the House Speaker that local leaders are to blame. They conceded that it is a strongly Democratic area and that there has been a Democratic state administration, but said dealing with railroads and state agencies seldom moves as fast as desired.

Venice Effort Noted

Maeras said the Venice municipality's contribution of \$450,000 speaks for itself, and Dr. Lee noted that only one-half of one percent of McKinley Bridge users reside in Venice. The bridge, which had five million crossings in the last year, is expected to be aided by elimination of traffic delays at the Venice crossings.

Dr. Lee estimated that the city probably could resist for only another year or two before public works that the \$500,000 be used instead for municipal purposes.

Text of the letter follows: "It was with great surprise that I read in the Jan. 20 issue of the Press-Record that the city of Venice was being blamed for not securing the underpass at a much earlier date."

Affects Many People
"It was an even greater surprise that the honorable Speaker, after having been told by the highest office a representative can attain, would return to the area of his former home and be so critical of a problem affecting so great a number of people. But perhaps moving to Alton has changed his feelings."

"I feel sure that if the honorable speaker will check with the governor's office, the honorable Mr. Lavenex and the Highway Department, as well as the Commerce Commissions and the railroads, he will find that the city of Venice has been pushing as hard as it possibly can to get this much-needed improvement for the Quad-City area."

"If the honorable speaker knew the city was not using the proper initiative, as he put it, or that the city was pushing in the wrong direction, I feel it was his obligation as one of our representatives to come forth and show us the way. Sure, he is a Republican and I am a Democrat, but I didn't suppose or know this was to be a Democratic or Republican underpass. The city feels it's for all to use."

"As the honorable Speaker stated that he is more than acquainted with the roadblock at the Broadway crossing and how this affects the working people of the Quad-City area, it would seem to be that 'knowing what to do,' he would have stepped forward."

Contribution by City
"For some number of years, the city officials of Venice have been meeting with the Highway Department, the Commerce Commission and the railroads toward the solution of this problem and the city has generously offered to put into the project some \$450,000 little initiatives in the form of dollars."

"I would like to see the honorable Speaker try to convince the motorists blocked by a long drag (especially the Con Edison coal

REV. DR. DIGIACOMO

Rev. Dr. DiGiacomo Elected Moderator

Rev. Dr. John N. DiGiacomo, minister of the Mitchell Presbyterian Church, was elected moderator of the Alton Presbytery by a majority vote at the winter meeting Tuesday in Alton.

The meeting was held at First Presbyterian Church there, and others attending from here were Rev. Dr. David B. Maxton, First United Presbyterian Church of Granite City; Rev. Gail Cross, Nameoli Presbyterian Church; Rev. Frank Christ, Madison Presbyterian Church and Howland Kaseberg, William McDowell and A. J. Mueller Jr., commissioners.

The proposed Confession of Faith for 1967 was passed at the meeting and the Committee of Ministerial Relations brought forth for further study by the local churches the idea of ministers in a local parish serving further periods of study to enhance their work and become familiar with the current issues of the day. This period of study will be from two weeks to three months.

Convertible Top Cut

Wesley Townzen, 220 Edison avenue, reported at 11:15 a.m. Tuesday that vandals cut the top of his 1962 convertible auto while it was parked during the night at his home.

The honorable Speaker states he has been a member of the Horsehoe Lake Committee since 1956 and I know the chairman of this committee has worked very earnestly and relentlessly in this project toward a much-needed recreation area. Just because it has not met with much success, is the honorable Speaker saying he is using the wrong initiative?

Asks for Help Now
"If the honorable Speaker knows of any way the underpass can be secured at a faster pace than what is being done the city not only would welcome such suggestions and help but implores the Speaker to come forward and do whatever he can in this regards."

"In stating the foregoing, I not only speak for the city of Venice but for most of the 20,000 daily users of the bridge."

"The underpass will become a reality but if the Quad-City area is to get the things we need we had better start being helpful together and not so critical."

REVIVAL CONTINUES 3RD WEEK!

Rev. & Mrs. Braunell Richey and Janell of Oklahoma City, Okla.

Bethel Chapel Church
21st and Dewey Ave. Granite City
REV. KENNETH BRAND, Pastor

NIGHTLY 7:30 EXCEPT MONDAY

Mrs. Eva Kuhrik, 68, Dies; 60-Year Resident

Mrs. Eva (Celly) Kuhrik, 68, of 4263 Lake drive, died at 10:30 p.m. Tuesday at St. Elizabeth Hospital, where she was a patient 15 days. Death was attributed to a stroke.

Born in Padina, Yugoslavia, Mrs. Kuhrik lived in the Granite City area for 60 years. She was a member of St. John Lutheran Church, where she was active in the Women's Guild. She had served as guild treasurer and chairman of the flower committee for several years.

Survivors include her husband, John Kuhrik, a retired Granite City Steel Co. employee; two daughters, Mrs. Karol (Rosemary) Dujka of Bondell, Wis., and Mrs. Emil (Margaret) Velebin of Minneapolis, Minn.; one son, Carl Kuhrik of Houston, Tex.; one sister, Mrs. Suzzette Kaufmann of Las Gatos, Calif.; and 11 grandchildren.

Mrs. Kuhrik was preceded in death by a son, John, and a brother, Joseph Cell, whose funeral was held here yesterday. Funeral arrangements for Mrs. Kuhrik are given in today's obituary column.

Returns from Vietnam, Assigned to Utah AFB

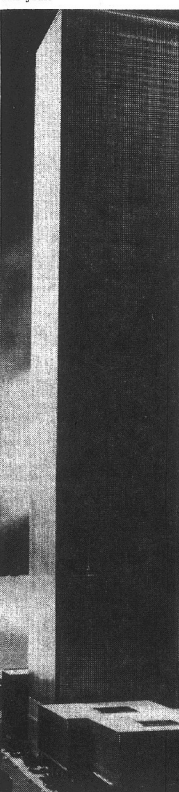

Airman Third Class Marvin Ribbing has returned home after serving a year in Vietnam and since has reported to Hills Air Force Base in Utah, accompanied by his wife. He first joined his wife in St. Paul, Minn., and visited with her family in Bourgo, Minn., before visiting his parents, Mr. and Mrs. Joseph Ribbing, 2216 Edwards street. While here, he received a phone call from his brother, Bro. Donald Ribbing, S.M., who is studying at the International Seminary in Fribourg, Switzerland.

Two Local Suppliers For \$575,000,000 Bldg.

Two Quad-City area steel firms will be supplying materials in the amount of \$8,539,000 for construction of the \$75,000,000 World Trade Center being built in New York City along Church street by the Port of New York Authority.

Structural steel for the floor assembly in the twin 110-story tower buildings includes contract awards of \$6,650,000 to Laclede Steel Co. and \$1,889,000 to Granite City Steel Co.

Laclede is to furnish floor trusses and miscellaneous steel totaling \$6,650,000 in costs, while Granite City Steel Co. is to furnish deck and power and telephone cables at a cost of \$1,889,000. Fabrication of components of the floor system is to start early this year.

WORLD TRADE CENTER being built along Church street in New York City with materials from two local area firms—Granite City Steel Co. and Laclede Steel Co. This photo of the model of the \$75,000,000 structure shows the main plaza, entrance and the twin 110-story tower buildings.

Expect Governor To Sign Township Filing Bill Feb. 1

An emergency legislative bill to permit filing of candidacies for township offices by petition received its first and second readings in the Illinois Senate Tuesday and Wednesday and is expected to go to Gov. Kerner for his signature next week.

The bill, introduced as a means of clarifying a legal snarl over filing procedure by candidates for township offices open to election this year, already has cleared the House. It is scheduled for third and final reading in the Senate next Wednesday and will be sent immediately to Gov. Kerner. The governor has said he will sign the measure as soon as it is passed by the General Assembly.

Under present law as interpreted in an opinion given earlier this month by Attorney General William Clark, the names of township candidates can be placed on the ballot only through caucuses held by independent political parties. In prior years, independent candidates filed by petition. Clark held this procedure is illegal.

The Nameoki town board has scheduled Democrat and Republican caucus to be held at 7:30 p.m. on Feb. 7. Town clerks of Chouteau and Venice townships are awaiting the adoption of the new legislation and will accept independent petitions as soon as the emergency measure is signed. The conflict over the law does not affect Granite City or Alton because township boundaries are coterminous to those of a city.

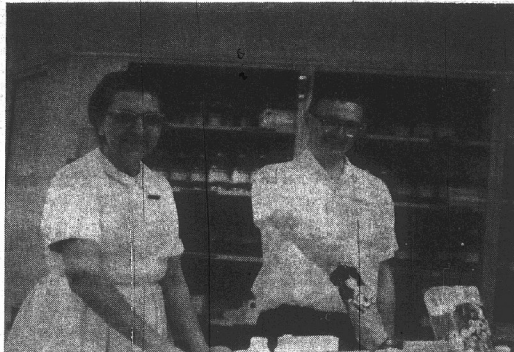

Local Couple attends Funeral at Shawneetown

Mr. and Mrs. S. J. Weir, 2125 Benton street, returned home this week from Shawneetown, Ill., where they attended the funeral of Mrs. Weir's brother, Thomas Bozkiewicz, of that community, Jan. 19. Also attending the services from Granite City were Mr. and Mrs. Albert Heaton and Mr. and Mrs. Howard Edherton.

Mr. Bozkiewicz, who died at home Jan. 16 following a three-month illness, also is survived by his wife, Sara; one son, Charles Thomas Bozkiewicz of Hazelwood, Mo.; and three brothers, Runome Bozkiewicz of Seattle, Wash., and Alex and Philip Bozkiewicz of Glacier, Ill.

Charged with Speeding

Larry D. Prior, Edwardsville, was charged with speeding at 2800 Madison avenue at 9:30 p.m. Tuesday. He was summoned for a hearing by Feb. 3.

NEW COMFORT KITS being shown by Donald Stanton, head of Central Supply department at St. Elizabeth Hospital and Mrs. Johanna Gerald. Stanton is pointing with the plastic puppet which serves as a package for the articles for the pediatric patients, and Mrs. Gerald is pointing to the kit used for the babies.

Patient Comfort Kits At Hospital Enlarged

As an added service for patient comfort, St. Elizabeth Hospital recently acquired patient comfort kits which contain many more items than the kits previously used, Sister Mary Thomas, administrator, announced today.

Even with the additional items, a modification of the pediatric kit is used. The new kits take the place of the \$125 cost to the adult patient remains the same. These new kits contain all of the personal packs which were prepared in the Central Supply department, such as: Leryo W. Isham, 2606 Denver street; and George R. Hicks, 1508 Pontoon road. The Ryan woman paid a fine of \$10 plus \$5 costs.

Improper Passing Charge Five Drivers Nabbed On Signal Violations

William G. Lohmann, 205 Greenway drive, Mitchell, was arrested at 2300 Madison avenue at 5:30 p.m. Tuesday on a charge of improper passing and lane usage. He was summoned for a hearing by Feb. 3.

Five drivers were arrested Tuesday on traffic signal violation charges, and four were summoned for hearings by Feb. 3.

Stopped at 23rd street and Madison avenue were Randy L. Sutton, 2027 Sken street, Madison; Emma M. Ryan, Mt. Vernon; Ticked at Pontoon and Nameoki road were Harold Maynard Jr., 2408 Illinois avenue; Leroy W. Isham, 2606 Denver street; and George R. Hicks, 1508 Pontoon road. The Ryan woman paid a fine of \$10 plus \$5 costs.

Granite City PRESS-RECORD
Thurs., Jan. 26, 1967 Page 3

County Detention Home Plans being Revised

Revision of construction plans for the county's juvenile detention home are under way, it was reported by Granite City Assistant Supervisor William Webb Jr. after a meeting of the county board meeting Monday at Edwardsville.

Chairman Webb said the project architect, Samuel Sanner of Alton, met with the committee; local lawyer William Beatty, who is bond attorney, and County Juvenile Officer James Reidelberger.

The revised plans, which will include all-around maximum security, are to be ready in two weeks, and the committee then will decide on a bid call. The revisions are to reduce the number of interview rooms and remove the probation office from the building. Constructing and equipping the building, designed for about 30 youngsters but capable of handling more, is estimated at \$500,000. It will be located on the grounds of the county's tuberculosis sanatorium at Edwardsville.

GC Woman Beaten; Refuses to Prosecute

Nancy Feldman, 2015 Washington avenue, reported being beaten Tuesday evening but at first refused to identify her assailant or give the location of the attack.

According to the report, she entered the Taco House restaurant, 1339 Twentieth street, bleeding from the mouth. Police said it will be up to her to sign a complaint if there is to be any prosecution.

County NFO Group Elects New Officers

Officers for 1967 were elected at a meeting of the Madison County National Farmers Organization held at Hotel Monday night, it was announced by Erwin Weiss, publicity officer.

Elected were Wilbur Weiss of Pocahontas, president; Delbert Klenke of New Douglas, vice president; Ben Drost of Godfrey, secretary and Robert Rinkel of Edwardsville, treasurer.

Meal board members for 1967 are Hilbert Klenke of Edwardsville, Henry Schellberg and Anthony Dubernick both of New Douglas; Fred Schellberg of Alhambra and Herbert Weiss of Pocahontas.

During the meeting, 75 members discussed government predictions of a record crop year and the increase in meat imported into the U. S. Weiss, who is also president of the 24th district of the NFO, said members condemned the government for predicting a bumper crop year before crops had been planted. Members also condemned the government for importing meat from countries which receive U. S. foreign aid to fight hunger and poverty.

Boy Scout Troop 18 Reorganized at K.C.'s

Sacred Heart Boy Scout Troop 18 was reorganized under the auspices of Tri-City Knights of Columbus Council 108 and the Holy Name Society of Sacred Heart Church at a meeting Tuesday night at the K. of C. hall.

Troop meetings will be held at 7:30 p.m. on the second and fourth Tuesday of each month at the K. of C. hall.

Leroy Lashman was named institutional representative. Members of the troop committee are Kenneth Wood, chairman, Ray Fore, finances; R. M. Hogan, treasurer; and William Tegel, secretary and advancement committee.

A scoutmaster is yet to be named. Assistant scoutmasters are John Mosley, David Costello and Robert Wall. Kenneth Marti is a senior patrol leader.

Patrol leaders are Ferd Pieper and Henry Mills, and assistant patrol leaders are Walter L. Bruch and Pete Murgie. Others are to be named, including officers of the Mothers Auxiliary.

VENICE SERVICES FOR Mrs. Bessie Garrett

Funeral services were held yesterday at the Bethel AME Church, Venice, for Mrs. Bessie Garrett, 52, widow of Milton Garrett, former owner of the Venice Tavern in St. Louis.

Mrs. Garrett died Sunday at St. Elizabeth Hospital, following an illness of several years. She had been a patient five days. She resided at 820 Jackson avenue, East St. Louis.

19TH AND STATE GRANITE CITY, ILL.

DUSTING AND LIGHT MOVING was all the cleaning needed as residents moved into their Anchorage home apartments this week. Here Mrs. Janet Fuhrman and her children, Danny and Sherri, help ready the ample kitchen for grandmother, Harriet H. Fuhrman.

Senior Citizens Moving Into New Anchorage Units

Residents are moving this week into 56 apartments in the new 100 units at The Anchorage, administered by the Granite City Housing Authority. The other 44 will be assigned after the units are turned over to the housing authority by the contractor.

Comments overheard while residents were moving included "oohs and aahs" over the ample room and kitchens which are furnished with stoves and refrigerators.

A grandchild of one tenant exclaimed that grandmother's home was "nicer" than his own, and he was willing to move in with her immediately.

The popularity of The Anchorage, the housing authority project for the elderly, has increased faster than normal expansion will allow with 350 individuals currently applying for units. No new applications are needed since there will still be a backlog of about 200 when all 100 of the second group have been occupied.

According to David Morgan, executive director, residents are moving into apartments in the 2300 and 2400 block of Winters drive this week with the other 44 apartments located in the 2300 block of Anchorage and the 2200 block of East 24th street.

Winters drive is named after the late Walter Winters, GCHS commission vice-chairman, whose suggestion led to naming the elderly housing The Anchorage, signifying a safe harbor or haven following an active life. The 200 apartments for senior citizens were built at a cost exceeding \$2 million.

Union Beating Case Going to Grand Jury

Evidence in the beating of a Wood River carpenter is to be presented to the grand jury this week. The case involves a dispute over a union membership fee.

Conviction of the four inmates tried in Springfield for murder of the four prison guards, verdicts recommending death for three of them, has affected the decision of the guards to oppose abolition of capital punishment.

Want "Automatic" Penalty In fact, Rednour added, they want an amendment to the existing law providing an "automatic" death penalty for accused killers of police and prison guards.

Ross V. Randolph, director of the Illinois Department of Public Safety and formerly a warden at Joliet prison, said he is opposed to the bill unless it provides execution of persons charged with slaying of police or prison guards.

Randolph testified before a legislative committee while he was warden in favor of a bill outlawing capital punishment. That bill was defeated.

In the case of the three defendants accused of killing the prison guards at Menard, the death penalty "should definitely be carried out," Randolph said.

Mothers' March Organized For W. Madison, N. Venice

Mrs. Louise Jimerson, chairman of the 1967 March of Dimes campaign for West Madison-North Venice, today announced the appointment of Mrs. Christine Hayes as drive co-chairman, with specific responsibilities for activities in the West Madison area.

Mrs. Hayes is president of the Madison Women's Progressive Club and a member of the West Madison Women's Achievement Club. She has assisted in previous March of Dimes and other fund raising campaigns.

Additional plans for the current drive also were announced today by Mrs. Jimerson, who said that volunteer workers in the two-community area will sponsor a "sock hop" at the West Madison Memorial Center from 7:30 to 11 p.m. tomorrow.

Among those assisting in the West Madison - North Venice campaign are Mrs. Olena Woolfolk, Mrs. Sallie Mosley, Mrs. Janie Kemp, Mrs. Ocedia Windfield, Mrs. Beulah Williams, Mrs. Minnie Burt, Mrs. Sarah Byrd, Mrs. Shirley Jimerson, Mrs. Rose Marie Wacey, Mrs. Ann Coleman, Mrs. Rosie Hill, Mrs. Mabel Dandridge, Mrs. Jo-Ann Fletcher.

Music will be furnished by a local band.

Volunteers also will visit homes during the "Mothers' March," which will start at 7 p.m. next Monday. Persons residing in the West Madison-North Venice areas together with other Quad

SOCIETY

MARRIED RECENTLY. Mr. and Mrs. Bryan Waggoner III, who were married at Graceland General Baptist Church. The bride is the former Gloria Jean Reese, a daughter of Mr. and Mrs. James M. Reese, 2836 Dogwood drive.

HT Chapter PEO Plans Party

Chapter HT of the P.E.O. Sisterhood met Monday afternoon with Mrs. Marion Wilson, 1306 Twenty-seventh street.

After luncheon served to 17 members, Mrs. Harold Fischer, president, called the meeting to order for a business session and program.

Contributions were made to Cotter College, the International Peace Scholarship Fund and the Educational Fund. Plans also were made for the annual B.L.L.'s party to be held this year on Feb. 10 at the Missouri Athletic Club in St. Louis. Mrs. A. C. Stoeber will serve as general chairman of the event.

The program for the day, presented by Mrs. Richard Kerch on the subject, "A Time To Embrace Our Sisters From Afar," was on the International Peace Scholarship Fund. It was noted that over \$6000 was spent in Illinois the past year for graduate study under the International Peace Scholarship program.

The next meeting of the Chapter will be Feb. 13 in the home of Mrs. A. F. Buente.

Welcome Wagon Installs Officers

Officers for 1967 were installed Monday evening at a meeting of the Welcome Wagon held at Hope Lutheran Church.

The staff will include Mrs. Harriet Lovins, president; Mrs. Wanda Dale, secretary; and Mrs. Marilyn Price, treasurer. Mrs. Nina Bigley, the retiring hostess, installed the officers. Mrs. Myrtle Hackney is the retiring president.

Guests attending the meeting were Mrs. Alice Liebrand, who was winner of a special prize, Mrs. Helen Shively, Mrs. Golda Thornburg, Mrs. Marge Nixon, Mrs. Barbara Duffin, Mrs. Shirley Meyer, Mrs. Nancy Sonnenburg, Mrs. Mary Schmidt, Mrs. Karen Mueller, Mrs. Irene Stopkotte and Mrs. Julia Ebel.

Mrs. Dixie Griffin was hostess. Corsages were presented to all of the new welcome outgoing officers. The next meeting will be held Feb. 27 and all newcomers to the city are invited to attend.

Select Name for Son

James Willis is the name selected by Mr. and Mrs. James R. Bailey, 2806 Denver street, for their son born Jan. 20 at St. Elizabeth Hospital.

RHODES ARE HONORED AT WEDDING ANNIVERSARY

Mr. and Mrs. Hiram Rhodes, 2216 State street, celebrated their 47th wedding anniversary at a dinner party given by friends Tuesday evening at The Harvest House in St. Louis.

Also attending were Rev. and Mrs. John Amsbury, Mr. and Mrs. Ray Potillo, Mr. and Mrs. J. C. Sparks and Mrs. Mamie Waggoner.

MISS SANDRA LOUISE RISNER, a daughter of Mr. and Mrs. Thomas E. Risner, 2221 Alexander street, whose engagement to Carl Edward Gibbs Jr., 3734 South Spring street, St. Louis, is announced. The prospective bridegroom is a son of Mr. and Mrs. C. A. Gibbs sr. of St. Louis.

MISS SANDRA LOUISE RISNER, a daughter of Mr. and Mrs. Thomas E. Risner, 2221 Alexander street, whose engagement to Carl Edward Gibbs Jr., 3734 South Spring street, St. Louis, is announced. The prospective bridegroom is a son of Mr. and Mrs. C. A. Gibbs sr. of St. Louis.

BETROTHED. Miss Brenda Diane Cavins, who will be married to Sidney Lane Womack, a son of Mr. and Mrs. Sidney R. Womack, 2043 Washington avenue. The engagement is announced by the bride-elect's parents, Mr. and Mrs. Onis Cavins, 2300 East 24th street.

Wedding Date Will be Feb. 17

The wedding of Miss Brenda Cavins, a daughter of Mr. and Mrs. Onis Cavins, 2300 East 24th street, and Sidney L. Womack, son of Mr. and Mrs. Sidney R. Womack, 2043 Washington avenue, will be solemnized Feb. 17. Mr. and Mrs. Cavins have just announced the engagement and forthcoming marriage of their daughter.

The ceremony will take place at the First Church of the Nazarene with the Rev. Lurion George officiating, assisted by Rev. George Reader.

Both young people are graduates of Granite City schools, and the bride is employed as an IBM operator in St. Louis. Mr. Womack is presently attending Southern Illinois University-Southwestern campus.

Golden Age Club Adds Members

Kirkpatrick Homes Golden Age Club met Tuesday at the recreation hall with 87 members and two guests present for the noon luncheon.

One of the guests was Mrs. Ida Reinhardt, who celebrated her 91st birthday. The other was Mrs. Neoma Ronney, who gave the invocation.

Several new members were welcomed at the meeting, including Mr. and Mrs. Paul Klaus, Mr. and Mrs. Elzie Breckenridge, Mrs. Inez Loftus and Mr. and Mrs. Ross Parsons. Mr. and Mrs. Parsons recently celebrated their 50th wedding anniversary. A business meeting will be held Feb. 14 at 1:30 p.m., and members are urged to attend.

Past Chiefs Group Meets

The Past Chiefs' Association of Pythian Sisters met Tuesday at the Grand Cafe.

Mrs. Olivia Lehman, president, hostess for the day, conducted the business meeting following a 12:30 luncheon.

A portable record player and a coffee urn was presented by the group to Cascade Temple 216, and Mrs. Julia Dudley, a guest, was enrolled as a member.

The remainder of the time was spent at games, and prizes were awarded to Mrs. Christine Barron, Mrs. Ella McKittick, Mrs. Nettie Conary and Mrs. Leola Arbogast. Others attending were Mrs. Martha Montague, Mrs. Linda Schlingman and Mrs. Nell Hutchison.

The next meeting will be Feb. 20 with Mrs. Montague, 209 Staunton avenue, Troy.

Auxiliary Hears Campaign Details

St. Elizabeth Hospital Auxiliary met in the hospital library Monday evening with Mrs. Helen Bergfield, the new president, in charge. The meeting was opened with a moment of silent prayer.

Treasurer and other committee reports were presented. Mrs. Bergfield announced that space is to be provided for the auxiliary in the Tri-Cor Medical Building and committee chairmen were appointed for 1967-68.

Sister Mary Thomas, hospital administrator, spoke briefly on the hospital fund-raising campaign for its new addition. She reported that training for practical nurses is again being offered this year and thanked all of the members for their assistance during the past year.

The speaker, Mrs. Irene Ronney, supervising nurse in the obstetrics department, explained and demonstrated an infant audiometer which the auxiliary had donated to the hospital.

Attending the meeting were 43 members, a new member, Mrs. Hilda Lombardi, and two guests, Mrs. Priss Veach and Mrs. Marlene Voss. Prizes were won by Mrs. Anita Brown, Mrs. Rosina Mangiaracino and Mrs. Joan Stanton. Doughnuts and coffee were served in the coffee shop.

CLASS REUNION IS PLANNED

Plans are being made by the January 1957 class of the Granite City high school for a reunion to be held Feb. 4 at the Lewis & Clark Restaurant. Mrs. Norma Kinder, chairman of arrangements announced today.

MISS CAROL ANN HOUSDAN, fiancée of Joseph Mangiaracino, a son of Mr. and Mrs. Anthony Mangiaracino, 1310 Robin street, Venice. The parents of the bride-elect, Mr. and Mrs. Clay Housdan, 1116 Greenwood street, Madison, announced the engagement of the couple.

Engagement Is Announced

Another engagement of the week just announced is that of Miss Carol Ann Housdan, a daughter of Mr. and Mrs. Clay Housdan, 1116 Greenwood street, Madison, to Joseph Mangiaracino, son of Mr. and Mrs. Anthony Mangiaracino, 1310 Robin street, Venice.

The bride graduated from Madison high school and is employed in St. Louis. The prospective bridegroom, a Venice high school graduate, was employed by the Southwestern Bell Telephone Co., before entering the Army. Wedding plans have not been made.

Those who have not been contacted may call Mrs. Kinder at WE 1-6893.

Sorority Hears New Food Trends

Xi Zeta Psi Chapter of Beta Sigma Phi met Tuesday evening in the Illinois Power Co. offices as guests of Mrs. Jo Meyer, home economist for the company, who lectured and demonstrated the use of new electrical equipment and utensils. Mrs. Meyer spoke on the new trends in food and prepared several dishes which were served to the group.

Guests were the following members of Nu Zeta Chapter: Mrs. Barbara Johnston, Miss Marilyn Lumpkins, Mrs. Mary Lou Gorbie, Mrs. Judith Sheeks, and Miss Sharon Rouland, a junior at Granite City high school.

GC Grapplers Beat Missouri Champs 33-14, Oppose Illinois Champs Next

Undeterred by momentary light failures and a "shaky" gymnasium, the GCIS wrestling warriors won their 34th consecutive dual meet by topping Missouri state champion Riverview Gardens 33-14 on Riverview's mat Tuesday night.

Granite City's dual meet record is marked by one tie, with Normandy earlier this season. Riverview Gardens high school is located about five miles from the Chain of Rocks Bridge in North St. Louis and was within the area ravaged by a tornado between 7 and 8 p.m. Tuesday.

William Schmitt, warrior mat coach, said he did not realize a tornado had hit the area until the team was on its way home. "When we saw that the Ramada Inn (a motel) off Interstate Route 270 was minus a roof and noticed numerous police cars, we knew a severe storm must have passed through the area."

Warriors Score Five Pins

The Warriors recorded five pins and two decisions, with Tim Wallace (180) wrestling off his opponent to a 3-3 draw. Four Warriors lost on points.

Warriors who won on pins were Bill Fuchs (103) at 2:30; Jan Gitcho (112) at 3:07; Bruce Illes (145) at 5:13; Ray Hankins (154) at 1:43 and Heavyweight Mike Middleton, recording his best time this season, 26 seconds.

Bob Miller (95) won 10-2 and Jerry Lapinski (135) won 6-2. Gus Schalkham (120), Bill Gibson (127), Drew Shands (133) and Paul Hoffman (185) lost on points.

Hoffman's opponent, who beat him 5-0, was Bruce McGuire, a defending Missouri state champion. Hoffman had traded weight classes with Hankins for this meet.

Tenth and Madison, Madison, Ill.

4th Period Rally Keeps Trojans Unbeaten; Defeat Triad 72-64

The Madison Trojans seemed close to losing their first game this season until the last three minutes of play Tuesday.

With Madison ahead 61-60, Neal Podoba stole the ball from a Triad player and ran full court for a layup to set the pattern for a fast-paced Trojan rally that netted a 72-64 victory.

The win on the Triad court was Madison's 16th of the year. One of the few unbeaten teams in the state, the Trojans this week finally moved into the "top 10" state rankings.

The flu-ridden Madison team, which beat Triad in their first

meeting this season 93-71 and then won 91-65 in a holiday tournament game, opened by missing passes and incurring traveling penalties. They led 19-17 after the first quarter but trailed 37-36 at the half.

The Trojans stepped up their defensive press, forcing Triad to turn the ball over to them on 10 occasions. But the host team continued to guard effectively against shots close to the basket, and it was 50-50 going into the final period.

Gary Lusk started a brief rally, advancing the Trojan score, only to have Triad coun-

ter and match his points. Podoba then made the first of three steals in the final minutes of the game to give the Trojans a needed shot in the arm. Triad managed to score only four points during Madison's closing 11-point spurt.

Earl McClanahan, Trojan case coach, commended Podoba for "his defensive game of the season" and credited him with 19 steals in board and floor play. The Trojans banked 25 of 34 attempts for 45% vs. Triad's 25 of 61 and 41%.

Other notable statistics included Madison's sinking 22 of 34 charity shots compared to Triad's 14 out of 15.

30 Points by Lusk

Lusk led in scoring with 30 points, 19 of them in the second half. Podoba had 21 points, Ron Burt nine points, his lowest game total this season. Joe Collins seven, Steve Geroff three and Albert Boyd, two.

The Trojans, first in the Midwestern Conference will play a non-conference game with Jerseyville, 12-3 overall, at 8 p.m. Friday night at the Madison court, hoping that all Madison players are fully recovered.

On Monday, Burt had to leave school after becoming ill from a virus. He returned to school Tuesday in order to play in the Triad game, an IHSA rule requires that players be in school on the same day they play in an athletic event.

Lusk also is recovering from a virus bout that caused him to miss some school last week.

Inter-City Baseball Loop to Meet Sunday

A reorganization meeting for team players, coaches and managers interested in the Southwestern Illinois Inter-City Baseball League will be held Sunday at 2 p.m. in the East Alton community center, Third and Haller streets, it was announced today by John Lucas, league secretary.

Mercer Mortuary sponsored a team which finished first in the league last season.

Most Illinois Deer Killed by Age Four

Over 90% of deer bagged are less than 4½-years old, according to a study conducted by the Illinois Department of Conservation, Jack Calhoun, study coordinator, notes that a deer has about one chance in 50 of living to eight years of age.

During the 1966 season, one Illinois hunter bagged a doe that had been tagged 14 years ago and his other deer trapped at the Horseshoe Lake refuge near Cairo were 13 years old. One of the deer, a buck, had "seven league" hooves.

Two Found Guilty on Drug Raids Charges

James Leroy English, 20, of 2137 West Avenue, and Harold Ballentine Jr., 24, of 308 Washington Avenue, Madison, were found guilty of drug racing by a jury which reported Tuesday night following a trial held by Magistrate Mateosian in Edwardsville.

Sentencing of the two was continued until Feb. 23. They were arrested on the charges on Nov. 17 by Granite City police.

English recently was found guilty by a circuit court trial jury on an aggravated battery charge and was given 30 days in which to file motions prior to sentencing.

Students Retain Name of SIU-SW Newspaper

The name of the student newspaper at the Southern Illinois University-Southwestern campus, the Herald, will remain unchanged as a result of a vote conducted Monday.

It was favored by a vote of 280 to 175 over a proposed change to the name of Spectator in the runoff election. The new name was supported by the newspaper staff. About 7800 students were eligible to vote.

Aleotis is a combination of the first letters of the residence centers of Alton, East St. Louis and Edwardsville.

MORE ABOUT

GC Aldermen

and pointed out he had brought in his amendment because of the discourtesy shown him last week by the mayor and council when he was ruled out of order as he called for a second deferral action. He had instituted deferral action on the ordinance at the Jan. 3 meeting.

"I'm not going to get pushed around, especially when I know the action is illegal. We are only entitled to seven wards."

Dallas Points to Campaign
Moerlein's companion First Ward Alderman Dallas commented he could see the reason for the opposition with eight aldermen having only three months to campaign and having to go into new areas.

He pointed out he had been opposing the redistricting because of that and because of the "arm-twisting and promises." He called upon all members to base their votes on what would be the best for the entire city and not just the wards.

Dallas declined to vote when Moerlein's amendment went to roll call. Fry protested that it was not an amendment but an effort to change the entire ordinance.

The amendment was upheld only by five aldermen—Whitmer, Bartoski, Moerlein, Robertson and Green. Opposing were Nunn, Rutledge, Barsch, Johnson, Boyd, Sternberg, Thompson, Fry and Poulos. Alderman Parmley was absent. He advised the council by letter that he was working the 3 to 11 p.m. shift at Granite City Steel Co.

Second Ward Alderman Whitmer offered the second amendment to change a boundary between the First and Second Wards so that homes along Washington, Lee and Monroe streets north to 23rd street would be in the 2nd Ward. It was voted down 4-to-1, with Whitmer supported by Bartoski, Moerlein and Robertson.

In presenting his amendment, Whitmer repeated that he did not object to the Second Ward being expanded east to Namekoi road, but that he objected to losing a large part of the present ward to the First Ward.

Intent of Redistricting
Rutledge pointed out the amendment could kill redistricting in time for the April 3 election, and Johnson noted that it would break away from the intent of the new map to have ward boundaries conform with council precincts to end voting confusion on city-township election days.

Dallas commented, "Satan, you've got nothing to worry about. You've got a good record. You'll get back in."

After the vote, Whitmer remarked, "I was going to read to the council until 11 o'clock (curfew time for city meetings), but instead I'm going to say that one day your chickens are going to come back to roost."

Bartoski warned the council—"anyone voting for this thinking they're safe is wrong. This is illegal. A vote for this is voting against state law."

Last Word by Moerlein
The last word before the approving vote was by Moerlein. "Ward populations are not equal, and this is in violation of state law."

Voting for the redistricting were Aldermen Nunn, Rutledge, Barsch, Johnson, Boyd, Sternberg, Thompson, Fry, Robertson and Poulos. Opposed were Whitmer, Bartoski, Moerlein and Green.

The city had been threatened with citizen action if the redistricting had not been carried by the council to equalize ward population as closely as possible to eliminate the present spread of 3000 to 12,000.

Under the new wards, the figures are an estimated 4009 persons in the smallest, Fifth Ward to 6867 in the Sixth. Other SWIMAP estimated populations are 5185 in the First, 3883 in the Second, 4719 in the Third, 6002 in the Fourth, 6015 in the Seventh and 5194 in the Eighth.

Stall Tactics Accusation
Earlier in the meeting, Barsch accused Bartoski of trying to stall the redistricting vote as Bartoski went through the weekly bill list protesting numerous bills and calling for separation of payment of such items as telephone bills.

"Why, my own phone bill at home is often \$12 or more," Barsch said as Bartoski objected to a \$9 bill for a WELLINGTON line. It was explained the phone serves the emergency radio headquarters at Chicago Avenue for the city's civil defense organization.

Bartoski also objected to a \$21 phone bill for the CD headquarters on 19th street, \$72 for the R. Dorn Electrical Co. to decorate the city hall Christmas tree and the \$20 phone bill for the street department and the \$38 bill for the telephone alarm system for sanitary sewer lift stations.

Other Objections
Among other separations he requested were \$330 in telephone and painting supplies purchased for city hall offices, \$286 for pump packing for the sewage treatment plant, \$100 in telephone raised to a \$10 phone bill for former police chief, Willard, \$285 for cable for sewer cleaning machines and \$1200 for research planning & design engineering.

Pontoon Beach & Stallings

MRS. MABEL KENNEDY
3833 Lake Street
W-14122

Eale Kennedy returned home Sunday from a 12-day hospital stay after being a patient three weeks and undergoing treatment.

Mr. and Mrs. Charles Kennedy and children, Charles and Edward, and Tami Moser spent Sunday visiting her brother and sister-in-law, Mr. and Mrs. Albert Strackelbach and children, Linda, Paul and Ruth, of Edwardsville.

KENTUCKY VISIT
Joe Kennedy spent the weekend at Murray, Ky., visiting his parents, Mr. and Mrs. C. C. Kennedy, and his 21-year-old brother-in-law, Mr. and Mrs. Richard Scarborough.

FAREWELL PARTY
FOR GARY JENNEMAN entertained with a going-away party Sunday for her son, Gary Jenneman, who will leave for the University of Kentucky.

Refreshments were served to Miss Sharon Kay Hughes, Mr. and Mrs. Leonard Shelson, Mr. and Mrs. Jerry Garrison, sons, Dennis and Ronald, Mr. and Mrs. Paul Garner, Mr. and Mrs. Alvin Jenneman and family, Mr. and Mrs. Otto Jenneman, Mr. and Mrs. Robert Jenneman and family, Mr. and Mrs. James Hodges and Miss Catherine Trippa.

The honoree received many gifts.

Bruce Wilson celebrated his tenth birthday this week with a party given by his parents, Mr. and Mrs. Roy Wilson.

The basement was decorated with red, white and blue streamers and balloons. Games were played and prizes were awarded.

Refreshments were served to Sandra and Phillip Baker, Vickie and David Hutchins, Mary Barbara, Karen and Tommy Lee, Debbie Dickerson, Dickie and Dale Thompson, Ricky and Chuck Taylor, Mark Rodgers, Keith Wilson, Mr. and Mrs. Allen McMaster, Mrs. Louise Baker, Mrs. Charlotte Miller, Mrs. Rudy, and Miss Nancy Thompson.

The honoree received many gifts.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Scoutmaster Leonard Barron, Otto Kreher, Floyd Ashoff, Jack Harper and Earl Arnold.

A board of review was held and plans were made to hike to a campsite Saturday.

Present were Danny Kreher, Rudy and Mark Reiser, Vaughn and Jeff Wainright, Dennis Williams, Gary Tucker, Dennis Clark, John Harper, Steve Bell, Willie Arnold, Eddie Dummitt, Fred Biggs and Gary Tucker.

The Madison County Baptist Association Girls Auxiliary met at the Pontoon Baptist Church Tuesday evening, with 64 in attendance.

Slides were shown by Mrs. Hopkins of a trip to Africa. A social hour followed, and refreshments were served.

Auto Battery Stolen
King of the Hill, 1201 Edwardsville road, reported at 3:20 p.m. Tuesday that a six-volt battery and a distributor were stolen from his 1961 auto.

The car was parked in his garage during the night.

neers for work on the Palmer avenue, East 25th street, Clark avenue and Belmore avenue drainage projects.

He questioned payment of \$644 to Leo Wolff, city heating inspector, for inspection. Mayor Partney pointed out the bill listed the payment was 50% of inspection fees during a seven-month period. Bartoski asked for detailed explanations before the separated bills are paid.

"We'll be in a fix without phones," the mayor remarked. The first bill separation was requested by Alderman Johnson for payment of \$183 to Flaxbaugh Refrigeration Service for replacing a compressor in the main station refrigerator. "It is up to the chief about this," Johnson said.

Burned-Out Mitchell Family Needs Furnishings, Clothing

An appeal for household items and clothing to aid a rural Granite City family in the blue home was virtually destroyed by fire, was made this week by Mrs. Buster C. Goodwin, 2316 State street, and other friends of the family.

Damage was estimated between \$500 and \$1000 in the blue home of Mr. and Mrs. Milton Townsend and six children. The house is located on Thompson drive, west of Mitchell. The youngsters are, Karen Sue, 15, Thomas Alan, 12, Terry Lee, 11, Patricia Marie, eight, Larry Lynn, four and Joanna, 16 months old.

A more serious tragedy was averted by Thomas Alan and Terry Lee, who were smoking from the side of the five-room house as they were leaving to catch the Mitchell school bus.

"Tommy awakened us," Mrs. Townsend said, "while Terry Lee got his younger brother and sister out of bed with their blankets and into the living room. Both boys have been active in Boy and Cub scouting and have received first aid and fire-fighting training. I'm sure that is why they reacted to the situation without panic," the mother commented.

She added that her husband suffered minor burns on the face and body when he had the fire. "Otherwise it was a miracle we all escaped without injury," Mrs. Townsend said. She also praised the volunteer fire department who were summoned by a neighbor, Lawrence Markle, for help.

Mrs. Townsend had been released from Jewish Hospital, St. Louis, earlier last week after a serious operation for cancer and still is convalescing. She had remained in bed Friday. The younger children had themselves for school by Karen Sue. The father, a shift worker at Granite City Steel Co., had worked late, and also had remained in bed that morning.

Started in Closet
The blaze started in a large clothes closet between two bedrooms. It is believed that several items of clothing were stored in the closet near a flue pipe, may have exploded to start the fire.

Persons wishing to donate household items or clothing for the children may leave it at the Goodwin home on State street, or call Mrs. Goodwin at TR 6-406.

7 Bus Zones Relocated, 9 Others Eliminated

Elimination of nine bus stops of the Bi-State Transit Co. and relocation of seven others were approved Monday night by Granite City council members with adoption of an ordinance.

A copy is to be sent to the transit authority so that the zones might be relocated or removed.

The zones being eliminated are on the east side of Bryan avenue north of West 21st street. On the east side of Benton north of West 23rd street.

On the west side of Delmar south of 23rd street. On the south side of Ferguson avenue west of Washburn avenue. On the west side of Prairie south of Spring avenue.

On the north side of 26th street east of Delmar avenue. On the east side of Madison avenue north of 15th street.

On the north side of 19th street west of State street. On the north side of 20th street west of State street.

The zones to be relocated are: From the east side of Benton north of 21st to south of 21st. From the east side of Delmar north of 22nd to south of 22nd.

From the east side of Washington avenue south of 23rd to the north side of 23rd. From the south side of Edwards street west of Bromley avenue to east of Bromley.

From the north side of Edwards street west of Kate street to east of Kate. From the north side of Pontoon road west of Vine bid, to east of Vine.

Clerk-Carrier Jobs
Open at GC Post Office
Clerk-carrier positions are open at the Granite City post office and have a starting salary of \$2.64 an hour. Postmaster Theodore Overbeck said today.

Applications for the civil service test for the jobs may be obtained at the post office, 24th street and Madison avenue.

Victims of St. Louis
Robbery Former Residents
Victims of an armed robbery at a St. Louis grocery store on Monday are former operators of a grocery store in Granite City.

They are Mr. and Mrs. Arthur W. Sieveking, who ran the Sieveking market here until 1937 when he sold the business to his brother-in-law. They moved to St. Louis in 1927. His father was the former gardener at Wilson Park.

\$400,000 Sought

acres, and there is a possible park corridor of 216 acres. The lake was described as "sadly neglected," with silt clogging it to become more shallow and even drier. It was charged that the "waters have been polluted by its industrial and adjoining neighbors who seemingly are unaware of the area potentials."

The commission related that the lake is "one of the larger bodies of water in downstate Illinois."

World Serve Big Population
The area is in what has been described by the state as Region Seven, Madison, St. Clair and Monroe counties; this area will have a projected population of 627,000 in the year 1970, with urbanites constituting 80% and rural areas containing 20% of the resident totals.

"On the Missouri side of the Mississippi River there are one and one-half million people. Horseshoe Lake is only ten minutes from the St. Louis Saarman area."

"Great interest is shown by the public in general for the development of the lake area as a recreational area. Since the lake bottom is owned by adjacent land owners, only the owner or their families or friends may legally take advantage of its existence."

A large number of owners of the lake bottom are conservation minded, but no one owner or group of motivated owners can develop the physical potentials of the lake due to the indifference of other neighbors who do not appreciate it.

Bi-State Development
Agency will request the Illinois State Highway Department to re-consider its present plans for relocation of interstate Route 255 which would slice through the eastern end of Bi-State formed by Col. Smyser that supplemental construction work on the Bi-State train system in the north leg of the Gateway Arch has been completed and that test-director, told the Bi-State board of commissioners in meeting last week by De- yesterday afternoon, that the trot Testing Laboratories. Train- present 7000-foot runway would ing of Bi-State personnel in op-

be cut back approximately 500 feet if the Interstate Route 255 location remains as now planned. He said he learned recently that the state highway department has begun preparation of plans.

Members of the board indicated strong opposition to the proposed location of the highway and authorized Col. Smyser to voice his objections in a request for revised planning on the highway relocation of interstate Route 255 which would slice through the eastern end of Bi-State formed by Col. Smyser that supplemental construction work on the Bi-State train system in the north leg of the Gateway Arch has been completed and that test-director, told the Bi-State board of commissioners in meeting last week by De- yesterday afternoon, that the trot Testing Laboratories. Train- present 7000-foot runway would ing of Bi-State personnel in op-

By dredging Horseshoe Lake and using the landfill to build a Mossyrock Island, occasional river overflow of the latter could be ended, creating an additional recreation and outdoor education area, the 1965 commission said.

Parks Distant at Present
Within the lake park, it was asserted, residents of this area are "forced to travel great distances to find wholesome recreational areas of the type that could be provided by a Horseshoe Lake state park."

Conservation matters listed in Tuesday's report included State Senators James H. Donnewald, John G. Gilbert and Gordon E. Kent. State Representatives Edward J. Harris, Ralph T. Smith, Lloyd J. Kennedy, Dr. Edwin J. Kuehn, Dr. J. Edgar Lehman, Daniel O'Neill, Leo B. Obernuefmann and Dan Cosgrove, and Dr. James E. Lee, Leonard J. Schwartz, Herbert H. Esterlein, Carl H. Bode Jr., Herbert E. Baum, William Boyne, Aaron Patenberg, Ralph D. Walker and Norman Wright.

Thurs., Jan. 26, 1967 Page 7

eration of the system will start about the middle of February. The report on operation of the Bi-State Transit System during December resulted in revenues of \$2,985,141, which was \$23,859 below anticipated income for the budget. The reduction in revenue, however, was partially offset by a cut in operating expenses. December operating cost totaled \$1,729,901, compared to a budgeted figure of \$1,738,000.

CP Police to Sponsor Training Program

The Granite City Auxiliary Police department will sponsor a new two-part training program, entitled "Law and Order Training for Civil Defense Emergencies," it was announced today by Auxiliary Police Capt. Harold Mayfield. New textbooks and other materials are being provided by the Federal Office of Civil Defense.

Registration for the initial ten-week series will be held at 7:30 p.m. Tuesday in civil defense headquarters, 1411 Nineteenth street, with the two-hour classes to start at 7:30 p.m. the following Tuesday, Feb. 7, Capt. Mayfield said. The second instruction program will be 14 weekly classes next fall.

Mayfield said the course is entirely new to area auxiliary police units and letters have been sent to all such groups in Madison County, inviting participation. Quad-Cityans also are invited to attend, including men and women who may be prospective recruits. Applications for the Granite City unit are now being accepted.

Instructors will include auxiliary police personnel, with some sessions to be taught by regular police officers. Mayfield is serving as training coordinator for the program.

WOUNDED IN ACTION
by a mine in Vietnam, Marine Pfc Richard Slay, 20, Granite City, is pictured in uniform and at a military hospital where he is shown receiving the Purple Heart medal.

Mine Explosion Wounds Richard Slay in Vietnam

Marine Pfc Richard Slay, 20, son of Mr. and Mrs. John Slay, 2009 Manley avenue, was wounded when a land mine exploded in Vietnam Jan. 15 and is recovering satisfactorily. He informed his family by letter Tuesday.

Pfc Slay suffered wounds of the left hand, right arm and right leg and a lung wound. He is being treated at a Da Nang area military hospital where he has been presented the Purple Heart medal in recognition of his injuries.

Details of the incident were not given but it is believed another Marine stepped on the mine while Pfc Slay was nearby.

Overseas 11 Months
In Vietnam for the past 11 months, he has been serving as a rifleman in the First Platoon of F Company, Second Battalion, First Marine Regiment.

A June 1965 graduate of Granite City high school Pfc Slay began a four-year Marine Corps enlistment in September 1965.

He has been scheduled to complete his duty in Vietnam and return to the U. S. on March 1. Extent of his hospitalization and the nature of his February assignment have not been disclosed, but it is felt he may be able to leave the hospital in another ten days.

VASIL TARPOFF HEADS HOLY TRINITY CHURCH

Vasil Tarpoft was elected president of the Holy Trinity Bulgarian Eastern Orthodox Church at the annual congregational meeting Sunday. He succeeds Christ Popovsky.

Other church officers elected include Leland Ambuehl, vice-president; Helen Christich, treasurer; Carl Riskovsky, recording secretary; and Mrs. Daisy Painter, corresponding secretary. Elected as trustees were John Tarpoft, Tonia Georgoff, George Andreoff, Mrs. Mary Pashoff, Nick Todoroff sr. and Pete Yanoff.

Named to the controlling committee were Mrs. D. L. Kaceloff, Alex Markov, Slavko Evangeloff and Christ Popovsky, advisory group. James Etkinoff, Christ Costoff and James Shipoff; entertainment committee, Mrs. Maxine Costoff, chairman, and Mrs. Venka Ambuehl, Kosta Christich, Paul Freeman, Nick Todoroff jr., Mrs. Dora Evangeloff, William Dimitroff, Ellen Beck, Mrs. Olga Tarpoft, Mrs. Rita Dimitroff and Mike Landoff; and Epitrop, Christ Popovsky, Tonia Georgoff and Slavko Evangeloff.

Re-elected to the memorial fund committee were Mrs. Freeman and Mrs. Dorothy Beck. Among other business discussed was the annual pre-lenten banquet, to be held Sunday, March 5, at the Madison recreation center.

BRIDAL SHOWER

Mrs. Dennis Amaden, the former Miss Pattie Jean Lybarger, daughter of Mr. and Mrs. Jimmy Lybarger of Troy, was honored with a miscellaneous bridal shower Sunday afternoon.

The young couple was married Jan. 14 at the Concordia Trinity Methodist Church in Affton, Mo. The groom is the son of Mr. and Mrs. Ervin Amaden of Troy.

Mrs. Jane Lybarger and Mrs. Shirley Rapoff, aunts of the bride, made arrangements for the shower, held at the Nameoki Presbyterian Church.

Pink and white were used as colors on the tables and in the favors. The main table was centered with a cluster of pink net surrounded with roses. Other tables held smaller arrangements of net.

Pink candles were used in silver candelabras.

Dainty sandwiches and sherbet rainbow cake were served.

The honor guest opened her many gifts, assisted by her sister, Mrs. Karen Freeman, who served as matron of honor and Mrs. Lela Lybarger, mother of the bride.

Games were played, with prizes being awarded.

Those taking part were Mrs. Gussie Hessman, grandmother of the bride, Mrs. Mary Jean Lockley of Columbus, O., an aunt and Mrs. E. S. Veach, Mrs. Bert Evans, Mrs. Ruth Nicholas, Mrs. Clova Mae Howard, Mrs. Janice Rice, Mrs. Charlene Burns, Mrs. Anita Lybarger, Mrs. Judy Donaldson, Mrs. Cathy Lybarger, Mrs. Clova Taylor, Mrs. Roger Bock, Mrs. Velda Taylor, Mrs. Dorothy Lybarger, Mrs. Celine Lybarger, Mrs. Betty Reed, Mrs. Sheila Watson, Mrs. Sharon Gregg and Mrs. Mary Frances Woods, all of the Quad-Cities, and Mrs. Marian Farmer and Mrs. Rose Marie Rogier and daughter, Renee, of Troy.

The newly married couple is residing in Melville, Mo.

REBEKAHS' PLAN VALENTINE PARTY

Delray 788 Rebekahs met Tuesday evening at the Odd Fellows hall in Madison. Mrs. Thelma Stockton, noble grand, presided over a short business meeting.

Plans for a valentine party to be held at the hall Feb. 14 were made. Each member is to bring a valentine for an exchange at the party.

Members responding to roll call were Mrs. Stockton, Mrs. Lucille Veach, Mrs. Elsie Vance, Mrs. Estelle McBrien, Mrs. Verna Willman, Mrs. Grace Hermann, Mrs. Leo Mate Salomon, Mrs. Chloe Maxon, Mrs. Katie Barks, Mrs. Geraldine Stein, Mrs. Ruth

Hannebrink and Miss Margaret Brown.

TWILIGHT CLUB MEETS

Mrs. Beulah Rensing held the January meeting of the Twilight Pinocle club in her home Monday evening. The hostess served a dessert luncheon prior to the game.

Winners were Mrs. Edith Lentavich, high score, Mrs. Lucille Broyles, second, Mrs. Jean Boyer, third, and Mrs. Sondra Bray, fourth.

Other members participating were Mrs. Maria Miller, Mrs. Mary Etta Wambaugh, Mrs. Cel Doroghazi and Mrs. Betty Meyer. Mrs. Meyer will be the February hostess.

HONORED ON BIRTHDAY

Mrs. Gussie Hessman of Granite City was surprised with a birthday party given this week in the home of Mr. and Mrs. Jimmy Lybarger and son, Jimmy jr. in Troy. Mrs. Lybarger is the daughter of Mrs. Hessman.

The home was appropriately decorated for the occasion, cake topped with yellow roses as centerpieces. Gifts were presented to the honored guest.

Those present were Mr. and Mrs. Richard Rogier and daughters, Renne and Rhonda, and son, Dickie, of Twin Lakes, Mrs. Martin Farmer of Troy, Ill., Bud Rose of Edwardsville, Mr. and Mrs. Dennis Amaden, Melville, Mo., Mr. and Mrs. Mary O. Lockley jr. and daughter, Jeanne Marie, of Columbus, O., Mrs. Irene Stallings of Springfield, Ill., and Mrs. Robert Freeman, Highland, and Mr. and Mrs. Charles McCollum, Mrs. Lena Scarborough, Mrs. Laura Belle Benson, Mrs. Erma Veach and son, Charles, Mrs. Mamie Van Arsdale and Mr. and Mrs. Joe Johnson, all of Granite City.

PENNY HIKE

Brownie Troop 73 met Monday afternoon with Mrs. Thelma Stockton as hostess at the Madison recreation center. The girls opened the meeting with the pledge of allegiance to the flag, singing of "America."

The group went on a "penny hike" led by Leslie Ann Skelly. Upon returning to the center, Miss Skelly assisted the girls in singing song songs. A fly-up ceremony was discussed by the leader; it will be held at the end of the school term.

"Thinking Day" was discussed and the meeting was closed with the singing of "America" by Patricia Douglas, Janet Drayce, Marcha Collett, Terri Fanning, Tammi McKee, Glenda Oliver, Becky Dykes, Donna A. Bogliovsky, Jeanne Grimes, Anita Rogers and Tina Tolp.

ANNOUNCE SECOND SON

Mr. and Mrs. Brian Jones of Geneva, N. Y., are announcing the arrival of their second son, for whom they have chosen the name of Joseph Logan, Monday at St. Elizabeth Hospital.

His four-year-old brother is named Brian. Mrs. Jones will be remembered as the former Miss JoAnn Kaleka, daughter of Mr. and Mrs. Joseph Kaleka, 926 Reynolds street, Madison. Mrs. Jones and Brian have been with their parents for the past month and will join Mr. Jones in the near future.

Brownie Troop 110 met Monday with Mrs. Jenel Hefner, assistant leader. The meeting opened with the pledge of allegiance to the flag, singing of "America" and the Brownie promise.

The girls discussed use of various kitchen utensils and played two games. Those taking part were Kathy O'Beir, Beatrice Gort, Deborah Thomason, Linda Shelton, Ann Elise, Joy Foster, Cheryl Gray, Gloria Mulnik, Kathy Neidhardt, Carla Sanden, Gwynne Landrummer, Ellen Voegeli, Mary Lee, Tina Ellis, Alicia Narvaez, Daria Wilson, Deborah Watkins, Robin Hefner, Victoria Vassiloff and Tina Ellis.

Chatter Canasta club members met at the home of Mrs. Mattie Bosworth, 1847 Fifth street, Tuesday evening. Due to the weather, the group talked during the evening rather than playing games.

Mrs. Bosworth served lunch to Mrs. Bernice Gushoff, Mrs. Rae

Miller, Mrs. DeLoyce Rhoads, Mrs. Anne Laura Platt, Mrs. Sally Bosworth and Mrs. Catherine Hauskins, a guest. Mrs. Miller will be hostess to the club in her home, Feb. 26.

Cub Scout Den Two of St. Mary's Pack 47 met with Mrs. George Stenzler Monday afternoon. The boys played in the yard prior to discussing a play they will give at the blue and gold banquet.

Place mats will be prepared for the dinner. A living circle was formed by Donald Karpowicz, Aloys Rensing, Jerry Planitz, Kevin Werner, Victor Barnhart, Ricky Maries, George Stenzler, James Hancock, Mark Ruesing, Danny Hancock and the den chief, Tony Karpowicz.

So True The circumstances that alter cases can never correct the defects in a weak character.

CRADLE SHOWER

Mrs. Margaret Garrison was honored at a cradle shower Tuesday evening by the Women's Missionary Union Council of Suburban Baptist Church.

The gift table was decorated with a stock and Mrs. Garrison received many gifts from ladies of the church. Games were led by Mrs. Jean Fisher, and prizes were won by Mrs. Pauline Dalhaus, Mrs. Lorene Fox and Mrs. Nadine Lloyd.

Refreshments were served in the church dining hall on tables decorated in white with pink and blue streamers. The table centerpieces were composed of flowers.

er baskets with baby accessories on the handles. A decorated cake was presented to the honoree.

The girls worked on their cooking badges and the troop badge. Mrs. Joy Gages, Mrs. Laura Harlow, Mrs. Pauline Dalhaus, Mrs. Doris Cook, Mrs. Hattie Pryor, Mrs. Barbara Thebeau, Mrs. Edna Jackson, Mrs. Marie Banks, Mrs. Lorene Fox, Mrs. Wanda Lyster, Mrs. Mary Charlton, Mrs. Nadine Lloyd, Mrs. Rose Lux, Mrs. Audrey Kitchen, Mrs. Elaine Station, Mrs. Carol Lavelle, Mrs. Judy Fidler, Mrs. Norma DeVault, Mrs. Evelyn Smith, Mrs. Jean Fisher, Mrs. Judy Mullinax, Mrs. Sandra Corrie, Mrs. Hilred Lewis, Mrs. Wanda Bradford, Mrs. Ella Mae Watts, Mrs. Sharon Purley, Mrs. Eula Junk, Mrs. Maxine Hornberger, Mrs. Alta Mae Cockrell, Mrs. Bonnie Halderman, Mrs. Ruth Bunker, Mrs. Joan Terrell and Mrs. Margaret Garrison.

Guests were Mrs. Brenda Tanckley, Mrs. Joan Taff, Laurie and Rhonda Tanksley and Joyce and Brian Mangan.

Refreshments were served by Den Two, Three and Four.

A training session for adult members of Cub Scout Pack 122

was held Sunday afternoon at the home of Floyd Pitchford, 2908 National avenue. Dr. Leo Coleman, Mrs. Marge Vrenick and B. J. Rodgers gave the training.

Den mothers and committee members receiving the instruction were Mrs. Carolyn Holderman, Mrs. Mavis Clark, Mrs. Donna J. Schaenveger, Mrs. Maxine Mouser, Mrs. Shirley Kramer, Mrs. Phyllis Mezo, Joe Montzila, Bill Bellings, Mrs. Mary Ann Schohy and Mrs. Pat Pitchford.

Supper shows were given by Dens Two and Four under the direction of their den mothers, Mrs. Phyllis Mezo and Mrs. Pat Pitchford. Plays were presented by Dens One, Three, Five and Six, led by Mesdames Maxine Mouser, Barbara Smith, Shirley Kramer and Susie Flinn.

Three new scouts introduced were Ed Settlemeir, Rick Knight and John Logan. Wolf badges were presented to Tony Crow, Randy Ezell and Richard Ripley; the latter was awarded a lion badge, and arrow points went to James Hull, Rick Harmon and Ripley.

Refreshments were served by Dens Two, Three and Four.

A training session for adult members of Cub Scout Pack 122

Cub Scout Pack 122 held its January meeting Monday evening at Wilson school. Pinewood derby kits were distributed to the scouts, and announcement was made that the boys will receive wall plaques as awards are earned.

Supper shows were given by Dens Two and Four under the direction of their den mothers, Mrs. Phyllis Mezo and Mrs. Pat Pitchford. Plays were presented by Dens One, Three, Five and Six, led by Mesdames Maxine Mouser, Barbara Smith, Shirley Kramer and Susie Flinn.

Kerner, Hearnes To Meet on Air Pollution Pact

Governors Kerner of Illinois and Hearnes of Missouri agreed to meet in St. Louis to consider a bi-state compact as a step toward solution of air pollution control problems. Date of the meeting has not been set.

Gov. Kerner said Tuesday at Springfield that he and Gov. Hearnes would discuss terms of an interstate compact as a possible means of settling controversies over some pollutant standards as viewed by state air pollution agencies of Illinois and Missouri.

The governor said he telephoned Hearnes and both agreed a meeting would be the best means to develop all information and background necessary for a compact. Later the governor met with Dr. Franklin Yoder, director of the Illinois Department of Public Health, and Clarence Klassen, technical secretary of the Illinois Air Pollution Control Board, to inform them of the meeting.

Also on Tuesday, Gov. Hearnes wrote a letter to St. Louis County supervisor Lawrence K. Roos, chairman of the East-West Gateway Coordinating Council which recently recommended a control ordinance to cover both sides of the river, expressing his hope that the council would reconsider the adoption of an ordinance less stringent than that of the Missouri Air Conservation Commission.

In that letter the Missouri governor indicated he is not in favor of relaxing any of Missouri's air pollution abatement standards to facilitate a quicker pact with Illinois.

Sulfur Limit in Conflict
Hearnes described the ordinance approved by the Gateway Council as "a move away from, rather than toward uniformity of recommendations."

Among principal conflicts between the states is a 2% sulfur content limitation on coal contained in the Missouri State ordinance, while the Gateway Council has recommended a figure of 3.3% "average" which coal producers describe as as much as 3.6% "maximum." Missouri health officials and agents of the Interstate Air Pollution Study maintain is the same coal as that now being burned in the metropolitan area.

The bi-state compact proposed by Gov. Kerner is the same as one between Illinois and Indiana under which each state agrees on practices involving air pollution control.

Madison Bridge Earnings Up in 1965-66 Year

The Chain of Rocks Bridge had a total income of \$860,079 for the fiscal year ending April 30, 1966, an increase of \$201,475 over the previous year, according to an annual audit submitted to the Madison city council Tuesday night.

Net income was \$720,917, up \$267,968, the audit by Moll, Blum, Jones & Co. showed. Total operating expenses dropped by \$6513 to \$229,162.

Total assets of the bridge for the audit period were \$4,570,679. During the year, there were 996,481 crossings, compared to 712,726 the previous year. The audit covered a period of toll operations and noted that the bridge, no longer produces an income. It said the cost of dismantling the bridge would be about \$750,000 over the salvage value if the city should decide to raise it.

Tax Rate Objections
The council received a formal notice from the county clerk that all railroads have filed tax objections on garbage, public benefit and street and bridge fund rates, and that the Terminal Railroad Association also objected to the civil defense and playground and recreation rates. It was referred to the legal department.

Protection by regular and auxiliary police was authorized for volunteer collectors in the March of Dimes drive starting at 6 p.m. Monday, in response to a letter from the Madison Junior Service Club.

A letter was read from Joseph Roberts, precinct committeeman at Eagle Park Acres, in response to aid given by the Madison fire department in a recent fire in his area.

Charged in Accident

Auto driven by Media E. Favier, 1713 Courtney blvd., and Charles L. Elledge, 1928 Joy avenue, collided at 8:20 a.m. Wednesday at 27th and Iowa streets. Favier was charged with a right-of-way violation and was summoned for a hearing by Feb. 10.

2 hand-painted sets that cost \$8... remove the border bars and you have 2 beds. Expertly tailored in colorful print and tweed fabrics in choice of colors. Handwood base finished in lustrous oil and velvet finish.

Cuts Over Lot, Arrested
Thomas A. Kampwerth, Beckmeier, was arrested at 7:15 p.m. Tuesday on a charge of driving across a parking lot to avoid a red traffic signal light at 23rd street and Madison avenue. He was summoned for a hearing by Feb. 10.

Additional Tracks At Crossing Ok'd

An ordinance authorizing an added set of tracks across Edwardsville road at East 19th street was approved for Granite City Steel Co. Monday night by Granite City council members.

The firm also will install flasher warning lights. It estimated there would be at least 12 trains over the crossing in a 24-hour period, with engines pulling two to four loaded cars.

Permission for the added set of tracks was given for a 50-year period with the city having authority to cancel the agreement. Granite City Steel is to maintain the crossing.

Inquiry Shows Death Due To Coronary Thrombosis

An inquiry conducted in the death of Mrs. Bernice Baron, 42, of 1634 Sycamore avenue, who was dead upon arrival at 6 a.m. Sunday at St. Elizabeth Hospital, resulted in a verdict of death from coronary thrombosis. Deputy Coroner Alvin Chase conducted the inquiry Monday evening at the Pieper Funeral Home.

Funeral services were held Tuesday for Mrs. Baron, who is survived by her husband, Chester, a daughter, Janice and two sons, Claude and James Baron, all at home.

Bookmobile to Make Anchorages Homes Stop

The Granite City public library's new bookmobile will begin serving residents of the Anchorage for an hour every third Friday beginning tomorrow at 1:15 p.m.

The service will be conducted on a trial basis for three months to see if response is sufficient to continue the service. The service was available at the housing project once before but did not attract sufficient use.

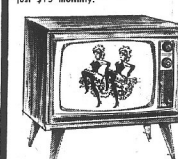

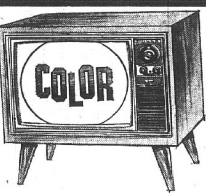

Parking may be a problem, it was reported, as the bookmobile requires 100 feet of space.

Fredman Bros. Slash Prices During Our 104th Semi-Annual Clearance

A CLEARANCE YOU'LL NEVER FORGET! That's what Fredman Bros.' 104th Semi-Annual event is. This is your opportunity to get beautiful new furniture, carpet and appliances at greatly reduced prices! The reasons for the price cuts are two-fold: (1) We must sell the majority of our display stock now to make room for the purchases made at the January furniture show. (2) We've accumulated a large assortment of odd and mis-matched pieces that we must get out of our stock! The best way we know how to do this is to slash our prices to new lows and pass tremendous savings on to you, our customers! Remember, too! Regardless of the low price you get an ironclad guarantee of satisfaction from a firm that is now in its 52nd year of service to the people of Central Illinois. You can buy with confidence at Fredman Bros. and know the quality is highest and the prices fair! Hurry in for once in a lifetime savings! Use your credit and save!

Fire Loss in GC Totals \$200,680 During 1966

Fires caused damage totaling \$200,680 in Granite City during 1966, or \$12,088 more than in the previous year, Fire Chief Earl Fronbarger reported to the city council Monday night.

Included were \$128,030 damage to buildings, down \$6385; \$62,305 to contents, up \$16,963; and \$10,255 to vehicles, up \$2100. In addition, the estimated loss was unknown in 31 industrial plant fires.

Firemen responded to 618 fire alarms, compared to 493 the previous year. Among them were 242

buildings, or 39.2% of the total; 55 automobiles, 15.3%; 155 rural and woods, 26.6%; 32 rescue car and inhalator calls, 5.2%; 30 false alarms, 4.8%; six out of the city limits, 1%; and all others, 55, 8.9%.

Three persons died in emergency rescue operations, one person died at a fire, one firefighter was injured at a fire and one firefighter was injured at the station.

The fire department made 264 inspections during the year at schools and mercantile establishments.

Farm Column

By Warren W. Bundy
Madison County Farm Adviser

Custom Work on Farms
Custom work and machine rental enable farmers to obtain the benefits of specialized machines that they cannot economically own or operate with the small volume of work on their farms.

The owners of these machines and those who hire the use of them are interested in knowing what rates are fair to both parties. One guide is the rates that are currently being charged.

Results of a survey conducted by the Agricultural Economics department of the University of Illinois are published in Circular 956 entitled, "Custom Rates and Machine Rental Rates Used on Illinois Farms in 1966." The circular is available at the farm adviser's office.

It lists the average rate, most frequent rate and usual range of rates charged for all the common farming operations done on a custom basis. Rates are listed for various sections of the state.

Rental rates paid for use of farm machines in Illinois in 1966 are also reported.

The survey also collected a few reports on rates charged for custom contract farming. Custom contract farming is a new development in which the custom operator contracts with a landowner to perform all of the field operations for the crops on his farm.

Thirty-two farmers who engaged in custom farming in Illinois reported the rates they charged. There were three methods of arriving at charges. One method was the sum of the charges for the amount of each operation actually performed in producing the crops.

Another was a flat rate for performing all the field operations necessary to produce the crops. A third method was either the above two methods plus an incentive bonus.

Nineteen of the farmers used the first method of summing the charges for each individual operation performed.

Those who used the flat-rate method reported the following charges:

Corn, plow to harvest, per acre average rate \$26.25 with a range of \$20 to \$36.

Corn, plow to storage, per acre average rate \$27.50 with a range of \$17 to \$33.

Several reported receiving in addition an incentive bonus for doing a good job. These bonuses varied from a premium for getting the crop planted before a specified date to a few cents per bushel over a certain yield. The amounts and specifications for bonuses were so varied that an average would be misleading.

Winter Dysentery in Cows

Dairymen should watch for winter dysentery, a highly contagious disease of cattle that usually occurs prior to April 30, according to University of Illinois extension veterinarian G. W. Meyerholz.

A frequent problem in Illinois dairy herds, winter dysentery is thought to be caused by a virus and the bacterial agent *Vibrio jejuni*. Close confinement of the animals in the barn contributes to the rapid spread of the disease through the herd. Dr. Meyerholz points out that about 20% of the herd may develop disease in one night and that 80% can be affected in two or three days.

Cows affected continue to eat, but their milk production may decrease as much as 50 to 95%.

Although treatment by a veterinarian can lessen the severity of the disease, there is no means of preventing winter dysentery from spreading once it enters the herd.

Recovering

Pernie Dickey, 2254 Adams street, is recuperating at Elizabeth Hospital, where he has been a patient for the past ten days. He recently underwent major surgery and a blood transfusion. Monday in newspaper shows improvement, Mrs. Dickey reports.

Rotarians See Film On Juvenile Crimes

A program on juvenile crime was presented by C. A. "Bud" McMillan, director of Coordinated Youth Services, at the luncheon meeting of the Granite City Rotary Club Tuesday at the YMCA.

He showed a film entitled "I Never Looked at It That Way Before." It is one of a series of nine films on teenagers which are available for showing to churches, civic organizations and other youth agencies.

He discussed the problems teenagers face regarding dope, smoking, drinking, sex and morals. He said adults judge teenagers by what a few do, but on the other hand, teenagers judge adults on what a few do.

McMillan said the CYS program is more effective when he works with groups of youngsters instead of individuals in trying to restore them properly into society. Richard West was in charge of the program.

Rev. Alfred Bull spoke on the 56th anniversary of the publication of the Rotarian magazine this week.

Venice Twp. Caucuses Set for 3 P.M. Feb. 7

In accordance with the state statute governing election of township officers, Democratic and Republican voters in Venice township will caucus at 3 p.m. on Feb. 7, in the Madison Recreation Center, Seventh and Lee streets, Madison, it was announced this week by Thomas W. Foley, Venice town clerk.

Registered Republican and Democratic voters in the township are to nominate candidates for the highly controversial and assistant supervisor to seek the offices in the April 4 township election, the announcement states.

Prior to a recent legal opinion handed down by Illinois Attorney General William Clark, candidates seeking township elected posts were not required to be pre-qualified by party caucus. A bill to revise the statute presently is under consideration by the Illinois General Assembly.

The terms of Assistant Supervisor Claude Echols and Highway Commissioner Frank Kimack are expiring.

Jehovah's Witnesses Assembly Opens Friday

Members of the Granite City congregation of Jehovah's Witnesses will attend the opening session of a three-day assembly in the Mascoutah high school Friday.

Two special representatives appointed by the Watchtower Bible and Tract Society of Brooklyn, N. Y., will attend the convention. They are Andrew Laguna, a district supervisor of 200 congregations of Jehovah's Witnesses in the midwestern states, and Conrad Klapstein, who has supervision of the 16 congregations that will attend the meeting. A color film, "God Cannot Lie," will be shown Sunday afternoon.

Froemling Appointed

A. H. Froemling, president of the Madison County Federal Savings & Loan Association, has been appointed a member of the group insurance committee of the Illinois Savings and Loan League. Making the appointment was the league president, Charles E. Gilliland of Florida.

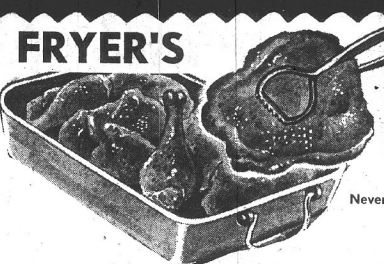

Storm Fence Damaged

Argill Williams, 2913 Dale avenue, reported at 12:15 p.m. Monday that a hit-and-run auto damaged the storm fence at his home during the night.

Fined \$50 for Conduct

Roy Higgins, 41, of 1831 Grand avenue, was fined \$50 plus \$5 court costs for disorderly conduct. He was arrested Sunday.

Ann Crowley's Table Topics

Nothing wakes up a sluggish winter appetite as well as fresh, tasty grapefruit. The middle of winter is the season for grapefruit abundance.

Grapefruit is raised in Florida, Texas, California, Arizona and Puerto Rico. The three main varieties are seedless, with seeds, and Texas Pinkseed. The fruit is sweet and suited for eating.

Grapefruit provides the diet with Vitamin A, Vitamin C, and some of the 8 Vitamin B's. All these nutrients are available in a low calorie food. This tart, juicy fruit contains fruit sugars for quick energy by the body.

For juice, it is wise to purchase the medium to small grapefruit that is firm and heavy. The heavier the fruit, the more juice it contains. The larger, thick-skinned fruit are most desirable for sections or serving halves.

Grapefruit can be used as an eye-opener in the morning, a salad at lunch, and a dessert at the evening meal.

I had a delightful surprise grapefruit dessert the other day, and you might like to try this, too.

BAKED GRAPEFRUIT ALASKA

3 grapefruit
1/2 teaspoon salt
3 egg white

6 tablespoons sugar
1/2 teaspoon vanilla
1 pint vanilla ice cream

Cut grapefruit in half, core, cutting out more of the center than usual. Cut around each section with a sharp knife and separate lightly with your fingers. Chill thoroughly. When ready to serve, preheat oven to very hot (500°). Add salt and sugar to egg white and beat until very stiff. Add vanilla; reserve. Remove grapefruit halves from refrigerator; place spoonful ice cream in center of each half. Cover with meringue. Place in preheated oven until lightly browned, about 1 minute. Yield: 6 servings.

HOLIDAY SERVICE, GL 2-3131

John Mikulcz, 58, Stricken at Home

John Mikulcz, 58, of 1347 C Madison avenue, Madison, was pronounced dead at 4 a.m. Tuesday after being stricken at home.

A 50-year resident of the Quad Cities, Mr. Mikulcz had been ill one day. An inquest will be conducted at 8 p.m. today by Deputy Coroner Alvin Giese.

He is survived by his wife, Mrs. Catherine Mikulcz; three sons, Pvt. Bernard Mikulcz, stationed at Fort Leonard Wood, Mo.; Jerry Mikulcz of Granite City and Charles Mikulcz of Alton; one daughter, Miss Mary Ann Mikulcz of Madison; his father, Charles Mikulcz of Madison; two sisters, Mrs. Veronica Kraus of Granite City and Mrs. Mary Souka of Royalton, Ill.; three brothers, Charles Mikulcz, Alton, Michael Mikulcz, Marseilles, Conn., and George Mikulcz, Fairmont City; and three grandchildren.

Funeral services were held today. Arrangements are given in today's obituary column.

Car Hits Gas Pump

A car driven by Jerry R. Straube Jr. of Edwardsville was damaged at 2:30 p.m. Monday when it struck a gas pump on the Derby Station on Route 203 east of the McCambridge street overpass. Straube told officers that as he started to turn into the station his foot slipped off the brake and hit the gas pedal, causing him to lose control.

East St. Louis to be Sectional Cage Site

The winner of the Edwardsville regional basketball tournament, which will match such teams as Granite City, Madison, Collinsville and the Venice district champion, will advance to the East St. Louis sectional meet March 8-10, it was announced yesterday.

The sectional pairings are Edwardsville regional vs. Hillsboro regional and Alton regional vs. Belleville regional.

Council Proposes Contract, as time is needed

to the mayor's refusal to sign the contract, as time is needed to prepare legal aspects of the bond issue for a special election.

Interviewing Engineers
Later on in the meeting, Sternberg, who is chairman of the Special Planning committee, said the committee would be interviewing engineer firm representatives for the project.

The interviews started Tuesday and the committee plans to submit its recommendation to the council in the next week. Firms to be interviewed this week include Horner & Shiffrin Co. and Russell & Axon Co. of St. Louis and Homer L. Chastain & Associates of Decatur.

Still in dispute is the council's action earlier this month in canceling a contract with the local engineering firm of Sheppard, Morgan & Schwaab that designed the project. Mayor Partney vetoed the cancellation order, and the council voted to override the veto.

Walter E. Kubant, 62,
Dies; Retired Farmer

Walter E. Kubant, 62, of 208 St. Joseph street, Troy, Ill., a former 40-year resident of Granite City, died of a heart ailment at 9:15 a.m. Tuesday at St. Joseph's Hospital, Highland, where he had been a patient 18 days.

A native Granite Cityan, Mr. Kubant lived in the local community until moving to Troy in 1951. Prior to retirement six months ago due to ill-health, he had been employed for 30 years as a foreman at General Steel Industries. He was a member of St. Paul's Lutheran Church in Troy and St. Paul's Men's Club.

Mr. Kubant is survived by his wife, Mrs. Anita (Osborn) Moore Kubant; one daughter, Mrs. Donald (Patricia) Gilbert of La Puente, Calif.; one step-son, Dean Moore of Philadelphia; one sister, Mrs. Esther Robinson of Granite City; a brother, Henry Kubant of Magalia, Calif.; and nine grandchildren.

Funeral arrangements are given in today's obituary column.

Approve Expense Fund

The Venice town board approved an expense fund of \$75 Wednesday night for Joseph Bergraff, township assessor, who will attend an annual assessor school in Peoria the latter part of next month. Other board business was routine nature.

Responding to a joking comment by Mayor Stephen Maeras

Hope to End All Substandard Kerr Island Housing

The Great River Road (Federal Aid Route 151) is expected to enable the substandard Kerr Island residential area to be entirely eliminated, Dr. John E. Lee, mayor of Venice, said in a luncheon talk to the Madison Rotary club yesterday.

The gradually curving right-of-way will take all but a few homes, leaving small areas at the northern and southern ends. It may be possible to arrange for removal of these dwellings as well, or to upgrade them to full status regarding utility services and such municipal programs as street maintenance and building codes, he explained.

The Madison County housing authority is making a survey to determine how many present Kerr Island residents would be eligible for low-income housing, the club was told.

Dr. Lee also said: "The new highway is a key to obtaining a road-way underpass because its right-of-way passage in effect reduce the cost of the nearby underpass by \$200,000."

Offer by Railroad
The Norfolk & Western Railroad has just advised the state it would bear the added cost from an underpass design revision it is seeking.

The city will not agree to this and two other revisions unless all three involved railroads accept the cost increase and unless the state includes the project in its highway program.

The railroad "piggyback" yard newly built in South Venice blocks the proposed Venice-East St. Louis route of Highway 151, and the city will go to court if necessary to block further elimination of homes.

Discussing the Venice-owned McKinley Bridge, the mayor said city profits may end by 1969 if there is no change in bond retirement schedules, but that the bridge still is an asset to the city because it has provided \$652,000 in revenue to the municipality.

Venice could begin charging the bridge \$40,000 to \$50,000 a year as an administrative fee, he said, partly offsetting anticipated loss of the present \$100,000 yearly transfers.

Venice could begin charging the bridge \$40,000 to \$50,000 a year as an administrative fee, he said, partly offsetting anticipated loss of the present \$100,000 yearly transfers.

Venice Bridge Manager Henry McMullen traced the 60-year history of the McKinley span and said the new free bridge north of here has cut local bridge revenue \$20,000 in a three-month period.

Venice Dance Saturday

March of Dimes Campaigning In Full Swing this Weekend

March of Dimes leaders in the Quad-Cities are urging all-out support for the 1967 fund-raising campaign, which will be climaxed this weekend in Venice with the annual ball and in the remainder of the week with evening when "Mothers' Marches" are scheduled.

A large number of Venice residents, along with many other patrons from surrounding communities, are expected to attend the annual "Crippled Children's Ball" to be held from 7 p.m. to 1 a.m. Saturday in the Venice-Madison American Legion Home, Venice.

Advance ticket sales and other efforts have been handled by the Venice Crippled Children's Association, with Mayor John Lee, association president. Admission is 50 cents to the traditional ball, started more than 20 years ago. Music will be provided by a seven-piece band and a teenage combo.

Proceeds from the event will be divided between the March of Dimes Fund, Shriners' Hospital in St. Louis and to further the activities of the Venice association. A total of \$750 is contributed each year to the first two organizations, Dr. Lee said.

A "roadblock" to solicit funds from motorists is scheduled for 11 a.m. Saturday on Broadway at Klein street in Venice. Members of Legion Post 307 and the Venice volunteer fire department will man the roadblock, the chairman announced.

Volunteers in other areas of the Quad-Cities will visit homes in their own neighborhoods starting early Monday evening. Residents are being urged by March of Dimes leaders to turn to their front porches Monday to aid workers.

Henry Campbell, 79,
Dies; Retired Farmer

Henry Campbell, 79, of 2309 State street, a retired farmer, died at 11:44 p.m. yesterday at Elizabeth Hospital. He had been in ill-health almost two years and was admitted to the hospital five days ago.

A native of Brinktown, Mo., Mr. Campbell had lived in the local community 55 years. Before retiring, he operated his own farm in the area. He was a member of St. Joseph's Catholic Church. His wife, Cecelia, died in 1922.

Surviving are three sons, Charles Campbell of Granite City, Joseph Campbell of Chicago and Clarence Campbell in Washington; one sister, Mrs. Joseph (Nellie) Hiemann of Vienna, Mo.; two brothers, Sam Campbell of Vienna and Hugh Campbell of Denver, Colo.; four grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

Leaves Drive, Collides
Pulling out of the Travelodge driveway, an auto driven by George E. Stone, Edwardsville, struck the right front of an other driven by Woodrow W. Christman, 2030 Illinois avenue, at 11:55 p.m. Wednesday at 19th street and Cleveland blvd.

State Proposes Cigaret Tax Hike To Buy Park Sites

A boost in the present seven-cent-per pack tax on cigarettes was proposed this week in the state legislature at Springfield to raise funds for purchase of lands to be used for parks and recreation.

The bill, introduced in the house, provides for a referendum for a \$100,000,000 bond issue to be financed by the proposed cigarette tax hike and, if needed, the long-dormant state property tax.

Also put in the hopper this week was a bill which would double the present city half-cent sales tax. The bill includes proposals for cities also to levy a five percent gross receipts tax on hotels and motels and to increase taxes on tobacco products and alcoholic beverages.

Another bill to clear the house committee this week with a recommendation for passage would ban holders of federal gambling stamps from having liquor licenses.

Kerner this week discussed a billion dollar higher education budget and sites for new colleges with state legislative leaders. The governor recommended to the General Assembly a \$1.40 per hour minimum wage law for 1967 and \$1.60 for 1968, to meet the figures in the federal law.

Completes Basic Training
Pvt. William G. Thomas, a son of William Thomas, 2537 Madison avenue, and Mrs. Ethel Thomas, 2825 East 25th street, has just finished basic military training at Fort Leonard Wood where he will remain for eight weeks before undergoing AIT schooling. He is in the supply branch of the Army.

Flower Van Collides
A Farlie Flowers delivery van driven by Elbert L. Lowe, 1715a Edison avenue, struck the rear of an auto driven by Robert A. Alsop, 1852 Garfield avenue, which was stopped while trying to make a left turn into the Nameoki Village parking lot at 6:10 p.m. Wednesday. Lowe was charged with careless driving.

Vehicle Bumpers Hook
Rumpers of a pickup truck driven by Herman L. Beard, Edwardsville, and an auto driven by Lanny L. Rainwater, 2128 Mirvick avenue, hooked as both vehicles headed south at 19th street and Cleveland blvd. at 6:10 p.m. Wednesday.

West Granite

MRS. CHARLENE SANDERS
2037 Dewey Avenue
TR 6-4310

The Miss Diaz Girls Auxiliary of Second Baptist Church, which assembled Monday after school for a weekly meeting, opened with prayer by Nancy Sanders. The girls studied their forward steps, led by the counselors, Mrs. Wanda Hubbell and Jean Wyatt.

Those present were: Patricia Wyatt, Nancy Sanders, Theresa Gilliam, Gail Lewis, Cindy Wyatt and Robin Smith.

Miss Ann Snyder, a daughter of Daniel Snyder, 2038 Bryan avenue, is recuperating at home after an appendectomy. Ann is a third grader at Washington school and hopes to be back in school soon.

ARRIVE IN FLORIDA
A phone call was received by Mrs. Charlene Sanders from Mr. and Mrs. Fred Boger on their arrival Sunday in Clearwater, Fla. They will be visiting there for about four months and will be staying at the Alcovite Trailer Court. They would enjoy hearing from family and friends.

COUNTY BAPTIST
The Junior Girls Auxiliary of Second Baptist Church, attended a Madison County Association meeting Tuesday evening at First Baptist Church of Mitchell.

Mrs. Jean Wyatt, the director, was in charge and the theme for the evening was "Learning of the World."

Rev. Vernon Covington, pastor of Emmanuel Baptist Church, showed color slides of Jamaica Baptist work, taken when there in an evangelistic crusade in 1964. He will be returning to Jamaica soon.

Refreshments were served following the service by the host church, using a valentine theme. The next Association meeting will be held at Meadow Heights Baptist Church April 25 at 6 p.m. There were 77 girls in attendance.

The Intermediate Girls Auxiliary met at Panton Baptist Church with Mrs. Frank Barnett, director, in charge. Mrs. G. A. Hopkins, a school teacher, showed slides of her trip to Africa. She visited Baptist churches and missions while there.

Refreshments were served by the host church following the service held at Pleasant Ridge Baptist Church at 6 p.m. April 25.

Six and seven-year-old Sunday school children were present.

beams of Second Baptist Church met Tuesday for a weekly session. Spatter painting was enjoyed by Jimmie Hartzel, Terry Moore, Janet Smith, Eve Wyatt and the counselors, Mrs. Beverly Crown and Mrs. Arlene Smith.

World Friends of Second Baptist Church met Tuesday. The group made a free gift bookery with cards for shut-ins at home and in the hospital. Prayer was given by Mrs. Betty Lewis and Douglas Smith.

They began a two-week study of Mexico and made Mexican fans. Pictures of Southern Baptist mission work in Mexico were displayed. Mrs. Lewis told Bible stories of Paul and a story of publications work in El Paso, Tex.

Those present were Kathy Hartzel, Becky Clements, Douglas Smith, Gary Dacus, Wally Moore, Delta McEntyre, Carol Freeman and the leader, Mrs. Lewis.

Mrs. O. D. Pinkston had as out-of-town guests Sunday Mr. and Mrs. C. H. Pinkston of Peoria, Ill. Others visiting in the home were Mr. and Mrs. Frank Townsend, Misses Connie and Colleen McDaniels, sisters of the honoree, the bride-elect's mother and the honoree.

Gary Barker, a student at Granite City high school and grandson of Mr. and Mrs. William Sanders, 2901 Denver street, entered 5th Elizabeth Hospital Wednesday to undergo a series of tests.

*no matter
who makes it,
if A&P sells it, A&P
guarantees it!*

For example.

Your A&P may sell as many as six or seven different brands of canned peas—national, regional and A&P's own brands.

It doesn't matter what company cans them...if A&P sells them...A&P guarantees them.

Unusual?

Not for A&P...because WE CARE...about your complete satisfaction.

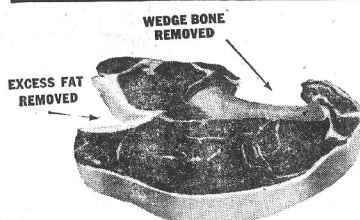

Is this a good reason for shopping A&P?

It's one of many!

Denise Madrid Selected As J.A. Queen Candidate

Denise Madrid has been selected as the maid of honor to represent the Granite City Junior Achievement business center at the annual J. A. coronation ball on Feb. 24.

She will be vying for the title of Miss Junior Achievement for the greater St. Louis area in competition with representatives of nine other business centers.

Formal presentation will take place at the 17th annual coronation ball to be held in the Khorassan room of the Chase - Park Plaza hotel.

Miss Madrid is the daughter of Mrs. Anne Madrid, Rural Route One (Twin Oaks). She is 15, is a sophomore at Granite City high school and is a member of Reynolds Junior Achievement Co. cosponsored by General Steel Industries.

Junior Achievement is a business education program designed to teach fundamentals to teenagers by a method where the achievers actually own and operate miniature companies under the guidance of adult advisers from local business and industrial firms.

More than 6500 teenagers are participating in 210 J. A. companies throughout the greater metropolitan area.

DENISE MADRID

53 GCHS Seniors On January List Of 1967 Graduates

Fifty-three seniors at Granite City high school completed their work for a diploma with the end of the winter semester, Lawrence McCauley, principal, announced this week.

No formal commencement ceremonies were scheduled. The group will be part of the June graduation class and will be eligible to participate in exercises at the end of the school year.

They are Dianna Joyce Allen, Ryan Ray Aurand, Donna Faye Black, Sharon Faye Bloodworth, Henry C. Brandon, James W. Brawley, Lloyd Brooks, Charles Bryant, Eliza Buchanan, Carolyn Ann Bunselmeyer, Deborah Jo Buren, Cheryl Diane Byrbe, Joe Jerry Champion.

Michael Ray Chandler, Melinda Ann Clare, Ralph S. Connor, Ralph K. Dunham, Beverly Sue Forsee, Joseph J. Garcia, Cheryl Sue Gilmore, Kathryn Alexis Gitch, Gary Eugene Greve, Kathleen G. Hall, Cheryl Lynn Harlow, Wanda Kay Hayes, Patricia Jean Jacksina.

William Oscar Jackson, Margaret Ann Kirksey (Browning), Mary Agnes Krauskopf, Linda Darlene Lewis, Janice Kay Marcum, Connie Mae McGowan, Joyce Monahan, Michael Hodge Mueller, Larry G. Odum, Linda Sue Penrod, Judith Marianne Povich.

Harold Michael Presson, Bruce W. Provence, Donna Marie Rapp, Gloria Jean Reese, Kelly Bennett Ross, Ronald Ray Scholes, Dimitrina Stamboljiev, Stacey D. Stoecheff, Harriet R. Soroka, David Kenneth Stroube, Pamela Ruth Stroud (Sichling), John Joseph Uram, James Patrick Walker, Alan P. Werner, Ronnie Wayne Whit and David Allen Wood.

English Teacher at SIU-SW Cuts Record

An English teacher at the Southern Illinois University-Southwestern campus is featured on the cover in a record album financed by Atlanta jazz fans of one of the all-time trombone greats, Jay C. Higginbotham.

He is Daniel Havens, an assistant professor, who said the recording session was planned when Higginbotham was found to be "down on his luck" in New York City. Nearly \$4000 in contributions came from fans to finance the record.

Havens was contacted by a cousin in Atlanta who put together a combo featuring Higginbotham, whom the teacher had remembered when he played with Louis Armstrong and other greats and led the jazz polls year-after-year.

Prof at SIU-SW to Give Violin Recital Sunday

Kent Perry, assistant professor in Southern Illinois University-Southwestern Campus, Fine Arts Division, will give a violin recital Sunday at 3:30 p.m. in the Lovejoy Library auditorium on the new campus.

He will be accompanied at the piano by his wife Linda. The program is open to the public without charge.

NEW EAGLE SCOUT Gareth Smith (right), 16, son of Mr. and Mrs. Duane Smith, 3017 Myrtle avenue, shown with Troop Three Scoutmaster Louis Laboratory at a court of honor at St. John United Church of Christ. Joining Washington PTA Cub Pack 19 in 1958, he advanced in 1962 to Troop Three, here he became senior patrol leader. He has served on the Camp Sunnen staff. Participants in the ceremony, attended by 70, included Glenn Abernethy and Donald Rivenburgh of the church brotherhood.

IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT, MADISON COUNTY, ILLINOIS.

IN THE MATTER OF THE PETITION FOR PROBATE OF THE LAST WILL OF GEORGE ROBERT DURANT, DECEASED. NOTICE OF PETITION TO PROBABE WILL TO ALL WHOM THIS MAY CONCERN. GREETINGS. YOU ARE HEREBY NOTIFIED that an instrument in writing purporting to be the Last Will of George Robert Durant, Deceased, has been filed in the Circuit Court of the Third Judicial Circuit, Madison County, Illinois; and that there has also been filed a Petition asking that the said instrument in writing be admitted to probate as and for the Last Will of George Robert Durant, Deceased, and that Letters Testamentary issue thereon. Said Petition states that the following named persons are all the known heirs-at-law, legatees and devisees of said deceased, to wit:

William O. Durant
Beulah Story
Malory Janette Moeller

YOU ARE FURTHER NOTIFIED that the hearing upon said Petition and for the named said Last Will has been set by said Court for the 13th day of February, 1967, at the hour of 9:30 A.M., at the Courthouse in Edwardsville, Illinois, in the County of Madison, State of Illinois, at aforesaid, when and where you may appear and show cause if any you have why said instrument in writing should not be admitted to probate as the Last Will of George Robert Durant, Deceased.

DATED at Edwardsville, Illinois, this 9th day of January, 1967.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

Powell Proposes Jump In State's Filing Fees

Secretary of State Paul Powell announced today he has legislation introduced into the General Assembly increasing certain filing fees collected by the corporation division of his office.

The fee increases, the first since 1920, would increase state revenue by \$15 million a biennium and are intended to make the fees more representative of present day costs, Powell said. Even with these increases the Illinois fees will still be lower than in most other states, he added. No increase is called for in the franchise tax.

The measure would establish a \$50 fee for filing annual reports, and would increase from \$20 to \$100 the fee for filing articles of incorporation for a new Illinois organization; from \$20 to \$50 for filing articles of amendment unless the amendments were a restatement of the articles of incorporation, when the fee would be \$100; from \$20 to \$50 for filing articles of merger or consolidation where two corporations are involved, plus \$20 for each additional corporation.

The same fee schedule and increases would apply to out-of-state corporations operating in Illinois under certificates of authority.

When the present fees were established, collections by the corporation division accounted for 3% of state revenue, but today they represent only an infinitesimal fraction of state revenue.

CUB BANQUET FEB. 1
J. R. Shanks, cubmaster for Pack 24, sponsored by the Frohardt school PTA, has announced that the January pack meeting has been canceled due to a change in the PTA meeting date. Pack members will attend their annual blue and gold banquet Wednesday, Feb. 1, at 6:30 p.m. at St. John's United Church of Christ.

Awards usually presented at the monthly meetings will be given at the banquet, as will prizes for winners in a candy sale held in December.

Entertainment will be provided by Indian dancers from an explorer post.

HOMEMAKERS CONVENTION
Members of the Granite City Unit Madison County Extension Association will attend the annual state convention to be held in Urbana at the University of Illinois over the weekend.

Those planning on attending are Mrs. Rufus Ramsey, chairman, and Mesdames Helen Temple, Willard Simpson, Frank Pare, Adolph Gruber, Robert Carroll, Raymond Uram and Virgil Travis.

BRIDGE CLUB WINNERS' GAME
A winners' game for the bridge club in the district was held Sunday afternoon at the Elks Club.

Winners for first place were Marion Ballard and Bert Oelrich of Belleville, second place Mrs. G. Foster, Belleville, and C. Whitestone of East St. Louis, third place Mrs. James Oelrich and Milton Richter of Belleville.

The regular meeting of the Granite City Duplicate Bridge Club was held that evening at 6:30 at the Elks Club.

First place honors went to Jon Davis and Robert Baird of Alton, second place to Dr. Jacob Cohen and Sam Meyer, and third place to Al Schaefer and Eldon Durr of Edwardsville.

Monday morning at 10:15, members of the Nameoki Duplicate Bridge club gathered in the home of Mrs. Sam Meyer, 2832 Yale avenue, for their weekly session.

Individual winners included a tie for first place between Mrs. Helen Wyman and Mrs. Helen Branning. Mrs. Marie Huff and Mrs. Donna Schaefer tied for third place.

Both clubs are under the direction of Mrs. Meyer and will meet again on Sunday evening and Monday morning of next week.

METHODIST WOMEN STUDY BOOK OF JAMES
The Every Member Busy Circle from Nameoki Methodist Church held their monthly meeting Tuesday evening in the home of Mrs. Luan Brainer.

Mrs. Irene Pierce, chairman, presided over the business meeting and received reports from Mrs. Mary Jo Mein, secretary, and Miss Jane Elkins, treasurer.

Mrs. Pierce announced that the members are to take cookies and fruit juice to the monthly meeting of the WSCS on Feb. 6. The donated articles will be taken to Neighborhood House in East St. Louis.

The opening prayer was given by Mrs. Vivian Guika, and the lesson was presented by Mrs. Dorothy Luckert. The study was on the book of James, first chapter, and will be continued at the next meeting.

The meeting was closed with prayer by Mrs. Pierce. The remainder of the meeting was spent in preparing cancer dresses.

The next meeting is planned for Feb. 28 in the home of Mrs. Pierce. Refreshments were served by the hostesses to those named and to Mrs. Mildred Nany, and Mrs. Helen Bischoff.

BANQUET PLANNED
Den 3 of Pack 22, sponsored by Frohardt school, met Monday afternoon in the home of their Den Mother, Mrs. Louis Brusati, 2211 Manley avenue. Assistant with the meeting was Mrs. Ray Uram.

The meeting was opened with the flag pledge and a promise, and Mrs. Brusati told the scouts they were to give the closing ceremony for the Pack meeting held Tuesday evening and participate in the Space Derby.

She announced Boy Scout Week will be observed from Feb. 7 to 13, and each scout is to bring handcraft work they have done and a school picture to be used in a display for this week.

During the work session the scouts worked on centerpieces to be used at the Blue and Gold banquet in February.

The meeting closed with the singing of the Star Spangled Banner.

Those present were Mark Brusati, Joe Uram, Andy Edgars, David Lindsey, Danny Schneider, Ricard Bason and Bobby Wood.

The next meeting will be held Jan. 30.

4-H GIRLS PRESENT POGRAM
Mrs. Lillian Turk, president of St. Elizabeth's Altar Society, presided at the monthly meeting Tuesday evening, held in the school cafeteria.

The guest speaker was Mrs. Mary Knecht, assistant Home Advisor of the Homemakers Extension Association, 400 E. Edwardsville. She spoke on the 4-H clubs and their purpose in teaching young girls to become better homemakers.

Members of the 58ers 4-H club with their leader Mrs. Ruth Brainer presented the program. Miss Gail Forshee gave a cooking demonstration and Miss Mary Margaret Uram spoke on purchasing canned food.

Misses Christ Brave, Kathy Carroll and Mary Margaret Uram modeled clothes they have made, and Miss Carroll served as commentator.

Three new members welcomed were Mrs. Margie Szczepanski, Mrs. Jo Ann Meyer and Mrs. Delora Schrenk.

The evening's prize went to Mrs. Richardson, and the Madonna went to Mrs. Stefania Sidel.

Mrs. Turk announced a dance held jointly with the Holy Name Society will be held on Feb. 3 at the school cafeteria.

Refreshments were served to 31 members by the hostesses, Mrs. Martha Kozack.

The next meeting will be Feb. 28 with Mrs. Judy Miller as hostess.

MRS. NAEVE HOSTESS
TO CANASTA CLUB
Mrs. Marie Naeve was hostess Tuesday evening to her Canasta club in her home, 2421 Grand avenue.

Prizewinners in the games were Mrs. Mary Hogan, Mrs. Deakie Smart, Miss Charlotte Jercenovic and Mrs. Becky Parish.

The hostess served refreshments, and the anniversary of Mrs. Hogan was observed as she received a gift from her secret pal.

Others attending were Mrs. Vella Mae Tucker, Mrs. Carmen Allen and Mrs. Fern Wright.

Mrs. Hogan invited the club to meet in her home, 2440 Clark avenue, for the next semi-monthly meeting on Feb. 14.

REDEDICATION CEREMONY
A weekly meeting of Brownie Troop 1137 of the Parkway school area was held Tuesday afternoon in the home of the leader, Mrs. Ruth Andrews, 3230 Wilshire drive.

Mrs. Marlene Painter, co-leader, conducted a rededication ceremony for Debbie Voss, Juanita Spence, Jane Severine, Rebecca Dudley and Susan Bargo. The scouts continued work on their valentine project and held a song session.

Others present were Crystal Andrews, Robin Robertson, Trudy Tapp, Erna Stevenson, Nancy Bergfield, Debbie Roney, Lydia Conner, Jan Whitworth, Lori Langley, Becky Painter, Glenda

Mothershead and Debra Kirgan. The troop will meet again Jan. 31.

JANUARY MEETING OF LYDIA CLASS
The January meeting of the Lydia class of Third Baptist Church was held at the church Tuesday evening.

Mrs. Juanita Brown, teacher, offered prayer and the business session was conducted by Mrs. Vera Kirkpatrick, president, who also presented the devotions.

Games were enjoyed and refreshments were served by Mrs. Kirkpatrick and Mrs. Helen Lockery. Others attending were Mesdames Ellen Fitzgerald, Mildred Popelchak, Margie Burkhardt, Millie Norris, Cathy Shemania and Marie Johnson.

The next meeting will be held Feb. 28, with Mrs. Lorraine Tinker and Mrs. Ruth Dowditch as hostesses.

PACK 22 SPACE DERBY
The first "space derby" conducted by Cub Pack 22 of the Frohardt PTA was held Tuesday evening at the school.

Trophy winners for the pack were Craig Schulte, first, Mark Buenger, second, and Mark Brucatt, third. David Melton won an award for best design.

Winners in den games: Den One, David Melton; Three, Joe Uram; Five, Richard Roth; Seven, Steve Galayard; Eight, Richard Foy; and Webelos, Terry Kaleta.

The meeting opened with a flag ceremony by Den One. Assistant Cubmaster Earl Buenger presented a bobcat pin to Tom Tarpoff, wolf badges to Eddie Szczepanski and Lorraine Foy, bear badge to David Lindsay, gold arrow to Dennis Brunson, lion badges to Paul Northcutt and Danny Schneider; year pin to Mark Buenger; dinner stripes to Keith Wagner, Terry Gardner and Linda Lindsay; assistant at dinner stripes to Tim Northcutt, Lance Parmlay and David Melton; recruiter stripes to Richard Roth and Tom Mueller and a recruiter slide to Allan Milton.

Cubmaster William Kraus conducted a business meeting and discussed Boy Scout Week Feb. 7-13. The pack will work on window displays Feb. 3 and 4 at the O'Brien tire and battery shop.

A blue and gold banquet is planned for Feb. 28 at 6:30 p.m. at Concordia Lutheran Church in lieu of the monthly meeting. Reservations for each family must be made through the den mothers by Feb. 10.

Members of Mrs. Phyllis Brucatt's Den Three read a poem, "Myself," as the closing. Refreshments were served by Den Langley, Becky Painter, Glenda

Mothershead and Debra Kirgan. The troop will meet again Jan. 31.

Rev. Sims Returning This Week from Ohio

Rev. R. Paul Sims, who has been attending a post-graduate seminar at the Methodist Theological School in Delaware, Ohio, this month will return to the pulpit of Niedringhaus Memorial Methodist Church Sunday. His topic for the morning worship service at 8:30 and 10:40 will be "Community in Christ."

Sunday evening, the final session of the annual School of Missions will begin with a fellowship covered dish supper at 6 o'clock. A film entitled "The Captive" will be shown at 7 o'clock, followed by the study hour at 8 o'clock. Classes are provided for all ages and the general theme studied will be "Affluence and Poverty: Dilemma of Christians."

Miss Elizabeth Province, director of Leslie Bates Davis Neighborhood House in East St. Louis, will be guest adult class leader.

A. E. Cartwright, chairman of the local church Commission on Missions, is in charge of this church-wide school.

City Council's Special Meeting Reset for Tuesday

A special meeting of the Granite City council next week has been changed from next Monday to Tuesday to permit city officials to attend a dinner Monday honoring Charles P. Whitehead, former president and a board chairman of General Steel Industries.

The change was made during this week's session, and Mayor Partney said he would send out letters on the hour and the business to be transacted during the special session.

The meeting was first announced last week as being called to confer with state highway officials on the acquisition of right-of-way to begin work this year on widening and improving the south end of Nameoki road.

Last week, the city was notified that unless the right-of-way was obtained immediately, the

Collide in Venice

The rear end of a car driven by Harold O. Hill, 2312 O'Sare avenue, was damaged at 6:50 a.m. Tuesday on Broadway at McKinley street, when struck by a car driven by Harold Taylor, 2204 State street. Both cars were headed west on Broadway when Hill slowed for traffic at the foot of the viaduct. Taylor reported he struck the rear of the Hill car. His car was damaged in the front.

Man Fined for Conduct

James Presley, 50, of 2729 Harding blvd., was fined a total of \$45 Monday in magistrate's court on charges of disorderly conduct and intoxication. He was arrested during the weekend.

Also, the council will confer with officials of the federal Housing and Urban Development agency's Chicago office on requirements for making application for an urban renewal grant.

Granite City PRESS-RECORD Thurs., Jan. 26, 1967 Page 25

Venice to Make Final Bridge Rail Payments

The city of Venice this week will make final payment of \$67,625 to the Alberici Construction Co. of St. Louis for installation of new railings on the west end of McKinley Bridge.

Total cost of the project was \$162,128, of which \$89,502 had been paid in previous installments.

The payments are to be made out of the McKinley Bridge road and improvement fund.

Traffic Charge Filed

Thomas A. Kampwerth, Beckmeyer, was charged with a traffic signal violation at 23rd street and Madison avenue at 7:15 a.m. Tuesday. He was summoned for a hearing by Feb. 10.

Illinois Coal Output Up During December

Coal production from 68 Illinois mines totaled 5,863,054 tons in December 1966, L. Leon Ruff, director of the Illinois Department of Mines and Minerals, reported this week.

The tonnage is an increase over the 5,542,239 tons mined during December 1965 and a decrease from the 5,736,435 tons mined in November 1966.

Three mines in Perry county reported the highest December production, 53,683 tons, by 454 men working an average of 23 shifts.

Franklin county, with four mines in operation, reported a production of 726,112 tons in December. During the month 1,180 men worked an average of 55 shifts.

Hearing on New Levee Budget Set Feb. 3

Public hearing on the 1967 budget and appropriation of the East Side Levee and Sanitary district will be held at 10 a.m. Friday, Feb. 3, in the levee district offices at East St. Louis.

The appropriation, which is now filed at the levee district office for public inspection, will be subject to amendment at the hearing. Levee trustees are expected to adopt the measure at the end of the hearing.

The tentative appropriation sets up \$1,002,900 for operating expenses in the general fund and \$1,012,350 for payment of bond principal and interest.

Eight mines in Franklin county reported 736,375 tons with an average of 23 shifts worked by 914 men. In Williamson county 563,640 tons were mined by 1209 men working an average of 23 shifts in 14 mines.

Christian county ranked fifth with one mine reporting 504,158 tons mined by 815 men working 57 shifts.

The department reported a total of 7952 miners working during December. Production was from 37 strip mines and 31 underground operations. One fatality and 38 non-fatal accidents were reported in December.

WORKMAN FINISHES painting an electric oven in the bakery section of the new National Food Store opening next Tuesday, Jan. 31. Pre-frozen cakes, bread, pies and stollens will be offered in the bake shop. The store also contains a drug and sundry department.

New National Food Store To Open Next Tuesday

A complete pharmacy, a bakery and a special banana aging locker are some of the features of the new 20,000 square foot National Food Stores, Inc., supermarket at Madison and Nameoki road, scheduled to open at 8:30 a.m. Tuesday Jan. 31.

On hand for a ribbon cutting ceremony will be Mayor Donald Partney and Alderman Gene Sternberg, representing the city. Richard Cates, who will manage the store, James Runyan, assistant manager and James Winkelstein, assistant manager, Runyan and Winkelstein were in charge.

A "bake shop" in the new store will contain ovens to bake pre-frozen pies and cakes. Stollens and other bakery goods will be finished with fresh fruit and icing in the bake shop. A feature of the bake shop will be special decorated cakes.

A pharmacy with a complete line of drugs, cosmetics and sundry items will occupy 2000 square feet of the store. A registered pharmacist will be on duty during regular store hours.

In the produce section of the store besides refrigerated produce preparation areas a relatively new type of banana "aging" locker has been installed.

Richard Cates, manager, said that the locker will permit keeping green bananas until they are ripe enough for the consumer.

"Previously, whenever bananas were delivered, you had to put them on the shelves green or not, but this locker permits proper aging," he explained.

Don't be embarrassed by loose false teeth slipping, dropping or wobbling. You can, with a little PATENTED, on you, remarkable sense of comfort, comfort and security by holding them in place. New Potentate is 32-Year Veteran of DeMolays, Masons

Election to one of the highest positions in the Shrine and Masonic orders, achieved by Roy L. Wilimzig Jr., 47, of 2010 Poston road, is a result of 32-year affiliation with Masonic organizations.

The new Potentate of the 7546-member Almad Temple, East St. Louis, has jurisdiction over the entire southern Illinois area.

The first Granite Cityman to be elected to the temple's top position, Wilimzig has been a partner in Benson-Wilimzig, Inc., a St. Louis machinery company, since 1949. He and his wife, the former Margaret Davis of Evansville, Ind., were married in 1941. They have a married daughter, Mrs. James (Kay) Branca of Florissant, Mo., and one son, Robert, 15 years, a Granite City high school student and a member of the Order of DeMolay. They also have two grandchildren.

Joined DeMolays in 1935
Wilimzig entered the Granite City Shrine in 1935. He was elected to his present position after his discharge as an Air Force pilot following world war II, he took the initial steps from the ranks of DeMolay into Masonry and in 1948 was accepted into Granite City Lodge 877.

Four years later, he proceeded to become a 32nd Degree Mason in the Mississippi Valley Consistory, serving as president of the Fred L. Wham Class. He went directly into the Ancient Arabic Order of Nobles of the Mystic Shrine under the realm of illustrious Past Potentate and present Almad Temple recorder Robert F. Miller.

As an active Shriner, the new Potentate was elected Grand Master of the Tricity Shrine Club in 1958. In the same year, he and his wife were initiated into the Order of the Eastern Star and the Chapter 650. He became associate patron and served as Worthy Patron of the chapter in 1959.

In 1958, Wilimzig was selected to receive the Order of DeMolay's highest award—the Legion of Honor. He has served on the chapter's advisory board since 1959.

Forms Boys' Rifle Club
With the assistance of Noble Charles Voss of Granite City, he organized the DeMolay Rifle Club. More than 200 members of the local DeMolay Chapter have since participated in the rifle club's activities.

One of the highlights of his Masonic career came in 1964 when he was elected in Detroit, Mich., to receive the honor of acceptance into the 33rd Degree of the Northern Jurisdiction of the Ancient and Accepted Scottish Rite of Free Masonry. The 33rd Degree rank, awarded him

NEW POTENTATE ROY L. WILIMZIG JR. of Granite City (second from right) shown with earlier Almad Temple potentates directly responsible for his appointment to Shrine officialdom and Wilimzig's newest line appointees, C. A. "Jack" Dempsey, 4654 Vesel avenue (far right). From left are Past Potentate J. C. Nichols Jr., and Past Potentate L. E. "Bud" Shearburn of Alton. The latter appointed Wilimzig to the succession line in 1959. New Divan officers will be introduced to the Nobility at a "Ladies Night" Feb. 11, at the Almad Temple, East St. Louis.

in 1955, was preceded with his appointment to the Rose Croix degree of the Scottish Rite in May 1951.

Throughout the succeeding years, Wilimzig held various degrees. He also has served as area chairman of membership for the past seven years.

Other Affiliations
In addition to his Masonic activities, the new Potentate has held varied positions of responsibility in local civic affairs. He has served as local and county chairman for the March of Dimes, among other charitable fund-raising campaigns. He also holds membership in the American Legion, Kiwanis, Elks Lodge and has held several offices and commit-

tee assignments with these organizations.

Wilimzig attended Granite City schools and was graduated in 1941 from Washington University, St. Louis. Following graduation, he was employed for one year in the engineering department of Illinois Power Co., and one year later was appointed an electrical maintenance and construction engineer for the Turret Division of Emerson Electric Co.

He returned to Emerson in 1945, after serving three years as a B-25 pilot and in 1946 became a sales representative for the National Electric Service Co., as sales engineer. He and John H. Benson, Wilimzig's present associate, purchased the machinery company in 1949.

Fair Weather Brings Out Yellow Crocus

A report of a blooming crocus was made to the Press-Record, Tuesday by Mrs. Ernie Vaught, 2810 Roosevelt street.

Mrs. Vaught said that she never has seen them bloom before February. "Last year I was surprised to see one on Valentine's day."

She added that jonquils and Easter lily plants growing in her flower garden have buds and that small leaves are forming on her rose bushes.

She added that jonquils and Easter lily plants growing in her flower garden have buds and that small leaves are forming on her rose bushes.

GC Police Sergeant Relates Problems in Juvenile Cases

Misconceptions derived from television programs that in many instances portray the policeman as a brilliant mastermind or a dumb cop, together with parents who threaten their young children with the police officer as a punishing force, probably contribute greatly to increasing disrespect displayed by juveniles for law enforcement officers.

Sgt. Harry Mitchell of the Granite City police department, who also serves as juvenile officer, gave that explanation when he addressed the Kiwanis Club at a dinner meeting Monday. He was accompanied by Patrolman Gerald Wilson.

The average policeman is a family man, Sgt. Mitchell said. "He is law-abiding, understanding and energetic; in general, a decent individual performing an essential service in their community." He added that a policeman is in the public eye continuously and must be conscious of his public image and behavior.

Recounting the various responsibilities of a police department, Sgt. Mitchell said that 90% of all duties involve non-criminal activities.

90% Cases Non-Criminal
In this category, he itemized such everyday assignments as settling family arguments or quarrels between neighbors, rescuing children and pets from varied situations, directing traf-

fic, issuing tickets for speeding, overparking and other violations, patrolling neighborhoods and traffic accidents, escorting ambulances on emergency trips and on occasion, delivering babies.

In 1965 on a nation-wide basis, 18,000 police officers were assaulted physically, Sgt. Mitchell said, adding this figure represents one out of every ten policemen. In addition, 53 were murdered in the line of duty and 30 were killed in accidents.

He commented that no police officers were killed in cities with populations similar in size to that of Granite City and most lost their lives while quelling arguments. He cited the reason as unpredictable behavior of quarrelsome individuals.

Auto Thefts and Youths
Sgt. Mitchell related that more than 50% of all auto thefts in 1965 were attributed to juveniles.

Boys under 17 years of age and girls under 18 years are classified as juveniles, Sgt. Mitchell explained. Efforts to rehabilitate and assist juvenile offenders are constantly being made through cooperation between the local police department and Coordinated Youth Services, mental health department of the Third Judicial Circuit Court, he explained.

In conclusion, the police officer showed a movie, entitled "Every Hour, Every Day," which depicted many services performed by law enforcement officials. Mitchell appeared at the meeting in lieu of Police Chief Ronald Veizer, who was attending a county-wide meeting of police officials.

Mevin Gillette, Kiwanis president, was in charge of the business session, with Donald Russell serving as program chairman.

House Window Broken
A rock was thrown through the front window of the home of Franklin Hayes, 2045 Quincy street, he reported at 11:55 p.m. Monday.

Births in County Drop During '66; Deathrate Up

Year-end vital statistics released this week by Miss Eulalia Hotz, Madison county clerk, show a considerable drop in the number of births recorded in the county, while deaths increased and marriages performed during the same 12-month period also increased by two.

The report showed 2687 infants were born in 1966, including 1901 boys and 1786 girls, while in 1965, births numbered 4026.

Within the past 12 months, 29 sets of twins arrived in the county, compared to 23 sets in 1965. Five sets of twins were born to Quad-City parents, including Mr. and Mrs. Bobby Joe Gott, 2137 Alton avenue, Madison; Mr. and Mrs. Donald Durbow, 2704 Swan drive; Mr. and Mrs. Leo F. Kamadulski, 2701 Swan drive; Mr. and Mrs. Richard L. Willett, 2908 Forest avenue; and Mr. and Mrs. Merle W. Little, 2828 Victory drive.

As in 1965, the largest number of births occurred in August, with 390 births recorded in 1966 and 390 listed for the same month in the previous year. The fewest number of births were recorded in February with 278, while the low month in 1965 was May with 257 listed.

Deaths within the county in 1966 totaled 2180, compared to 1884 in the previous 12 months, an increase of 276. The largest number of deaths in one month last year was 218 in July, when there was a heat wave, the fewest in November with 147.

In 1965, the top death rate was recorded in March with 179, while the lowest number was 129 in August.

June was first choice of brides for their wedding day, with 282 ceremonies performed in that

month last year for the highest one month total. Next in popularity was July with 243 marriages, followed with September listing 222.

The number of marriages performed in 1966 was 2378, compared to 2373 in 1965. June, August and July, in that order, proved the most popular for weddings in 1966. Fewest weddings took place in March last year with 137, while a low figure of 139 was recorded in February of the previous year.

Noticeable in the statistics was the substantial gain for December with 229 ceremonies performed as opposed to 188 in December 1965.

Included in the county-wide marriage total were 471 ceremonies performed in Granite City compared to 485 in 1965; 83 ceremonies in Madison, compared to 96; and Venice with 26 marriages, an increase of seven.

Ceremonies performed by ministers and priests in 1966 and 1965, respectively, numbered 2024 and 1965; circuit court magistrates, 343 and 383; circuit judges 3 and 15; Salvation Army chaplains, 7 and 5.

The largest number of weddings took place in Alton with 716. Granite City was second with 471. Both communities ranked first and second for weddings in the 1965 statistics.

Powell Seeks Support Of District Libraries

Secretary of State Paul Powell as Illinois State librarian, requested last week bi-partisan support of a bill aimed at establishing uniform laws for district libraries to bring them in conformity with laws governing libraries in cities, villages, towns and townships.

"Great progress has been made since passage of the act of 1965 which set up geographical systems with establishment grants in line with the 1965 act.

and financial help on an annual basis," Powell said. "The long-delayed recognition of the fact that libraries are live sources of information and recreation for all the people has been met with public approval and demand for extended service. It is an exciting era which calls for support by adherents of both major political parties and is clearly in the public interest."

Former proposed legislation also would wipe from the statutes restrictive vestiges of the law of 1872 and bring the regulations in line with the 1965 act.

The bills include appropriations for the continuance and extension of the library systems which are designed through headquarters strength to help many small libraries in the respective systems areas and act as efficient liaisons with the state library in Springfield.

Federal Income Tax Booklets Available

"Your Federal Income Tax," a 16-page booklet on federal taxes, is now available.

Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, said the booklet covers in detail the federal income tax laws as they apply to individuals. It contains many examples to illustrate application of the laws to actual situations.

Philpott said the material is especially helpful to Illinois taxpayers who have unusual tax situations, or for those faced with a new tax problem for the first time. Checklists of taxable and non-taxable income and of allowable and non-allowable deductions are included. A detailed index of problems.

A special feature in the booklet is the sample filled-in tax return, Form 1040, keyed to pages in the booklet where explanations can be found for the entries on the return.

"Your Federal Income Tax" may be purchased for 50 cents a copy from the East St. Louis or Alton Office of Internal Revenue.

All mail orders should be sent to Blank Forms, Post Office Box 1468, Springfield, Ill. 62705, or to the U. S. Government Printing Office, Washington, D. C. 20402. A check, draft or money order 4 o'clock hour having the high-

Granite City Traffic Toll Up

11 Killed, 544 Hurt in 1517 Accidents in '66

Eleven persons including three pedestrians, were killed in seven of 1517 traffic accidents occurring in Granite City during 1966, according to statistics compiled by the traffic division of the Granite City police department.

In 373 of the 1517 traffic mishaps of all types, 544 persons suffered injuries—among them 41 pedestrians and five bicyclists.

Of the 1968 total, 940 mishaps involved vehicles moving in traffic, but 358 involved parked vehicles. Other classifications involved fixed objects, 68; miscellaneous objects, nine; ran off road, 36; overturned on road, nine; pedestrians, 48; trains, 11; bicycles, 18; and various non-collision, 28.

During 1965, seven persons were killed and 516 were injured in a total of 1497 accidents. There were 746 accidents on streets marked as state routes, with 383 injuries, and 771 on local streets, with 241 injuries.

Traffic statistics show the most dangerous day to drive was Friday. In 1968 288 accidents were recorded on Friday, and the most dangerous hours were 3 p.m. with 29 crashes, 4 p.m. with 27, and 6 and 7 p.m. with 23 each.

Other hazardous days included Saturdays with 277 accidents, last year; Wednesdays, 212, topped at Office, Washington, D. C. 20402. A check, draft or money order 4 o'clock hour having the high-

4 p.m. as tops; Sunday, 173, with noon, 3 and 4 p.m. as worst; and Tuesdays, 170, and the peak occurring at 4 p.m.

The report shows 374 angle accidents at intersections, indicating traffic control violations—69 with two autos headed in the same direction in an intersecting street, 38 involving one vehicle making a left turn and the other headed straight, 24 with autos headed in opposite directions, and 14 with one stopped at an intersection.

At locations other than intersections, 354 crashes involved one auto which was parked, 138 in which one vehicle was stopped in traffic, 50 with one car leaving an alley or driveway, 21 with one entering an alley or drive, 40 with one leaving a parked position, 15 with one preparing to park, 71 with both going in the same direction and 46 with autos going in opposite directions.

Of 2437 drivers involved in accidents, 434 were 25 to 34, 431 were 35 to 44, 335 were 45 to 54, 221 were 55 to 64, 112 were 65 to 74, 56 were 75 and older and 11 were 15 and younger.

The totals included 1784 male drivers and 588 female drivers. The total of 913 accident reports listed contributing circumstances including 259 for failure to yield right-of-way, 38 for speeding, 37 for driving left of center, 48 for improper overtaking, 35 for pass-

ing stop signs, 18 for disregarding traffic signals, 69 for following too closely, 57 for making improper turns, 24 for inadequate brakes, 81 for alcoholic beverages, three for improper lights and 224 for other improper driving.

Vehicles in the crashes included 227 passenger cars, 162 trucks, 11 taxicabs, five buses, 25 motorcycles, five motor scooters and 24 others.

Under road surface conditions, 390 accidents occurred on dry pavement, 346 on wet pavement, 85 on snowy or icy pavement, 19 were on other conditions and 67 were not indicated.

Most accidents occurred in areas of apartments, stores and factories, totaling 867, compared to 322 in one-family residential neighborhoods, 20 at fields, 26 with no marginal development and 78 not indicated.

Light conditions included 918 accidents during daylight hours, 150 at dawn or dusk, 338 in darkness, and 111 not indicated.

Animal Shelter Window Repairs to Cost \$140

Repairs to 32 windows at the city animal shelter building on Route 3 will cost \$140, it was reported to the council Monday night by Alderman Clyde Boyd, chairman of the Sanitation committee.

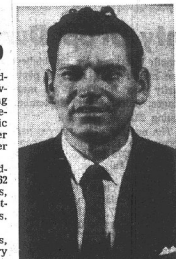

The windows were smashed by vandals last Friday night. Police are being asked to keep a close watch on the building.

In other action pertaining to the city humane department, the council has taken under consideration a letter from the animal shelter board, headed by Mrs. Gladys Chapman, requesting time off for Humane Officer Donald Krause.

The humane officer is subject to call and has been working seven days a week, it was noted.

Mayor Partney advised council members it would be necessary to amend the present ordinance setting up the humane officer job, since the bill permits an assistant only during summer months.

Aldermen indicated they would change the ordinance to permit an earlier start to the annual round-up of stray dogs.

Rev. James R. Legate Is Assistant Pastor

Rev. James R. Legate, 3018 Denver street, has been appointed assistant pastor of The Word of Life Tabernacle, 2633 Missouri avenue, it was announced today by the pastor, Rev. H. C. Crippen.

Rev. Legate is married and has five children, Connie, Felicia, James Jr., Elizabeth and Matthew.

Post 51 Amvets Attend 5th Division Meeting

Officers from Quad-City Amvets Post 51 attended a divisional meeting this week at Harrisburg where officers for the 5th division were nominated and a review of Amvets projects was heard.

Representatives from Post 51 were Steve Konovich, 5th division adjutant; Mrs. Agnes Konovich, 5th division auxiliary secretary; Mrs. Pauline Wickham, 5th division S.O.S. officer; and Joseph Wickham, vice-commander of post 51.

New Residence Planned

A building permit for construction of a new residence by Charles R. Simmons, 1216 Klein street, Venice, has been issued by the Venice city clerk's office and approved by the city council. The new residence and garage will cost an estimated \$20,000. Permit also has been issued for construction of new double garage, costing \$1500, by Andrew Watts at 521 Mercedia street.

Coal Producers Say Air Study Miscalculated

The Mid-West Coal Producers Institute released a report this week that questions the basis for the Missouri Air Conservation Commission's proposed 2.9% limitation on the sulfur content of coal.

The report says the goal of the Interstate Air Pollution Study to reduce total sulfur dioxide emission in the St. Louis central urbanized area 43% by 1970—which was used as a guide by the Missouri commission—can be met without placing a limitation on the sulfur content of coal. Interstate mentioned specifically the Venice and Cahokia electric power plants in projecting the reduction at 43%.

The Interstate Study technical committee previously calculated it would be necessary to use coal with a sulfur content of 2.0% or less in the central urbanized area to achieve the 43% reduction in sulfur dioxide emissions by 1970, calling it a first-step goal.

Coal Use Decreasing

James R. Jones, a representative of the Mid-West Coal Producers Institute, said the mathematical calculations used by the Interstate technical committee to set the 2.0% limit did not take into account the large number of residential and small business establishments that have already converted or soon will be switching from coal to gas or another type of fuel.

The coal producers' report says the amount of coal used in the residential and commercial heating plants decreased from 900,000 tons in 1963, when data for Interstate Study was compiled, to 405,000 tons in 1965. It is predicted to drop to 96,000 tons by 1970.

"In the process of rechecking some figures we discovered the Interstate technical committee mistakenly omitted the data showing the decrease in the use of coal and the resulting reduction in sulfur dioxide when they assigned a 2.0% sulfur limitation."

"This omission and the other figures listed in our report were verified at the U. S. Public Health Services offices in Cincinnati."

Goal Sure to be Reached

"That means that the sulfur dioxide level in the central urbanized area will be reduced to a point where it meets the first-step goal set by the Interstate Air Pollution Study and below a point where it could possibly have any harmful effect."

"In light of this information and the huge economic obstacles involved in mining and transporting 2.0% sulfur coal to the St. Louis area, the low limitation seems unwarranted."

The Coal Institute also noted that open burning is being brought to an end throughout this area.

It said further that, by 1975, the Cahokia power plant may have been phased out and there will be decreased operation of the Venice plant of the Union Electric Co.

Draft Deferment Test Filing Deadline Feb. 10

Selective service registrants who intend to seek deferment as a student and have not taken the selective service college qualification test were reminded today that Friday, Feb. 10, is the deadline for filing an application to take the test on March 11, March 31 and April 8.

Tests are to be given at colleges throughout Illinois, including Southern Illinois University-Southern Campus and the SIU Carbondale campus.

Col. H. Hammack, state director of selective service, pointed out that application cards for the test and information bulletins are available at any selective service board in Illinois. Applications must be postmarked not later than Friday, Feb. 10.

To be eligible for the test an applicant must be a selective service registrant who intends to request deferment as a student and must not have previously taken the test. The test score itself will not determine eligibility for deferment but will provide the local boards with evidence of a student's aptitude for continued college work. The tests will be given on the same dates at examination centers throughout the U. S.

Savings Bonds Offered As Income Tax Refunds

Savings Bond chairman for Madison county, Henry D. Karandjeff, today reminded taxpayers that the Treasury Department will once again offer the opportunity of taking income tax refunds in U. S. Savings Bonds.

The savings option, introduced in 1965, is addition to the two standard options of taking tax refunds in cash or applying them to next year's tax.

"When a taxpayer elects to take his refund in Series E Bonds," Karandjeff said, "his money goes to work immediately on two jobs. It begins to build his financial security. At the same time, it contributes to our country's economic strength. Those who elect the U. S. Savings Bond option join millions of Americans who are investing in their country's future in this way."

"When you check the Savings Bond line on your 1966 tax form," Karandjeff continued, "you automatically assure yourself of two advantages: You provide yourself with an easy method of holding on to your tax refund dollars and a sure way of making it grow one-third larger at maturity. When your mark is made, the rest is automatic. For example, if you're entitled to a refund of \$42, you'll get a \$50 face-value Series E Bond (cost \$37.50), plus a check for \$4.50."

2 Added Fire Pumps

Installation of two fire hydrants was authorized Monday night by Granite City council members. East St. Louis & Interurban Water Co. was instructed to place the hydrants at 23rd and Adams streets and at 3230 Kilarney drive.

Rev. Sadler to Speak At Calvary Baptist Church

Rev. A. B. Sadler, a former pastor in the Quad-City area, will be guest speaker at both morning and evening services Sunday at Calvary Baptist Church. The church pastor Rev. V. V. Snider, has been ill for several weeks.

Rev. Sadler, who is now rector in Missouri, following his retirement from active ministry, was pastor of the Venice Baptist Church for several years and is well known here.

Academic Blunder Pleasures

By JOHN W. ALLEN

Southern Illinois University

The regularly used word reminiscence and the colloquial one of reminiscence sound much alike; and sometimes have a common characteristic that makes one think the latter spelling is more descriptive. Nevertheless here goes.

"Once upon a time" (quoting Mrs. McFadden) when counselors, advisers and other present day impedimenta were conspicuously absent, registration at SIU was amazingly simple. 20 by 5 range from delightful to tragic. To register, the would-be student gave his name with a minimum of required personal data and signed a pledge to teach for a length of time equal to that he attended the "Normal." He next paid the reduced tuition charge of two or three dollars per term granted those who signed the pledge.

Cafeteria Style Selection

Thereupon he received a properly ruled registration card. With this card in hand the entering student went to the cafeteria, floor, Old Main. From this schedule he selected, somewhat cafeteria style, the courses he desired.

It was generally understood that there were certain prerequisites, such as a requirement that the "B Grammar" class was not open to a student until he had successfully negotiated the course marked "C." That simple requirement, however, didn't prevent the writer from teaching a class in "B Grammar" before he had so much as audited the course.

Of one thing he was assured: he learned more than any other one in the class of 30. The same requirement held for other subjects with "C," "B" or "A" ratings. Pedagogy was made to appear rather formidable since the lettering of its courses began with "E."

A student often could prevail upon some kind hearted teacher to admit him to a class that was a letter or so ahead of schedule. It was possible to come up with just about what one thought he wanted and to demonstrate that an individual's reach often is greater than his grasp.

Go for Broke

Having observed that teachers with first grade certificates get the better schools, this writer decided to take courses in "the sciences" (botany, zoology, and physics) and try for the more desirable certificate.

After a somewhat confused half hour one spring he became registered for the desired "sciences."

Having been told that laboratory would require a considerable amount of time he accordingly went to look things over. Deciding that there would not be enough work to keep one fully busy, another visit was made to scan the bulletin board and add something.

Since the earliest class already chosen did not begin until nine o'clock, which was quartering time to a country boy, one at an earlier hour was sought, but what? There was "B Arithmetic" to which he already had been exposed and another one or two that didn't sound attractive.

Knowing that the spring flight of birds soon would arrive, in fact some of the harder ones already had begun to come with their chirps and calls, a course with the simple title Ornithology was chosen, with little more thought than that it would be about birds.

Just by Chance

Taken for no remembered purpose other than that it would be a filler, that blind choice remains a most delicate academic blunder that left an abiding interest. The teacher knew and liked birds, the class was small, four boys and four girls (not a bad arrangement.)

Quiet tramps were made over the rail fenced cow pasture where University School and the Wham Educational Building now stand. At other times the class followed the brushy fences that enclosed truck patches where McAndrew Stadium and the Physical Plant now are. Occasional ventures led along the borders of Thompson's Wood. These were quiet trips for one doesn't go along shouting to stalk and hear birds.

All together perhaps no single course has led to a more continuous enjoyment. Since that time the world has been peopled with singing, screaming, chirping, twittering and scolding birds. In summers they have been observed busily rearing their broods. In winter those that are permanent residents have gathered in the trees and shrubs in the yard to peck at the food provided and to sing, twitter and chirp their thanks.

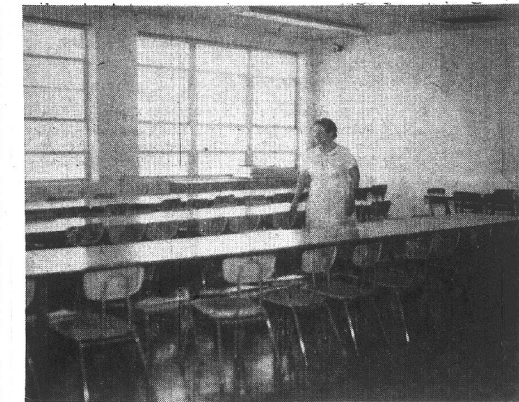

From Far-Away Places

Each spring, those that went south the previous autumn return, often to the same nesting place of the previous year. Two of these regulars are the purple martins that return from a winter spent in South America and the house wrens that return from the Gulf Coast.

These two birds have a common trait. Both have after fashion, adopted man, Indians often hung gourds with holes cut in them to the limbs of trees to furnish martins with nesting

Marine Sgt. Likes Yule Mail Call

A Washington Park Marine serving in Vietnam, whose aunt submitted his name to the Press-Record's "Yule Mail Call" project, asks that his appreciation be relayed to the many local residents who sent him cards and letters at Christmastime.

M/Sgt. Richard L. McVey, who is stationed with the Forces Logistic Support Group near Da Nang, Vietnam, wrote his aunt, Mrs. F. M. Rippey, 1733 Edison avenue, "I wish I could write personally to each family that sent me Christmas greetings. But they were so numerous and time over here will not permit it."

"I didn't know so many people back there cared that much about the boys over here. Now I know better and it makes the task here a bit easier."

The 20-year Marine Corps veteran who saw action in the Korean war is a son of Mr. and Mrs. Eugene McVey of Washington Park. Sgt. McVey's wife and three sons reside in Phoenix, Ariz.

PARKING LOT BUILT at top of new boat ramp, will accommodate 100 cars and trailers. Now of rock construction, it will be blacktopped later. The wooded area in background at top center will be cleaned of debris, seeded in grass and made into a park and recreational area that will extend more than half a mile north of the ramp.

CONCRETE SLABS are placed on runway of new Venice boat ramp on riverfront. The concrete "planks" will be hooked together, and will extend below water line to facilitate "rolling" boats into the river.

MISSISSIPPI RIVER forms background as Walter T. "Buck" Simmons, Madison County Democratic Committee chairman, inspects sloping excavation for a new boat ramp on the Venice riverfront. The ramp is being built by the Illinois Department of Conservation with \$50,000 in state funds, will be of concrete construction. Brick pillar is a manhole, the top of which once was at ground level. It will be lowered.

Bus and Auto Collide

A Bi-State Transit System bus driven by G. L. Darneil, East St. Louis, and a car driven by Francis Hearn, Belleville, collided Monday at Edwardsville road and McCambridge avenue in Madison. Police said the bus was going west on Edwardsville road and Hearn was driving north. Both vehicles were damaged in the front.

Driving Charge Filed

Billie E. Anderson, 2647 Center street, was charged with careless driving at 2400 N. Main road at 1:30 a.m. Tuesday. He was summoned for a hearing by next Tuesday.

Picnic Grounds, Park Area Planned at Venice Ramp Site

"A picnic and recreation area graded and rocked at the base along the Venice riverfront north of the Union Electric plant will be built in conjunction with the new Mississippi River boat ramp, Simmons said. The boat ramp and parking lot are being financed with approximately \$50,000 in funds provided by the Illinois State Department of Conservation to create a recreational center in the Venice area. The boat ramp will be of concrete and will be the only access to the Mississippi River in Madison county, according to Simmons. The territory immediately adjacent to the boat ramp will be

seeded in grass and a general clean-up of the riverfront for more than half a mile north of the ramp is being planned to provide a picnic grounds and park area. Benches and tables eventually will be added to the area, it was said.

Avoid Simple Errors On Tax Returns—IRS

Simple errors on federal income tax returns delay refunds and cause taxpayers trouble, according to Jay G. Philpott, district director of Internal Revenue for Central and Southern Illinois. Philpott suggests this simple checklist:

1. Check arithmetic.
2. Attach Forms W-2 from all employers.
3. Sign your return. Both husband and wife must sign a joint return.
4. Print or type name and address, including zip code.
5. Use correct tax table.
6. Total your deductions if you itemize them on page 2.
7. List your Social Security number correctly. Both husband's and wife's number should be reported on the joint return.

"You can save the Internal Revenue Service and yourself valuable time and money by carefully checking your 1966 tax return before you mail it," Philpott concluded.

Two Autos Collide

Autos driven by Alvie Ebert, 3108 West 20th street, and Elvis Lee Hendrix, Florissant, Mo., collided Monday at 2200 Nevada avenue.

Mrs. Pearl Mead, 79, Of Wood River, Dies

Mrs. Pearl (Livingston) Mead, 79, of 444 Second street, Wood River, died at 7 a.m. Tuesday, at St. Anthony's Hospital, Alton. She was the mother of Mrs. Harry (Marian) Kirby, who until recently directed the local office of Coordinated Youth Services.

Mrs. Mead, who was born near Livingston, Ill., had been in ill health with a heart ailment since suffering an initial stroke 11 years ago. She was a patient at the hospital 20 days. Her husband, Horace Homer Mead, died in 1954.

A 50-year member and past secretary of the Edwardsville Chapter, Order of the Eastern Star, Mrs. Mead had taught school in Alhambra, Ill., following her graduation from Eastern State Teacher's College. She had resided in Wood River 24 years, having previously lived in Edwardsville 17 years and in Alhambra for 13 years. She was a member of the Wood River First Presbyterian Church.

Besides Mrs. Kirby, she is survived in today's obituary column.

Two Cars Damaged

Cars driven by Lawrence Darnier, 2141 Cleveland blvd., and Charles E. Kline, 1729 Chestnut, of 444 Second street, Wood River, collided at 12th street and Alton avenue in Madison at 8:30 p.m. Monday, resulting in damage to both cars. Police reported that Darnier stopped on the boulevard sign on 12th street and was hit from the rear.

W-2 Deadline Jan. 31

Employers are being reminded that Form W-2, showing income and social security tax information for 1966, must be furnished all employees on or before Tuesday, Jan. 31, 1967. Jay G. Philpott, district director of Internal Revenue for Central and Southern Illinois, said today.

BRIDE-TO-BE HONORED AT SHOWER PARTY

Miss Karen Talley, who will be married Feb. 11 to Donald Mega, was honored this week at a shower given by Mrs. Ann Mega and Mrs. Pat Takamayan in the Mega home, 2646 Lincoln avenue.

The appointments were carried out in avocado green and white. White wedding bells accented with green streamers were used; and after the gifts were opened, the guests were entertained at games. Mrs. Ruth Mitchell, a sister of the bride-to-be, and Mrs. Brenda Cant, assisted in opening the packages.

Refreshments were served to Mrs. Catherine Suratt, mother of the bride-to-be, Mesdames Marian Whitaker, Eunice Taylor, Blanche Massey, Gertrude McMurtrey, Diane Cottrell, Jeanette Cravens, Kate Fedora, Gladys Skubish, Sue Perdicaris, Ann Margulen, Irene Kadane, Mary Bridick, Helen Valencia, Esther Curran, Jo Ann Macios, Cant, Mitchell, Jeanne Bridick, Sue Reading, Connie Koch and daughter Karen, Nell Viessman, Barbara Dudak, Ella Crnkovich, Frances Vivod, Marian Avedian, Nancy Crnkovich and children, Traci, Gloria Skubish, Vivian Danco, Alex Severine, Judy Joyce, Shirley Scaturro, Josephine Moti, Lillian O'Master, Johanna Roberts, Midge O'Master, Mary Venorsky, the guest of honor and the hostesses.

LOCAL WOMEN ATTENDING HOMEMAKERS MEETING

A number of local women, members of the Madison County Homemakers Extension, left this morning by chartered bus for Urbana where they will attend a two-day annual State Extension Homemakers meeting at the University of Illinois.

In the party were Mrs. Robert Brave, Mrs. Elmer Neumann, Mrs. Edward Graklonek, Mrs. Lucille Lipe, Mrs. Helen Cuvier, Mrs. Irene Dawes, a county representative, all of Isabel Beyer Unit, and Mrs. Ann Pare, Mrs. Madge Ramsey, Mrs. Laura Travis, Mrs. Virginia Carroll, Mrs. Josephine Urram, Mrs. Frances Grober, Mrs. Charlotte Tempel and Mrs. Florence Simpson of the Granite City Unit.

At last year's meeting, 77 counties were represented with Madison county having the largest representation. It is hoped to equal this record in 1967.

MR. AND MRS. WILLIAM GORBE, of Route One, who will hold open house for their family Sunday in honor of their 65th wedding anniversary.

Mr. and Mrs. William Gorbe Observing 65th Anniversary

Mr. and Mrs. William Gorbe of Rural Route One are planning a celebration Sunday afternoon at their home in honor of the 65th anniversary of their marriage.

Mr. Gorbe is 85 and his wife is 80.

They were married Jan. 25, 1902, in Hungary and came to this country shortly after their wedding. They are parents of two daughters, Mrs. Roy (Rose) Landreth of St. Louis, and Mrs.

Frank (Mary) Damo of this city. There are also six grandchildren and 10 great-grandchildren.

The couple is still active, and Mrs. Gorbe does all of her own housework. Mr. Gorbe was formerly employed by Granite City Steel Co. but retired many years ago due to an injury.

He also assisted his brother, Julius Gorbe, in the operation of a bakery at 23rd street and Grand avenue.

Granite City PRESS-RECORD Thurs., Jan. 26, 1967 Page 33

Miss Alexander Is Engaged

Announcement has been made of the engagement of Miss Arlette Alexander, a daughter of Mr. and Mrs. Thomas M. Alexander, 5186 Rapp road, to James A. Kovach, whose parents are Mr. and Mrs. Anton Kovach of Southfield, Mich.

The news was told during a recent visit of Miss Alexander in Detroit. She is a graduate of the Granite City high school and is presently attending Southern Illinois University, Carbondale, majoring in apparel design.

Mr. Kovach was graduated from the Southfield high school and attended Western Michigan University. After completing his military obligation he will continue his studies of Mortuary Science at Wayne State University in Detroit.

Undergoes Surgery

Mrs. Marge Wiebels, 2424 Benton street, underwent major surgery at St. Elizabeth Hospital this morning.

City Adds Clerk For Handling New 2nd Set of Books

An added job at the city hall—a clerk to operate the city's new electronic accounting machine for the treasurer's office—was authorized officially Monday night by Granite City council members.

Preliminary authorization was given several weeks ago, but a protest was made Monday night by Alderman Johnson, who called for a deferral on the ordinance creating the job. It was seconded by Whitmer.

Johnson said the city should not hire any extra people, commenting, "There are enough political parasites in the city hall."

Following the council meeting, Mayor Partney stated that if Johnson would name the political parasites not performing their duties, "I will personally fire them."

Withdraw Deferral

After procedures were explained by Alderman Rutledge, chairman of the Finance committee, Johnson and Whitmer withdrew their deferral motions, and the ordinance was approved along with a resolution for transfer of \$1000 from the excess tax commissions funds to the general government fund to pay the salary for the clerk.

The ordinance creating the job did not specify a salary. The girl has been receiving \$1.80 an hour as a temporary employee, and the starting salary for a clerk has been \$25.

Alderman Rutledge said the added clerk is needed since state laws require the city treasurer to keep a duplicate set of financial records. "In the past, we've had a single entry system with a single person, the controller, doing the job; but under state laws we now must use the dual system with the treasurer and the controller both keeping books."

Detectives Want Secretary

Referred to the Personnel Committee was a request from Police Chief Ronald Veizer for a secretary to be hired for the detective division. Alderman Whitmer, Police committee chairman, said the increasing amount of paper work is preventing the four-member division from carrying out necessary investigations, and that the secretary for the police department also is "overloaded with work."

Referred to the Police committee was a sick leave payment to a new officer. The committee was asked to determine if the newly-employed probationary patrolman qualifies for sick leave pay for taking off the third day he worked because of illness.

Residents Oppose New Tavern at State Park

A petition listing 287 signatures has been presented to the Madison County Liquor Control Commission opposing the issuance of a liquor license to Mrs. Jacqueline Hazel to operate a tavern at 8401 Collinsville road in Nameoki township.

The application for the license has been taken under advisement by Harold Landolt, testifying at the license hearing were Harry Briggs, Nameoki township supervisor, and Gerald Shaver, principal of the State Park and Crestview schools. Mrs. Hazel was not on hand.

Landolt warned county tavern operators that they must obtain their 1967 licenses promptly if they want to remain in business. He directed sheriff's deputies to begin checking them.

Only 49 liquor licenses have been issued to taverns in unincorporated areas where there are about 120.

Two were not expected to seek renewals as the state plans to acquire their properties for widening Nameoki road. They are the Diamond Inn and Club Jug.

GC Studying Need to Remove Parking Meters at Corners

Greater safety at intersections through concentrated enforcement of 15 to 20 no-parking zones will begin with removal of parking meters that are within the restricted area.

Third Ward Alderman Roy Poulos requested Monday night immediate study by the Traffic Commission and the traffic division of the police department to determine where meters are to be removed and no-parking zones marked.

He noted that while the city has a blanket ordinance banning vehicle parking at intersections, "Trucks and autos parked close to intersections not only block the views of drivers but also can make it impossible for a motorist to see a stop sign on the corner, and we have meters right up to the corners," Poulos told the Press-Record.

His recommendation for the study was approved by the council.

GCS Employees Credit Union Elects Directors

Five directors of the Granite City Steel Employees Federal Credit Union were re-elected and one new director and two credit committee members were elected during the organization's 25th annual membership meeting this week. Approximately 1200 members and wives attended the event held in the Venice-Madison American Legion hall on Broadway, Venice.

Newly-elected to the board for a two-year term was Russell "Robbie" Robinson, while Herman Bader and Gerald Griffith were named as new credit committee members. Directors re-elected for additional two-year terms were John Zabel, Paul Edmonds, Alex Skubish, Nick Neunzerling and Bert Houston.

Ernest Eli, board president, presented fiscal reports, noting that assets of the credit union now stand at \$6,277,257, an increase of \$168,176 within the past year. He reported over the same period of time, a total of 159 new members have joined the organization, which now boasts an all-time high membership roster of 6850.

The official said a 4 1/2% dividend was paid on all shares in 1966, for a total of \$229,801. Following the election meeting, a social hour and buffet luncheon were held.

Mrs. Josephine Pope Dies; Former Resident

Mrs. Josephine Pope, 76, of Vandalla, Ill., former long-time Madison resident, died at 7 a.m. Monday, at Fayette County Hospital, Vandalla, where she was a patient 21 days. She had been in ill-health for several weeks.

Born in St. Louis, Mrs. Pope had lived for many years on Fifth street, Madison, prior to moving to Vandalla 18 months ago. Before retiring, she was a veteran saleswoman at a St. Louis department store. She was a member of St. Mary's Catholic Church of Madison. Her husband, William H. Pope, died in 1928.

Surviving are one daughter, Mrs. Leroy (Doris Mae) Langston of Vandalla, formerly of Madison; and seven grandchildren.

Funeral services were held yesterday at the Mother of Dolours Catholic Church, Vandalla, with burial at Zion Cemetery, St. Louis.

An ordinance establishing a 150-foot no-parking zone on the west side of Cleveland blvd. north from 20th street was placed on first reading.

It was requested by the public library board for easy exit by the new, larger bookmobile truck and trailer from the library parking lot at 20th street and Cleveland blvd.

Poulos protested the size of the zone, saying he felt the distance should be reviewed and the zone shortened to about 60 feet.

An ordinance setting a 20 mph speed limit in the 1600 block of Maple street, which is heavily used by Army Depot employees, was approved by the council.

Four Hubcaps Stolen

All four hubcaps of a 1965 model, two-door auto owned by Joseph LaMacchia, 1310 Grand avenue, Madison, were stolen after 6 p.m. Monday while the car was parked in front of LaMacchia's home, according to a report to Madison police at 7:30 a.m. Tuesday.

Income Tax Questions, Answers

Who Must File Returns Explained

By Jay G. Philpott
District Director
Internal Revenue Service

Q—Who has to file a return?
A—A return must be filed by every person over 60 who has gross income of \$600 or more during the year.

For those 65 and over, a return does not have to be filed until gross income reaches \$1200.
However, if you are self-employed you must file a return if you had self-employment income of \$400 or more, even though your gross income was less than \$600.

The filing requirements also apply to minors. For example, a child has income of \$600 or more from a savings or trust account or any other source, then a return must be filed on behalf of that child.

Q—I'm due for a refund this year. What can I do to speed it up?

A—The best advice we can give is to file a complete and accurate return and to mail it early to the address listed in the 1040 instructions.

Social Security Number
The largest single reason for delays in refunds last year was a missing or inaccurate Social Security number. Be sure to enter an accurate number for yourself.

Today's Investor

Dividends Can Increase Holdings

By Thomas R. O'Hara
Chairman, National Association of Investment Clubs

Q. I am 52, my wife is 57 and we have no children. I have a net worth of \$7,000 invested as follows: \$8500 in mutual funds, \$3500 in stocks, \$3000 in land, \$15,000 in savings and loan and \$7000 in my home.

My annual income is \$4600 and I am living up all wages earned now. How do you think my investment program should be from now on?

A. You have done a fine job building your estate on the income you have had.

I gather that you plan to use the income from your present investments to increase your holdings. In that case, I think you should reinvest the dividends you receive from your mutual fund shares in the shares of the same fund.

At the same time, I would take the interest from your savings and loan association plus the dividends on the stocks you now own and put these into additional stock holdings.

Right now there are some excellent buys in major oil companies, utilities and other companies, one or more of which you might find attractive. Using

Towns May Resist Reorganization

(One of a Press-Record series on government reorganization)

Entrenched officials unwilling to relinquish present authority and jurisdiction have been regarded as the likeliest opponents of extensive government reorganization and consolidation in Illinois.

Such opposition is now beginning to emerge even though few if any sweeping proposals have been given active consideration by the state legislature.

The Bond County Board of Supervisors this month unanimously went on record as opposing merger of governmental functions, citing specifically the consolidations suggested by the Committee for Economic Development, a national group composed of 200 leading businessmen and educators.

A similar stand has been proposed in a letter received and filed by the Madison county board.

Acting on a suggestion from the Township Officials of Illinois organization, the Bond county supervisors adopted a resolution asserting that "there has been developed through the past years the thought among a certain segment of people that the possible government is that which is controlled centrally by persons not directly answerable to the people they govern."

Direct Voice Through Ballot
"It is the thought and belief of this board that the best possible form of government is that in which those governed have a direct voice through the ballot in the selection of those persons who actually govern."

"This board feels that it is not in the direct interest of the people of various townships, districts and of the state that governments be further consolidated and centrally located."

"The interests of the same people will be best served by allowing more rather than less participation in local government by the people directly affected."

"The state legislature will undoubtedly have before it for con-

and for your wife if it is a joint return.

Other reasons for refund delays are failure to attach required W-2 forms, failure to sign the return and omission of other forms or schedules that may be required.

Another point—if you live in one of the states that have direct filing to IRS Service Centers, be sure to send the return to the Service Center rather than to the District Office. Page 8 of the 1040 instructions or page 10 of the 1040 instructions will tell you where to file.

Auto License Expense
Q—Are auto license tags a deductible expense?

A—Usually this is not a deductible expense. The exception would be where the license fee is based on the value of the car. In that case the expense would be considered a personal property tax and would be deductible.

Q—I do not have a Social Security number. Now I find I need one for my tax returns. What should I do?

A—You may obtain a Social Security number, which also serves as a tax account number, by filing application form SS-5 with the local office of the Social Security Administration. This application is available at IRS offices, at Social Security offices and at many post offices.

Monthly Investing Plan

The Monthly Investing Plan of the New York Stock Exchange, you can add to your holdings with as little as \$40 every three months.

In August 1965, my wife, who is now 69, and I, who am 65, let a smart salesman talk us into investing all our savings (\$2000) in a mutual fund with contract to reinvest all earnings.

The shares bought with my money cost \$13.47 each. In September 1966 they were worth \$10.28, with our total dividends so far amounting to \$232.32.

It looks to me like a bad investment at our ages, and we may never see our money. Would you advise taking a loss by selling rather than lose all, or should we hold on?

A. You don't have much to gain by selling now. Actually, the fund is set up to meet the needs of persons your ages since it is a balanced fund designed to put more emphasis on dividend income than on growth.

The fund has performed a little less well than the Dow-Jones Industrial average in the last 10 years, but since you already own and have paid the commission, I think you will be better off holding it. I think the price has gone up about 50 cents a share since September.

Right now there are some excellent buys in major oil companies, utilities and other companies, one or more of which you might find attractive. Using

consideration many proposals and bills having as their purpose the further centralization of government, districts and offices and the consolidation of certain essential government functions, including schools, law enforcement, taxing bodies and other groups and bodies.

"It is the consensus of this board that any further consolidation or centralization of functions of government be curtailed and that all governmental functions, offices, townships, counties, school districts, and other bodies be localized and that their functions be as close to those people directly interested as is possible."

Township-County Link
Noting that township supervisors and assistant supervisors form the membership of county boards, the Township Officials of Illinois group says, "The township-county interrelationship has been an effective means of co-ordinating district governments."

"It means that the township is the most compact units of local government that take in all the people, including those in incorporated areas." Expansion of the role of townships, rather than their elimination, is being urged by the group.

Officials representing the 1400 Illinois townships, at the 1966 convention in October, issued a statement in support of a legislative commission to study township laws—combining scattered statutes affecting township government into a single act—updating that act, and designating of town clerks as voter registrars and election authorities; standardization of tax assessment and collection procedures; elimination of highway commissioners in townships having no roads under their jurisdiction; and change in the name of town auditors to town directors.

equipped with population data, a pencil and a ruler could have drawn straighter and simpler boundaries with even closer numerical totals than those achieved by the council.

However, general adherence to township precincts — enabling identical city-township polling places to be designated — necessitated somewhat awkward ward lines. The successful effort to avoid redistricting some aldermen out of office also complicated the task.

Through the council's action, a victory has been recorded for the public and for the cause of better government.

Credit for the achievement goes to Mayor Partney, Aldermen Dallas of the First Ward, Aldermen Poulos and Boyd of the Third Ward, Aldermen Rutledge of the Fourth Ward, Aldermen Norn and Basrich of the Fifth Ward, Aldermen Fry and Pampely of the Sixth Ward, Aldermen Stenberg and Robertson of the Seventh Ward and Aldermen Thompson and Johnson of the Eighth Ward.

Urban Renewal Offers Opportunity to Carry Out Vital Improvements Here

Creative, imaginative thought and action have been cited by many objective observers as vital to Granite City at this point in its development.

A tool with which part of such planning can be turned into reality—urban renewal—will be the subject of an important meeting next Monday evening at the city council, city plan commission and federal offices.

What does Granite City need? Possible renewal projects might well include expansion of off-street parking; creation of malls or other areas that would provide a unique effect; construction of cultural, entertainment and medical service centers; bold steps to meet traffic needs and improve residential and commercial facilities; and planning of an almost limitless number of privately-financed projects that would benefit from coordination with federally-financed "model city" and renewal programs.

A \$40,000 urban renewal planning grant is available to the city, with much larger sums awaiting evidence of specific local renewal progress.

Active interest, imagination and effort can lead to an improved environment and a community able to function more effectively, attractively and efficiently. Next week's discussion here can be the first step toward a renewed surge of civic pride and accomplishment.

'Fame Is Fleeting' Department

Interest in a sister campus prompts SIU-SU partisans to disagree with a Sports Illustrated reference to SIU's basketball team as "Dogpatch, Ky."

The magazine's point comes through clearly even though no such city exists, but it can hardly be accepted as valid. SIU basketball team would be widely known if it had defeated—as SIU has—such nationally-ranked teams as Louisville and Texas Western, not to mention St. Louis University and other U.S. basketball powerhouses.

Now if SIU could just explain to America what a Saluki is...

Mail Zones Limit Parking Space

Removal of at least one of the two drive-up mailboxes adjacent to Civic Park is worth consideration because it would add several parking spaces to those currently available in the downtown area.

The two mailboxes, which date back to the time when the main post office occupied the triangular block, undeniably afford a convenience. But in view of the acute need for more parking in the central business district, mail may be best to move one or both a block or two to points where the parking shortage is not as serious.

Top Shrine Post Held by Local Resident

Election of Roy Wilentz Jr. as 1967 pontate of the 7500-member Ainal Temple elevates a Quad-Cityman to the top office of the Masonic Shrine throughout southern Illinois. In view of the extensive government carried out by the organization, the position is a high honor to him and this community.

State Proposals on Voting at 19, Annual Sessions, New Constitution, Ambulances, Reapportionment, Halfway House, Automation, Insurance

Bills of local interest being considered by the 1967 Illinois General Assembly:

H. 32—Imprisonment of three to 10 years for persons carrying firearms or other deadly weapons while engaged in mob action.

H. 33—Increase of 5% of base pay for his rank for each state employee for each year for more consecutive years, with another 5% every five years thereafter (limited to 20% of base pay for each year; if he holds a particular rank).

H. 39—Amends Leasing Use Tax to give preference to the Illinois tax to the extent of taxes paid in another state on the same rental or leasing transaction.

Motor Carriers
H. 41—Requires those who operate both as a common and a contract carrier to choose to continue as one or the other, but not both.

H. 43—Sanctions the carriage, storage or handling of property by a motor carrier free of or reduced rates for the U.S., Illinois or any municipality or other political subdivision of the state. Fee for filing application for such special permission.

H. 46—Amends law relating to alcoholic liquors by deleting references relating to the sale of alcoholic liquors.

H. 47—Defines an importing distributor of alcoholic liquors as one who imports from outside this state.

Non-Skid Tires
H. 48—Deletes provision that no

Search Underway for Life on Mars

(American Chemical Society)

Is there life on any other planet?

Does Mars have the raw materials for the emergence of life? Are they similar to those that once existed on earth?

These questions and many others have been asked in an American Chemical Society report by Dr. Richard Young, a NASA Aeronautics and Space Administration scientist who is trying to find the answers.

Mars Most Like the Earth
Mars is the scientist's number one candidate as a site for extraterrestrial life, according to Dr. Young, because it is the most Earth-like of all the planets.

The premise is that Mars originated as a planet much in the same way that the earth did.

The accidental discovery of compounds containing carbon and hydrogen on Mars in 1966, made by Dr. Lewis Kaplan, a scientist at the Jet Propulsion Laboratories of the California Institute of Technology, Pasadena, Calif., implies that there may indeed, be life on that planet.

Carbon-hydrogen compounds are organic, and living systems are made of organic compounds. Although scientists are excited about Kaplan's discovery, they realize that it is only a link in a long chain of evidence that must be pieced together.

Three Essentials of Life
Three criteria of living systems must be met before scientists can say with certainty that life exists on Mars.

Proteins and nucleic acids, the building blocks of life, must be found. However, these things can be synthesized without the help of living things, so that their presence on Mars would not be conclusive evidence of life on that planet.

Metabolism—using substances

from which energy is derived and producing a waste product such as carbon dioxide—is also a basic attribute of all living systems.

The third criterion for life is reproduction, the increase in numbers with time.

Mars Flight Needed
NASA scientists are working on methods of detecting metabolism and reproduction on Mars, but Dr. Young cautioned that these answers will not be found immediately. "It is not easy to detect life by remote means. To detect life on Mars we are going to have to land."

Some advance work can be done before landings are made on Mars.

The determination of the composition of the Martian atmosphere, the distribution of water on the surface, infrared observations which may locate areas of geothermal activity and areas of high water concentration—these Dr. Young said, can all be done from Earth.

Samples of Surface
One of the most important tasks for the first space vehicle that lands on Mars will be to collect samples of the surface.

Chemical analysis of materials on Mars will tell us whether it really is like the Earth.

If the proper samples are obtained, chemical analysis will tell whether or not proteins and nucleic acids exist on Mars. If these building blocks are not detected, chemists are of the opinion that life as we know it will not be found there.

"We can say definitely that there is nothing which says that there is no life on Mars or that life cannot possibly exist on Mars," said Dr. Young.

"Everything we know about Mars yields best to the biological theory. The best all-round conclusion is that it is just as likely that there is life on Mars as that there is not."

50 YEARS AGO

From the Files of the Press-Record

JANUARY 26, 1917

At a meeting of the Granite City library board, the matter of looking up old historical books and documents of the city was discussed. The board decided to look up the old historical books and documents of the city.

The board decided to look up the old historical books and documents of the city.

The board decided to look up the old historical books and documents of the city.

as like oxygen or glucose and producing a waste product such as carbon dioxide—is also a basic attribute of all living systems.

The third criterion for life is reproduction, the increase in numbers with time.

Mars Flight Needed
NASA scientists are working on methods of detecting metabolism and reproduction on Mars, but Dr. Young cautioned that these answers will not be found immediately. "It is not easy to detect life by remote means. To detect life on Mars we are going to have to land."

Some advance work can be done before landings are made on Mars.

The determination of the composition of the Martian atmosphere, the distribution of water on the surface, infrared observations which may locate areas of geothermal activity and areas of high water concentration—these Dr. Young said, can all be done from Earth.

Samples of Surface
One of the most important tasks for the first space vehicle that lands on Mars will be to collect samples of the surface.

Chemical analysis of materials on Mars will tell us whether it really is like the Earth.

If the proper samples are obtained, chemical analysis will tell whether or not proteins and nucleic acids exist on Mars. If these building blocks are not detected, chemists are of the opinion that life as we know it will not be found there.

"We can say definitely that there is nothing which says that there is no life on Mars or that life cannot possibly exist on Mars," said Dr. Young.

"Everything we know about Mars yields best to the biological theory. The best all-round conclusion is that it is just as likely that there is life on Mars as that there is not."

The first ordinance gave the Illinois Terminal Railroad an operating franchise on Omaha street. It enables the railroad to lay tracks on a block eastward, thus extending the present plant boundaries that distance for the new addition.

The second

Travelers Begin Third Year, Elect Officers

Miss Alice Purdes, Venice school music director, was re-elected president of Travelers Abroad at a monthly meeting Monday evening in the Prairies junior high school library.

Also re-elected were Walter Klein, vice-president of programs; Mrs. Helen Gantcheff, vice-president of membership; Miss Bea Cooley and Mrs. Lois Huxel, who serve jointly as secretary-treasurer; and Alfred Krumstiek, sergeant-at-arms.

Messes Eunice and Juliette Hatcher were elected to share the duties of vice-president in charge of arrangements in 1967, succeeding Harry R. Johnson.

Members were registered for the new club year beginning Feb. 1, and the group received a verbal and pictorial report on "Alaska, the Last Frontier" from Miss Mildred McDowell, who spent two years there.

Charles B. Schneider, retired Granite City Army Depot commanding officer who is associate director of the Southern Illinois University Foundation, discussed plans for a group to be known as Slavic Friends of SIU. Purpose will be to assemble Slavic books and historical material for the university library and possibly to develop a scholarship program.

It was announced that Mr. and Mrs. Krumstiek will present the Feb. 27 program.

Past activities of the organization of Quad-City foreign travelers, now in its third year, were reviewed by Klein. Areas stud-

SIU Receives Federal Training Act Grant

A federal grant for \$650,000, enough to provide training for 500 adults and 250 youths, has been received by Southern Illinois University to continue a vocational retraining program of the East St. Louis center under the Manpower Development and Training Act.

The funds will provide training for youth in 13 fields and adults in 12 occupations at the manpower training center in the former Alcoa plant, 3300 Missouri avenue, East St. Louis.

Damaged in Madison
A car driven by Harry E. Ellis, 2617 East 25th street, was damaged at the front and one driven by Robert Tyler, Millstadt, was damaged at the right front at 12:30 a.m. Tuesday in a collision at Edwardsville road and McCambridge avenue. Ellis was driving south on McCambridge and Tyler was headed west on Edwardsville road.

Auto Window Broken
The rear window was broken out of a 1963 auto at the Rongey auto repair shop, 2408 East 20th street, it was reported at 9 a.m. Tuesday.

led have included the Holy Land, Vietnam, Russia, Korea, England, Macedonia, Bulgaria, Japan, Italy, Turkey, Ireland, Scotland, the Mediterranean area, Greece, Africa, Mexico and South America.

Plan Extradition Hearing For Man Who Flew Hospital

Extradition proceedings will be initiated by the Madison county state's attorney's office for taking Arthur Smith, 20, to St. Louis to face charges of armed robbery, State's Atty. Leon Scroggins said Tuesday.

Smith meanwhile was being held in the county jail at Edwardsville, charged as a fugitive from justice. He was ordered jailed by Circuit Judge James O. Monroe Monday afternoon when arraigned in Edwardsville on a routine charge of unlawful use of a weapon filed by Venice police.

Venice authorities scheduled Smith's arraignment a few hours after his arrest by Venice, Madison and St. Louis police officers, and upon request of St. Louis police who wanted him for the prosecution in St. Louis on the robbery charge.

Smith, it was reported, was willing to waive extradition to St. Louis, but Judge Monroe said he refused to approve the waiver because Smith not only is a minor, but is an escapee from Malcolm Bliss Hospital, a mental institution in Missouri. Judge Monroe ordered Smith held in the county jail on the fugitive charge until an extradition hearing could be scheduled.

Were Watching Prisoner
Venice and Madison police had been watching Smith for several days at a house where the fugitive had been reported staying in the 1200 block of Market street in Venice. Because there were other people in the house, including children, police had been waiting for an opportunity to catch Smith outside the house.

Smith had been reported as armed and dangerous following his escape from the mental institution. Shortly before noon Monday, officers had arranged for a friend of the family to go inside the house, with the occupant to get out of the dwelling, and then to surround the house and capture Smith.

A contingent of officers included in the 1200 block of Market street in Venice. Because there were other people in the house, including children, police had been waiting for an opportunity to catch Smith outside the house.

A contingent of officers included in the 1200 block of Market street in Venice. Because there were other people in the house, including children, police had been waiting for an opportunity to catch Smith outside the house.

ing Assistant police Chief John Essington, and Officers Ralph Brawley and John Fields of Venice, Lt. Frank DeLo and Officers Norris Horton and Leon Bland of Madison, and Detectives Charles Cunningham and Roy Stetson of St. Louis gathered at the Venice police station. Armed with riot guns and tear gas, the officers left the Venice station at 11:45 a.m.

Enroute to the place where Smith was reported staying, however, they saw him at Arthur Means filling station at Market and Mercedia streets, getting his car filled with gasoline. The police cars converged on the station, and the officers surrounded Smith, who was standing beside his car. One of the officers ordered him to raise his hands.

Smith Pulled Gun
Instead, Smith pulled a gun from his shirt, jumping behind a gasoline pump at the same time. Brawley pulled his gun and fired a shot at Smith, but because of the angle from which he fired, Brawley's shot struck the gasoline pump.

Smith, frightened by the shot, dropped a fully-loaded, five-shot .38-caliber revolver. He was taken to the Venice station where a warrant containing the weapon charge was obtained as a means of retaining Smith in custody until St. Louis police could bring over warrants for his removal to St. Louis.

Judge Monroe said he will conduct a hearing in the case to determine all facts pertaining to Smith's escape from the mental institution and the St. Louis crimes with which he is charged. Scroggins said no date for the hearing has yet been set.

St. John UC of C Elects Officers

The following new officers were elected at a congregational meeting of St. John United Church of Christ this week: Howard Vallow, president; Charles Weiss, vice-president; Mrs. Ethel Holtzsch, secretary; Hans Jensen, general fund treasurer; and Otto Willaredt Jr., building fund treasurer.

The retiring councilmen were honored at the meeting. They are Fred Schwartz, Mrs. Ellen Ehler, Tom Kolesa and Charles Moritz. New members of the church council are Mrs. Muriel Kratz, Gus Finke, Earl Buenger and William Duckworth.

Annual reports were presented to the congregation by the church organizations, and entertainment in the form of a skit by the Senior Youth Fellowship followed. Refreshments were served.

Train Strikes Auto
At Maryville Crossing
The 1964 auto of Alvin A. Potts, 21, of 2300 Nameoki road, was demolished when it was struck by a CB&Q train at the Maryville road crossing off Nameoki road, state police reported Tuesday.

The car had stalled on the tracks and Potts had left it before it was struck. It was dragged about 1000 feet. The state police report listed no passengers in the auto. The crossing, listed as dangerous, is the scene of a number of fatal accidents in recent years. The crash occurred at 11:20 p.m. Saturday.

Auto Battery Stolen
Sylvester Clairidge, 2010 Edwardsville road, reported to Madison police Tuesday that a 2-volt battery was stolen from his 1965 model car while it was parked at the rear of his home. Clairidge told officers the theft occurred after 12:10 a.m. Tuesday.

Britisher to Keynote Model U. N. at SIU

Britisher C. Peter Hope, alternate representative to the United Nations Security Council, will deliver the keynote address to Southern Illinois University's ninth annual Model U. N. General Assembly Feb. 16-18 at the university center at Carbondale. Hope will address the second plenary session at 8 p.m. Feb. 17. "International Law" is the theme for this year's Model U. N. program. SIU's Model United Nations is designed to acquaint students with activities of the world organization and increase their understanding of international affairs, according to Dennis Jordan, secretary-general of the General Assembly. He said invitations have been mailed to several colleges and high schools in the area to send participants.

PINEWOOD DERBY race trophies won by Billy (10½) and David (9½) Chrusciel, sons of Mr. and Mrs. William Chrusciel, 2307 Hodges avenue, in an event held by Webster school PTA Cub Scout Pack 20.

Brothers Win Trophies In Pinewood Derby Race

Billy Chrusciel, 10½, won the first-place trophy, and his brother, David, 9½, won the third place trophy in a Pinewood Derby race sponsored by Cub Scout Pack 20 at Webster school. The brothers also won first place trophies in their respective divisions, staffed with four full-time and two part-time registered nurses, representing more than 10 years of practical experience. In anticipation of a full-time physician and medical director by July of this year, health service floor space in the Lower Library has been doubled. There are now four beds for temporary day care of students, against one a year ago.

Male Glee Club at SIU Makes Long-Play Record

The Male Glee Club at Southern Illinois University, Carbondale, has released a long-playing record of choice selections from its concert of past seasons, according to Robert Kingsbury, director of choir. The record contains both classical and lighter music, ranging from Lotti Schubert, Tugener and J.S. Bach to such popular compositions as "Moon River," "There Is Nothing Like a Dame" from "South Pacific," "Stella by Starlight," and a spiritual, "There's a Little Wheel A Turnin'." The record is pressed in stereo and monaural by Century Records of Los Angeles and sells for \$5.

Baggage Limited for SIU's Theater Trip

Baggage requirements for Southern Illinois University's theater company tour of Greenland and Iceland military installations are so strict that some of the cast must actually wear part of their stage costumes while en route, Christian Moe, the company's director, says.

"Only 500 pounds are allowed for costumes, properties and essential stage settings," Moe said, "and personal baggage is limited to 65 pounds for each member of the cast."

The troupe, which will present Neil Simon's Broadway comedy, "Come Blow Your Horn," throughout the Northeast Defense Command, will leave Feb. 1, flying first to New Jersey by commercial plane, then boarding a Defense Department jet to the four-star.

The tour—SIU's second to the Northeast Command—is an invitation of the USO and the American Theater Association. Performances are free to the overseas military personnel.

Health Service Used by 9100 at SIU-SW

Since the beginning of the Southern Illinois University-Southwestern campus current fiscal year, almost 9100 students, faculty and staff have visited the university's Health Service.

Health Service facilities have increased considerably since 1957, when SIU-SW opened its teaching centers in Union and East St. Louis. Today those two centers, as well as the new one, have modern, well-equipped offices, staffed with four full-time and two part-time registered nurses, representing more than 10 years of practical experience. In anticipation of a full-time physician and medical director by July of this year, health service floor space in the Lower Library has been doubled. There are now four beds for temporary day care of students, against one a year ago.

According to Robert C. Waldron, assistant administrator of the University's Health Service, who divides his time between the Carbondale and local campuses, the services may seem limited in comparison to Carbondale, "but one life saved is worth the money invested," he said. "To compensate for the present lack of M.D.'s here, we help the student by paying his doctor bill or hospital outpatient charge. Many others are referred to their own medical doctor or to a specialist. More faculty and staff members at this campus use our services than those at Carbondale."

With the addition of a medical staff will come x-ray equipment, a laboratory, and a prescription drug room. Waldron said. Only non-prescription drugs are dispensed by the nurses at this time.

Three Area Students to Play in Eastern Concert

Three area students will play in a joint concert by the Eastern Illinois University concert band and the Symphonic Winds at 4 p.m. Feb. 5 on the Charleston campus.

They are Barbara Manier and Judy Reidelberger, both of Venice, who play cornets, and Marianna Fisk of Madison who plays the French horn.

400 Attend GAA Mother-Daughter Banquet GCHS Band to Play Second Concert of Season Tonight

More than 400 persons representing GAA members from Carbondale and Prather junior high schools and the senior high school and their mothers attended the annual GAA mother-daughter banquet recently in the new cafeteria at the high school.

Jayne Dulgeroff, GAA president, and Doris Shane, vice-president were in charge of arrangements and presided during the evening.

An invocation by Beverly Dorch was followed by group singing led by Sheila Jones. Jayne Dulgeroff, Deborah Purcell and Barbara Mihg, GAA presidents at the three schools presented the official welcome to the mothers. The response for the mothers was given by Mrs. Kathleen Tadlock.

Table and cafeteria decorations designed to carry out the musical theme were the work of a student committee headed by Norma Adams. Other committee chairmen included Elaine Tadlock, entertainment; Kathy Willis, food; Helen Gault, tickets; Jackie Stein, programs; and Margaret Dunlap, cleanup.

Following the presentation of awards by the activities of the various sports activities, the group adjourned to the auditorium for a program of dance, skits and gymnastics.

Initiation Service

To conclude the program, 101 new members were given their GAA pins following a candlelight initiation service in the auditorium. Those initiated were:

Granite City high school, Becky Bailey, Denise Madrid, Connie Richardson and Mary Uram.

Coolidge junior high school, Kathy Arbelino, Sharon Astorlin, Barbara Azari, Sandra Beck, Linda Blumenstock, Carl Bogojan, Pam Brink, Paula Burdick, Alex Chapman, Alexia Cochran, Connie Crain, Alexia Fecurda, Linda Fischer, Loraine Ford, Dorothy Fryzlicht, Wanda Fuller, Mary Hart, Cheryl Haynes, Charlotte Heimann, Barbara Hordesky, Debbie Hornberger, Sally Jackson, Sherry Jackson, Lynn Jacobsmeyer, Peggy Jeros, Vicki King, Janet Kline, Kristie Koglin, Connie Koester, Kathy Kula.

More Initiates

Jane Lambert, Cindy Lathrop, Mary Lehn, Janice Loe, Mary McCarty, Marilyn McKinney, Sara Merkelbach, Kathy Murphy, Mary Nagel, Ruth Noth, Theresa Pashea, Brenda Pasley, Pam Peters, Debbie Portell, Laverne Prill, Sandra Probert, Debbie Reeder, Jana Rill, Janet Runk, Linda Singer, Sara Slattery, Margaret Sturdevant, Charlotte Tapp, Elaine Tarajacio, Marie Taylor, Janice Thomure, Pam Throne, Maureen Tolon, Val Verbrugg, Carol Volkmar, Linda Wetton and Mary Worthen.

Prather Initiates

Prather junior high school, Betty Baker, Linda Brown, Peggy Carson, Marilyn Chellman, Donna Copeland, Cheryl Fidler, Evelyn Howard, Pam Kessler, Donna Levenhoff, Lois King, Joann Kukarola, Lynda Lear, Laura Little, Pat McKay, Barbara Mihg, Janice O'Beir.

Barbara Owens, Linda Pilcher, Pat Pryor, Carolyn Raynor, Jane Sasyk, Joan Sasyk, Debbie Seebold, Kathy Soechtig, Pat Staydohar, Delois Stimac, Mary Stimac, Janet Stopkotte, Judy Talley, Pat Thomas, Becky Thomaason, Karen Tucker and Gayle Wisdom.

Sports Champions

Champions in all fall sports tournaments conducted by the organization were recognized as follows:

Archery: class champion, juniors, Donna Fallis, Cathy Yeager, Lana Dalhaus.

Badminton: singles, Deena Poulos; doubles, Deena Poulos and Sharon Azari. Golf: overall golf award, Karen Corzilius; individual championships, Karen Corzilius (two), Karen Hanne and Kathy Yureck.

Field hockey: senior class champions, Doris Shane, captain, Adele Travis, Judy Winfield, Jayne Dulgeroff, Dianne French, Janis Scher, Agnes Pisel, Jeanine Unfried, Betty Gray, Nilsa Abbott, Linda Hancock, Liz McDonald, Gayle Stavelly and Kathy Jones.

Speed-A-Way: senior class champions, Adele Travis, captain, Jayne Dulgeroff, Dianne French, Linda Hancock, Cindy Higgins, Frances Juhasz, Linda Kittel, Vannie Peppers, Doris Shane, Janis Scher, Jeanine Unfried and Judy Winfield.

Tennis: beginners singles, Janet Runk; beginners doubles, Janet Runk and Jackie Stein; school championship medal for singles and doubles, Doris Shane. GAA participation awards were presented to the following:

First-Year Awards: Denise Berry, Phyllis Boshoff, Marsha Casey, Lynne Dowdy, Marian Milner, Marian Sullivan, Cindy Todoroff, Elaine Wulf, Nancy Yount and Connie Rotter.

Second-year award: Barb Blatter, Lana Dalhaus, Sandra Dem-

ery, Debbie Epperson, Nancy Galt, Cynthia Grady, Karen Hanne, Jerri Hicks, Bobby Rojas, Mickey Santagato, Marie Schieb, Carol Studebaker, Elaine Tadlock, Jolene Travis and Jeanine Unfried.

Third-year award: Sharon Azari, Carol Biggs, Margaret Dunlap, Donna Fallis, Barb Fechte, Gail Forbes, Cheryl Linda, Janis Mehele, Nancy Neper, Doretha Pascoe, Deena Poulos, Sharon Rouland, Gayle Stavelly, Mary Thomas, Marsha Walker, Kathy Willis, Judy Winfield and Cathy Yeager.

Fourth-year award: Dianne French, Jayne Dulgeroff, Linda Hancock, Agnes Pisel, Janis Scher, Doris Shane and Adele Travis.

Faculty sponsors attending, all of whom share in the conduct of the girls extra-curricular sports activities program in the junior and senior high schools, included:

Miss Dorothy Mitchell, Mrs. Karen Smith, Miss Wanda Caron, Miss Sylvia Evangeliou and Miss Mary Sue Rogers, GAA advisor at the high school.

Miss Darlene Wenner, Miss Mylene Jacobs, Miss Dorothy Hinson and Miss Anna Marie Harn, sponsor of Coolidge GAA.

Miss Sharon McDonald and Miss Sharon Jo Johnston, intramural advisors at Central junior high school; and Miss Barbara Kerch, consultant for the school district's physical education program.

At SIU, new students must have graduated in the upper half of their high school class to be admitted in the fall term. Those in the upper two thirds can register in the winter and others may enter in the spring and summer, on probation.

Chamberlin also says "more and more colleges are giving greater attention to personal qualities of candidates in the admissions process." Admissions officers want information on character traits, emotional stability, attitudes and leadership qualities. Other trends noted by Chamberlin:

Class rank must be reinforced by national test scores; admissions requirements are higher for out-of-state students; more schools are requiring specific patterns of high school course work as pre-requisites.

Chamberlin says that in general, college admissions policies are becoming more restrictive, with national test scores playing a greater part in the admissions decision.

The Granite City high school band will present its second concert of the season at 8 p.m. today in the school auditorium. Louis E. Meek is the director.

On the program will be: "Gallio" by S. Lope, "Dedication Overture" by Vittorio Gnanini, "The Impresario Overture" by W. A. Mozart, "Jesu, Joy of Man's Desiring" by Johann Sebastian Bach, "Tannhauser March" by Richard Wagner.

"Begone for Band" by Glenn Oser, "Folk Song Suite" by R. Vaughan Williams, "Hands Across the Sea March" by John Philip Sousa and "I'll See You Again" by Noel Coward.

Rank in High School Stressed by Colleges

Increasing emphasis on high school class ranking is a major trend in college admissions policies throughout the nation, according to a Southern Illinois University educator.

Writing in the current edition of the Association of College Admissions Officers Journal, SIU Admissions Director Leslie Chamberlin says that high school graduation rank requirements are gradually moving upward.

At SIU, new students must have graduated in the upper half of their high school class to be admitted in the fall term. Those in the upper two thirds can register in the winter and others may enter in the spring and summer, on probation.

Chamberlin also says "more and more colleges are giving greater attention to personal qualities of candidates in the admissions process." Admissions officers want information on character traits, emotional stability, attitudes and leadership qualities. Other trends noted by Chamberlin:

Class rank must be reinforced by national test scores; admissions requirements are higher for out-of-state students; more schools are requiring specific patterns of high school course work as pre-requisites.

WATER for BETTER LIVING

It's what you don't see that really counts! All but a small part of the facilities that make up our water system are buried underground as pipelines or situated apart from the mainstream of community activity, as is the case with our treatment and pumping installations. Out of sight, out of mind; but they are there nonetheless. That's why that pure, sparkling water for better living is always at your service.

EAST ST. LOUIS AND URBAN WATER COMPANY an AMERICAN Water Works Company System

Father, Daughter from Hong Kong Attend SIU

A father-daughter pair from Hong Kong are graduate students at Southern Illinois University at Carbondale.

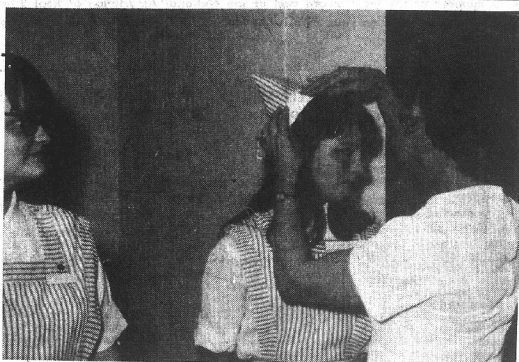

Chen-hsiung Wu, 49, a citizen of the Republic of China, and Lucille, 23, who is a U. S. citizen by birth, came to SIU last September. The father is studying for a doctor of philosophy degree in economics while his daughter is working toward a master's degree in botany. Wu's wife, a high school teacher of English, and their only other child, John, 8, remain in Hong Kong.

Wu and his wife came to this country in 1943 after graduating from the National Chengchi University in China, to study at the University of California, Berkeley, where Lucille was born. They left in 1950 for Hong Kong, where Wu is a lecturer in the New Asia College of the Chinese University.

The father and daughter live in adjacent dormitories on the campus. Each has cooking privileges, and frequently they trade food at mealtimes.

To Work in Australia

Mordecai Gorelik, research professor of theater at Southern Illinois University at Carbondale, has been awarded a Haye-Fulbright grant to spend six months conducting research in theater arts in Australia, under sponsorship of the University of New South Wales, Sydney. Gorelik will leave in May.

"CANDY STRIPER CAPS are pinned on Carolyn Shane and Cathy Yaeger at the annual orientation for Candy Strippers at St. Elizabeth Hospital by Mrs. Marieta Daniels, director of nursing services.

SIU Instrumental Music

As Southern Illinois University, Carbondale, approaches the 100th anniversary of its founding in 1869, it is interesting to note that almost a quarter-century elapsed after the founding before instrumental music was added to the curriculum.

71 Candy Strippers are Honored at Hospital

Seventy-one junior volunteers were honored at the annual orientation for Candy Strippers at St. Elizabeth Hospital. The focus of the program was in health careers.

The orientation was presented by Mrs. Catherine Pisel, volunteer director. A film depicting the finer points of the hospital's disaster drill was shown. Dr. Felicia Koch discussed social work and the field of psychology as a career. A discussion of the types of nursing careers was offered by Mrs. Marieta Daniels, director of nursing service at the hospital. Sister Mary Thomas, administrator, and Sister Mary Philomena, O.P., administrative resident, told the volunteers about the critical need for young persons to select careers in the health field.

Candy Strippers who have received awards since May were recognized.

Volunteers with 200 hours or more who received caps are Judy Benko, Pam Bionson, Pam Bird, Karen Bundegard, Diane

Dowdahl, Marilyn Dunn, Nancy Edwards, Elizabeth Gallas, Ricky Hunt, Dolores Kula, Cheryl Landis, Gerolyn Lapinski, Susan Mance, Laura Massie, Julia Meehan, Linda Morgan, Joann Pfeiffer, Cathy Pace, Carolyn Pierce, Mary Podnar, Carol Robertson, Pat Sanders, Diana Shackelford, Carolyn Shane, Marilyn Shane, Kaye Sivoli, Cathy Willis, Cathy Yaeger, Vicky Vetter and Nancy Young.

Receiving certificates for 200 hours or more were Carolyn Brinon, Debbie Colp, Marilyn Dunn, Martha Edmonds, Dolores Kula, Susan Lucido, Julia Meehan, Linda Morgan, Judy Mosley, Mary Munnik, William Pisel and Ruch Welch.

Other certificates were presented to Ricky Hunt, Karen Kelly and Yvonne Romanic for 400 hours; Carolyn Votau, 600 hours; Fran Tilton, 700 hours; and Angelita Blason, 800 hours.

Refreshments were served by Mrs. Helen Bergfield, president of the Hospital Auxiliary; Mrs. Irene Argelan, past president; and Mrs. Elizabeth Kelly, treasurer.

Debra Harrison Models For Seventeen Magazine

Debra Harrison, 16, of Granite City, is the latest discovery in Thermo-Jac's nationwide search for models for TJ's sportswear ads in Seventeen magazine. She performed her modeling assignment last week in St. Louis.

A junior at Granite City high school, she is the daughter of Mr. and Mrs. Otis Harrison, Rural Route One.

She applied to be a TJ model at Rich's Ladies Apparel shop and will appear in an advertisement in the April issue of the magazine.

Student Housing Rules At Carbondale Outlined

A report published in last week's student daily newspaper details progress in implementing the policy of the board of trustees on student housing at Southern Illinois University.

Vice-President Ralph W. Ruffner said the report was primarily designed to inform students regarding the status of student housing at the Carbondale campus.

The article lists the addresses of 354 off-campus student housing facilities for which the owners have applied for classification as accepted living centers for single, undergraduate students.

The facilities range from luxury type dormitory complexes designed especially for student occupancy to single rooms in private residences and trailers.

Under the new student housing policies and standards for the academic year 1965-1967 which were ratified by the board last Dec. 10, 11 board criteria must now be met in order for a housing facility to be classified as an "accepted living center for single and undergraduate students."

The statement prepared by the vice-president says inspections of housing facilities will continue during the winter quarter and classification decisions will be reported to the student newspaper, "The Egyptian."

A statistical review of the Carbondale campus student population made during the fall quarter showed 5821 students were either graduate students, married undergraduates, students or undergraduates living with parents or guardians; 4595 undergraduates lived in off-campus housing; 4910 lived in off-campus housing conditionally designated as accepted under the 1965-66 standards; and 2977 students sought permission to reside off-campus in other than accepted centers.

Lambert Initiated into Blue Key Organization

Don Lambert, 3724 Nameoki road, has been initiated into Blue Key national service organization at the University of Missouri at Rolla. He is a junior majoring in mechanical engineering.

Blue Key provides various services to the university and student body. It prints the student-faculty-staff directories and provides guides for university visitors days and other related services.

Pvt. Johnsee Completes Vehicle Driver Course

Army Pvt. Edward C. Johnsee, 19, son of Mr. and Mrs. Eddie E. Johnsee, 1302 Oriole street, Venice, has completed a light vehicle driver course at Fort Ord, Calif.

He was trained in the operation and maintenance of military vehicles up to and including the 2 1/2-ton truck. Instruction also was given in the operation of the internal combustion engine and chassis assembly.

Pvt. Peters Completes Army Signal School

Pvt. Russell J. Peters, 20, son of Ralph J. Peters, 3228 Willow avenue, has completed an electronics technician course at the Army signal school, Fort Monmouth, N. J.

He was trained in the operation and repair of systems in various Army radios, radar sets and electronic computers.

HOME OF THE "FAST FIFTY"

It's a bigger bargain today than ever before

Your telephone gives you more for your money today than at any time since Mr. Bell Invented It. Pretty big statement. But it's true.

There are more telephones in more places today than ever before. Two hundred million in the world, six million of them here in Illinois.

On the average, there are more than twice as many telephones in each of our Illinois exchanges as there were 20 years ago. So it figures you can reach more people, get more things done by phone than ever before.

And what about Long Distance rates? They've been going down while the cost of almost everything else has been climbing up. There've been 9 Long Distance rate reductions in Illinois during the past 10 years.

Another thing. The quality of service has never been better. Today's phone users can talk as though they were four feet apart. Back in the early 1930's, it was 35 feet.

Better service to more places at lower cost. We think that's a winning combination.

Southwestern Bell

Finding the Right Home Without Professional Help Can Be Like Looking for a Needle in a Haystack. All the Odds Are Against You!

Everybody has a tip or two on what to look for in a house. A Realtor has all the tips—on value, location, financing, the market. He knows as much about real estate as a chemist knows about test tubes or a dentist knows about teeth. You wouldn't fill your own prescription. You wouldn't make your own denture. It's just as foolish to buy or sell real estate without a REALTOR's help. What makes a Realtor different? He's a professional in real estate, a member of the local board and of the National Association of Real Estate Boards. He subscribes to a strict Code of Ethics and to the highest standards of performance. Looking for the right home on your own is like looking for a needle in a haystack. Looking for a REALTOR is not. When you see this seal, you'll know that you've found one.
